Spear Of Tyranny:

The Spear of Tyranny Grant R. Jeffrey, 2000-09-29 The unforgettable sequel to *By Dawn's Early Light* A tale of faith love terror and hope It seems like a dream come true Especially to a world ravaged by war and exhausted by drought Especially to a society grown fearful from widespread crime and mystified by mass disappearances and unprovoked animal attacks And especially to a young Israeli couple devastated by their own very personal loss and unable to reach out to each other in their private pain After centuries of war and decades of crime the prospect of international harmony is tantalizing the tiny nation of Israel After millennia of waiting the prospect of a rebuilt Temple on Jerusalem's holy mount seems a miraculous gift And to Israeli Major Isaac Ben David disillusioned by loss and hungry for meaning the opportunity to work for peace is all but irresistible Isaac's opportunity lies with Adrian Romulus the president of the European Union Council of Ministers He's a charismatic visionary world leader with a workable plan for solving the world's problems Tall handsome and deeply spiritual he is also personally interested in the nation of Israel Everyone agrees he's a man who can bring peace to a troubled world But why do thoughts of Romulus trouble Isaac's wife Sarah an Israeli security officer How can Romulus know Isaac and Sarah's most private secrets And why is he so obsessed with an ancient spearhead in an Austrian museum Just who is Adrian Romulus anyway And what are his plans for Isaac Ben David and the world *The Isis* Eliza Sharples Carlisle, 1832

approaches to Oriental societies showing how in spite of the differences in their respective theorizations of the historical and political development of the West their work on the form of modern society in the Orient converges each complementing the other Fully conversant with recent scholarly work on Marx and Weber this comprehensive re examination of the points of convergence and departure in their work requires us to re evaluate both their positions in the history of sociology and their relevance to contemporary social questions As such it will appeal to scholars of social and political theory and classical sociology
