Holman Day

Soul Forge:

Alaric Thorne and the Soulforge Amulet Daniel Todd-Norris, 2024-11-15 Dragons may be extinct but the evil they fought isn't and it's stirring once more. This is what the young scholar Alaric Thorne knows as he combs the Library of Alexandria for a glimmer of hope in the looming conflict. He learns that although the dragons may be gone that doesn't mean they're truly lost forever. Some part of them remains in the ruins of the city they died to protect, buried and bound to a long lost artifact, the Soulforge Amulet. When Alaric sets out to uncover this powerful artifact, he'll find that even benevolent power comes at a cost. To claim it, he must merge his body, his mind, and his very soul with what remains in the amulet. He must become something more, leaving his humanity behind to serve as a beacon of hope in this darkest hour. Emerging from those ancient ruins, Alaric has all the power he needs to protect his world from the coming darkness. Yet will he be able to bear the cost of his power and the struggle of the coming trials? If his newfound allies and friends prove true and trustworthy, they may just be able to carry each other through and save not only their world but also each other.

Soulforge Brian Zeeff, 2020-12-18 In a quest for truth, two reluctant heroes reignite an ancient war and discover a threat that may destroy all magic. Five years after a mysterious explosion killed their fathers, Lord Draxian Kalenthos reunites with his lifelong friend Prince Arros Nemendes to discover the truth behind the tragic accident. However, when their search leads to the discovery of a portal to another world hidden amongst an ancient ruin, reality disintegrates around them, transporting them from the peaceful magic-fearing land of Ellandor to the land of Kohr, a world without sun and the nexus of all magic. They must quickly learn to survive in a world pulled partially into the Realm of Shadow by a fallen god and corrupted by the insidious touch of the Spirit Realm. They join forces with two deadly Hunters, a Blade Master of legendary skill and Kyreena, an escaped slave with an unknown past. As the group navigates the horrors spawned by Kohr's violent red storms, Draxian and Arros uncover dormant powers within themselves and the disturbing realization of their true destiny. *Soulforge* is the first book in the series *Legends of Kohr*.
