Jewish Roots of American Liberty Wilfred M. McClay, Stuart Halpern, 2025-09-23 For much of American history an impassable gulf seemed to separate Jews and Christians keeping their respective peoples and cultures far apart But in recent decades that has begun to change The rise of a militant secularism one equally hostile to Israel and to America's Judeo-Christian values and institutions has unexpectedly drawn Jews and Christians closer together In the face of a common civilizational threat the study of the two traditions joint contributions to the West has risen to the fore *Jewish Roots of American Liberty* illustrates how the free institutions principles and liberties that we value so much in today's America including Christianity itself are securely grounded in Jewish antecedents The twenty one chapters that comprise this book offer a sampling of the many ways Biblical cultural literary and political that the Hebraic tradition has contributed to the treasury of American self understanding Topics range from the titanic influence of the Hebrew Bible on the political culture of the American Founding to the distinctly Hebraic vision of figures like John Milton Nathaniel Hawthorne and Abraham Lincoln to the Biblical heroes whose examples run through the canon of the American imagination and more Suitable for both classroom use and stand alone reading the highly accessible contents of *Jewish Roots of American Liberty* will inform and inspire those who want to illuminate the bond between the American and Jewish stories and convey the blessings of that bond to a rising generation

The Music of Francis Poulenc (1899-1963) Carl B. Schmidt, 1995-10-19 The name of Francis Poulenc 1899-1963 was first brought to prominence in the 1920s as a member of Les Six a group of young French composers encouraged by Satie and Cocteau His subsequent fame spread well beyond France and he is coming to be regarded as one of this century's most significant composers His compositions are heard constantly in concert halls the world over and numerous recordings including complete sets of songs and piano music have been released Books articles and more than a dozen doctoral dissertations have discussed his music Carl Schmidt's catalogue of Poulenc's works represents the first comprehensive attempt to list an oeuvre which numbers approximately 185 compositions written from his teenage years until his death at the age of 63 The Catalogue identifies a number of unpublished works and adds a small group of compositions to his musical canon for the first time Each work whether complete or unfinished published or unpublished is described fully Catalogue entries list and describe all known printed editions including reprints and manuscript copies of each work In addition they provide detailed compositional histories based on numerous letters documents and press accounts many of which have not been published previously Russian interest in Poulenc's music manifested in press runs exceeding one million copies is also revealed for the first time
