Climbing the Spiritual Mountain Alan Davey,Elizabeth Davey,2014-09-24 This is a guide for spiritual mountain climbers In the Scriptures connecting with Abba often leads to a mountain Modern spiritual writers have long recognized this scriptural metaphor and explored the nature of this journey of ascent Drawing on the text of the Bible works of literature and the writings of mystics both old and new Climbing the Spiritual Mountain speaks of the desires and intentions discipline and effort involved in developing our intimacy with Christ In Jesus dealings with people in the Gospels he draws them up the spiritual mountain through dialogue and questions Like Socrates of old his teaching method probes our thinking knowledge and motives In the process he stimulates our longing and desire to reach the summit There are challenges hurdles and difficult choices to make as we climb the spiritual mountain But the reward approaching the beautiful One who is our Abba far outshines any sacrifice we may make on the climb
