## Sort Propaganda:

**Faith in Honesty** Andrew Shanks, 2016-04-15 How if at all is religious faith true The starting point for this book is that traditional Christian theology overvalues the importance of correctness What really counts far more is Honesty Not just sincerity or frankness but Honesty in the sense of a sheer openness to the Other A set of skills Andrew Shanks argues which the church has very much still to learn True faith in God is faith in Honesty But theological Honesty has three faces It stands equally opposed to banality manipulation the mere disowning of history This book thus presents a whole new approach to the doctrine of the Trinity A fresh stimulus to theological debate at academic student and more popular levels *National Republican*, 1928 *Mensaje del Gobernador general Francis Burton Harrison a la tercera Legislatura filipina, pronunciado el 16 de Oct. de 1914* Philippines. **A Neo-Hegelian Theology** Andrew Shanks, 2016-03-03 The thought of G W F Hegel 1770 1831 haunts the world of theology Constantly misunderstood and often maliciously misrepresented Hegel nevertheless will not go away Perhaps no other thinker in Christian tradition has more radically sought to think through the requirements of perfect open mindedness identified as the very essence of the truly sacred This book is not simply an interpretation of Hegel Rather it belongs to an attempt so far as possible to re do for today something comparable to what Hegel did for his day Divine revelation is on going never before has any generation been as well positioned as we are now potentially to comprehend the deepest truth of the gospel So Hegel argued of his own day And so this book also argues of today It is an attempt to indicate in Trinitarian form the most fundamentally significant ways in which that is the case Thus it opens towards a systematic understanding of the history of Christian truth essentially as an ever expanding medium for the authentic divine spirit of openness **Minutes**, 1928 *Congressional Serial Set*, 1926 Reports Documents and Journals of the U S Senate and House of Representatives

**Chesterton** Garry Wills, 2007-12-18 Part of a literary circle that included H G Wells George Bernard Shaw Hillaire Belloc and Max Beerbohm G K Chesterton 1874 1936 wrote essays of social criticism for contemporary journals literary criticism including notable books on Browning Dickens and Shaw and works of theology and religious argument but may have been best known for his Father Brown mysteries Chesterton s interest in Catholic Christianity first expressed in Orthodoxy led to his conversion from Anglicanism to Roman Catholicism in 1922 This revised edition of Garry Wills s finely crafted biography includes updates to the text and a new introduction by the author [Early Media Effects Theory & the Suggestion Doctrine: Selected Readings, 1895-1935](#) Patrick Parsons, 2024-12-22 While much has been written on the history of media effects research in the United States a casual review of the literature could reasonably lead one to believe that little if any such work was conducted until the 1940s The anthology consisting of over 30 public domain works originally publishing from the late 19th century to the mid 1930s demonstrates the rich and varied study of media effects before mid century much of it centered on the concept of suggestion What media scholars know today as persuasion social psychologists of the early 1900s

would have understood as the process of suggestion The works collected in Early Media Effects Theory the Suggestion Doctrine include the original statements on the subject from many of the leading social theorists of the age among them figures such as Gabriel Tarde and Gustave Le Bon in France and James Baldwin Edward Ross and Floyd Allport in the United States Parliamentary Papers Great Britain. Parliament. House of Commons,1928 **The Political Re-Education of Germany and her Allies** Nicholas Pronay,Keith Wilson,2019-06-26 Originally published in 1985 this book provides an important insight into the principal aspects of the history of the policy and practice of political re education from its origins to 1951 Political re education was the British alternative to the ideas put forward by the USA and the USSR in the common search for a post war policy which would permanently prevent the resurgence of Germany for a third time as a hostile military power It was adopted as Allied policy and remains one of the boldest and most imaginative policies in history for securing lasting peace This book discusses the question of the place of this policy in the preservation of peace and the integration of Germany and Japan into the community of their historical enemies **Strategy and Tactics of World Communism** United States. Congress. Senate. Committee on the Judiciary. House of Lords,1918 Japan's Occupation of Java in the Second World War Ethan Mark,2018-07-12 Shortlisted for the ICAS International Convention of Asia Scholars Book Prize in the Humanities 2019 Japan s Occupation of Java in the Second World War draws upon written and oral Japanese Indonesian Dutch and English language sources to narrate the Japanese occupation of Java as a transnational intersection between two complex Asian societies placing this narrative in a larger wartime context of domestic regional and global crisis Japan s occupation of Java is here revealed in a radically new and nuanced light as an ambiguous encounter revolutionary in the degree of mutual interests that drew the two sides together fascinating and tragic in its evolution and profound in the legacies left behind Mark structures his study around a diverse group of Japanese and Indonesians captivated by the wartime vision of a Greater Asia The book is not only the first transnational study of Japan s

wartime occupation of Java but the first to focus on the Second World War experience in transnational terms on the ground anywhere in Asia Breaking new ground interpretatively thematically and narratively Mark s monumental study is of vital significance for students and scholars of modern Asian and global history This book is published in partnership with Columbia University s Weatherhead East Asian Institute [http://weai.columbia.edu/japans\\_occupation\\_of\\_java](http://weai.columbia.edu/japans_occupation_of_java)
