Good Poems Peter Goulding, 2013-08-28 Peter Goulding has for some reason known only to himself decided to collate and collect many of his early attempts at comic verse These 200 prime examples of his early work you should see some of the dross that didn't make it into the book represent his immature years i.e. up to the age of 45 and have very little merit at all Unsurprisingly very very few of these have previously seen the light of day Sadly for those who have not read the later poems things don't get any better Johnny Football Mike Shropshire, 2014-05-15 An inside look at one of today's most compelling athletes and his influence on college football in Texas and across the nation It's no secret that Texas is the capital of legendary football players From Sammy Baugh to Earl Campbell to Robert Griffin III and scores of others in between the Lone Star State has produced a heavily decorated list of athletic phenoms but none has put on a display as explosive and as sudden as that of the kid they call Johnny Football In Johnny Football Texas sportswriter Mike Shropshire recounts Johnny Manziel's extraordinary freshman season with Texas A M in 2012 during which his unparalleled breakout performance made him the first freshman to ever win the illustrious Heisman Trophy and follows Manziel and the rest of the Aggie squad through the much hyped 2013 gridiron campaign In Shropshire's signature witty entertaining writing style the book tells the complete story of an unlikely star who came out of rural obscurity to lead the Aggies to a top ten ranking in the national polls in 2012 and a victory in the postseason Cotton Bowl But make no mistake the tale of Johnny Football is larger and deeper than that of one star player It is the narrative of how a kid from nowhere with his country boy values restored vigor and pride to the Spirit of Aggieland Gig Em and this celebration of the A M faithful and Texas gridiron fanaticism is sure to make Johnny Football a treasured tale for years to come **That's Gross!** Crispin Boyer, 2012 Fun fun and more fun oozes from the covers of That's Gross a perfect book for reading by torchlight under the covers or bathroom reader Just don't tell them
