It's Our Turn Now Mario Murillo, 2023-02-07 How can we ever hope for the world to get better if we keep limiting what God can do After reading this book you will step up with courage to be a part of the hope that the world needs against a destructive culture God has called you to be a witness of light in the middle of the darkness and you will obey Him with boldness and integrity Everyone living on the planet today has a front row seat to the failure of communism socialism and immorality People are sick to death of the fabrications lies control and tyranny Mario Murillo draws on his recent experiences in California where his ministry is experiencing souls being saved at a rate that surpasses even what was seen

during the Jesus movement of the 1960s and 70s It s accelerating and Murillo believes it s a worldwide trend that has us poised for an unprecedented opportunity as the body of Christ We must seize this moment In It s Our Turn Now Murillo explains why now is the time for Christians to do the following Explain why everything man has taught us is bankrupting our morals and our souls Display the supernatural with integrity and clarity that we ve not seen before Answer directly the questions that are truly on the hearts and minds of the human race We are no longer the remnant There are millions of us and it s time to stop believing the false reports and listen to what people around us are feeling We have the answers a hungry world is dying for Only the gospel of Jesus Christ can deliver us and only the church can change the world through its power It s our turn to step up and stop limiting God      *Bread for Believers* Curtis Hutson,2000-08
