## **Soc Change Soc Issues Former Ussr:**

**Social Change and Social Issues in the Former USSR** Walter Joyce, 2016-07-27 Perestroika has led to more openness than ever before about Soviet social problems and it has accelerated the processes of demographic and social change In this collection a group of leading British European and North American specialists analyse the central features of a changing society concentrating upon mortality patterns in the population itself and upon the social problems that have been brought to the fore by glasnost such as drugs and alcohol abuse

**Youth and Social Change in Eastern Europe and the Former Soviet Union** Charles Walker, Svetlana Stephenson, 2013-09-13 Two decades have now passed since the revolutions of 1989 swept through Eastern Europe and precipitated the collapse of state socialism across the region engendering a period of massive social economic and political transformation This book explores the ways in which young people growing up in post socialist Eastern Europe and the former Soviet Union negotiate a range of identities and transitions in their personal lives against a backdrop of thoroughgoing transformation in their societies Drawing upon original empirical research in a range of countries the book's contributors explore the various freedoms and insecurities that have accompanied neo liberal transformation in post socialist countries in spheres as diverse as consumption migration political participation volunteering employment and family formation and examine the ways in which they have begun to re shape different aspects of young people's lives In addition while social change is a central theme of the issue all of the chapters in the collection indicate that the new opportunities and risks faced by young people continue both to underpin and to be shaped by familiar social and spatial divisions not only within and between the countries addressed but also between East and West This book was originally published as a special issue of Journal of Youth Studies

**School and Society in Tsarist and Soviet Russia** Stephen White, Ben Eklof, 1993-08-12

**IBSS: Sociology: 1993 Vol 43** International Committee for Social Science Information and Documentation, 1994 This bibliography lists the most important works published in sociology in 1993 Renowned for its international coverage and rigorous selection procedures the IBSS provides researchers and librarians with the most comprehensive and scholarly bibliographic service available in the social sciences The IBSS is compiled by the British Library of Political and Economic Science at the London School of Economics one of the world's leading social science institutions Published annually the IBSS is available in four subject areas anthropology economics political science and sociology

**Russian Civil Society** Alfred B. Evans, Laura A. Henry, Lisa McIntosh Sundstrom, 2006 Undertakes an analysis of the development of civil society in post Soviet Russia This book analyzes the Russian context and considers the roles of the media business organized crime the church the village and the Putin administration in shaping the terrain of public life

**Social Problems** Anna Leon-Guerrero, 2018-07-10 Empower your students to become part of the solution The new Sixth Edition of Anna Leon Guerrero's Social Problems Community Policy and Social Action goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community

involvement to achieve real solutions With a clear and upbeat tone this thought provoking text challenges readers to see the social and structural forces that determine our social problems to consider various policies and programs that attempt to address these problems and to recognize and learn how they can be part of the solution to social problems in their own community New to This Edition Many of the social policy discussions including immigration LGBTQ rights the Affordable Care Act and Internet neutrality have been updated to reflect the most recent government actions and debates More recent data and new data sources have been incorporated throughout both in the main narrative and in the Exploring Social Problems features New Voices in the Community subjects on gender work and the economy and war and terrorism appear in several chapters New In Focus topics include Black Lives Matters assault weapons and college drug problems The chapter on gender has been substantially updated with new or expanded coverage of binary cisgender transgender identification gender nonconformity discrimination sexual misconduct on college campuses and the rights of trans and intersex individuals Other new or expanded coverage elsewhere includes economic anxiety robotization in the workplace white nationalists feminist theories about race fake news net neutrality community policing gentrification and segregation in U S cities and the immigration and environmental policies of the Trump administration

**Routledge Handbook of Russian Politics and Society** Graeme Gill,James Young,2013-03-01 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

**Armenian Civil Society** Yevgenya Paturyan,Valentina Gevorgyan,2020-12-11 This book analyzes Armenian civil society in the context of post communist democratization It explores persistent challenges to civic engagement under Armenia s semi authoritarian regime and also highlights success stories of public mobilization and social impact Drawing on a broad range of methods and empirical sources the book provides a comprehensive overview of the re emerging diversity of Armenian civil society from formal organizations to spontaneous activism It combines a country level analysis of broad patterns in the country s political culture with the life stories of individual agents of change

contrasting public apathy with young activists enthusiasm By exploring mobilization strategies and narratives in Armenian civil society the book provides valuable new insights into the roots of the mass public uprising in spring 2018 **The Global Information Society** William J. Martin, 2017-07-05 This book is effectively a second edition of the author's classic *The Information Society* In it the author illustrates the major trends in and inter relationships between information technologies and the global economy and society In tracing the direction of information based change he reveals the implications for ordinary citizens for the quality of everyday life for economic and social activity and examines the prospects of nations and trading blocs Dictionary of Ethics, Theology and Society Paul A. B. Clarke, Andrew Linzey, 2013-11-05 This Dictionary provides a unique and groundbreaking survey of both the historical and contemporary interrelations between ethics theology and society In over 250 separately authored entries a selection of the world's leading scholars from many disciplines and many denominations present their own views on a wide range of topics Arranged alphabetically entries cover all aspects of philosophy theology ethics economics politics and government Each entry includes a concise definition of the term a description of the principal ideas behind it analysis of its history development and contemporary relevance a detailed bibliography giving the major sources in the field The entire field is prefaced by an editorial introduction outlining its scope and diversity Selected entries include Animal Rights Capital Punishment Communism Domestic Violence Ethics Evil Government Homophobia Humanism Liberation Theology Politics Pornography Racism Sexism Society Vivisection Women's Ordination The Challenges of a Society in Transition Yohannes Gebremedhin, 2004 Social Policy in Changing European Societies Nelson, Kenneth, Nieuwenhuis, Rense, Yerkes, Mara A., 2022-07-15 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline.com Adopting an interdisciplinary approach this book provides a cutting edge in depth account of social policy research today how we got here and where future research should be headed It defines the core research agenda for the future covering multiple social policy fields including care family health and housing policy as well as gender equality labour market policy and welfare attitudes *Indigenization Discourse in Social Work* Koustab Majumdar, Rajendra Baikady, Ashok Antony D'Souza, 2023-11-09 This contributed volume provides an in depth understanding of contemporary debates discussions and insights on Indigenous social work theory education and practice across the globe Based on theoretical and empirical perspectives authors collectively contribute to a comprehensive critical and up to date discussion about Indigenous social work theories decolonization of social work education Indigenous social work curriculum Indigenous social work practice and cultural perspectives towards enhancing Indigenous social work education and practice The key features of this book are Critical insights into the historical evolution of Indigenous social work Global debates on the westernization and indigenization of social work education An overview of Indigenous social work and its practice in diverse cultural contexts Critical perspective of Indigenous social work education and Coverage of a diverse range of geographical

areas Indigenization Discourse in Social Work International Perspectives is an indispensable resource for students scholars independent researchers academicians policymakers and practitioners who are working in the field of social work especially those who are interested in Indigenous social work issues Moreover it is an invaluable text for students scholars and academicians who are interested in international social work with a special focus on Indigenous social work In addition students and scholars in sociology development studies public policy and economics working with Indigenous people and who are interested in Indigenous studies will find this book useful as an interdisciplinary reference **The Decent Society**

Pamela Abbott, Claire Wallace, Roger Sapsford, 2016-04-14 The search for the Decent Society a fit place in which to live has informed policy at both governmental and international level This book analyses its nature and devises a consistent way of measuring the concept world wide on the basis of a coherent theory of agency within social structure Influenced by classical sociology and by the economist Amartya Sen the book posits that societies need to create a economic security b social cohesion c social inclusion and d the conditions for empowerment The model is interactive and recursive each component provides the requirements for each of the others This book outlines the sociopolitical framework underlying the Decent Society and summarises a decade of research some of which has had a formative impact on governments policies The first half contains studies of social quality based on surveys in the former Soviet Union and sub Saharan Africa while the second half describes the construction of a Decent Society Index for comparing very different countries across the world This book and the index it develops will be of interest both to academics and researchers in sociology politics economics psychology social policy and development studies and to policy makers in government local government and the NGOs The Soviet

Past in the Post-Socialist Present Melanie Ilic, Dalia Leinarte, 2015-07-03 This collection examines practical and ethical issues inherent in the application of oral history and memory studies to research about the Soviet Union and Eastern Europe since the collapse of the Soviet bloc Case studies highlight the importance of ethical good practice including the reflexive interrogation of the interviewer and researcher and aspects of gender and national identity Researchers use oral history to analyze present day recollections of the Soviet past thereby extending our understanding beyond archival records official rhetoric and popular mythology Oral history explores individual life stories but this has sometimes resulted in rather incomplete incoherent inconsistent or illogical narratives Oral history therefore presents the researcher with a number of methodological and ethical dilemmas including the interpretation of silence in biographical accounts This collection links the discussion of oral history ethics with that of memory studies Memories are shaped by factors that may be simultaneously both consecutive and disrupted In written accounts and responses to interview questions respondents sometimes display nostalgia for the Soviet past or conversely may seek to de mythologize the realities of Soviet rule Case studies explore what to do when interview subjects and memoirists consciously sub consciously or unconsciously forget aspects of their own past or themselves seek to take control of the research process **Social Challenges Facing Cuba** DR. ANDY S.

GOMEZ,2014-05-06 Since the fall of the Soviet Union we have witnessed a rapid transition from communist regimes to more democratic forms of governments around the world In most of these situations the changes and pre transition analyses have focused on the areas of political and economic transformation while paying very little attention to the impact such dramatic changes have on the people This book attempts to analyze some of these human factors as it applies to Cuba and what impact it will have for the future      **Sociology: A Down to Earth Approach** James M Henslin,Adam M Possamai,Alphia L

Possamai-Inesedy,Tim Marjoribanks,Katriona Elder,2015-05-20 James Henslin has always been able to share the excitement of sociology with his acclaimed down to earth approach and personal writing style that highlight the sociology of everyday life and its relevance to students lives Adapted for students studying within Australia this text now in a second edition has been made even more relevant and engaging to students With wit personal reflection and illuminating examples the local author team share their passion for sociology promote sociology to students and entice them to delve deeper into this exciting science Six central themes run throughout this text down to earth sociology globalisation cultural diversity critical thinking the new technology and the growing influence of the mass media on our lives These themes are especially useful for introducing the controversial topics that make studying sociology such a lively exciting activity      *Factors Behind the*

*Ukrainian Evangelical Missionary Surge from 1989 to 1999* John Edward White,2020-03-16 Throughout its history the Soviet Union was one of the most closed places in the world to missionary work As perestroika came in the late 1980s and the Soviet Union fell in 1991 a spiritual vacuum formed as massive numbers of people became interested in Christianity An unprecedented freedom allowed evangelicals to engage in missionary work Much has been written about foreign evangelical missionary work during this period but virtually nothing has been written about nationals doing ministry This book examines the remarkable surge in Ukrainian evangelical missionary work from 1989 to 1999 Both Baptists and Pentecostals engaged in a wave of missions flowing from Ukraine to the end of the earth Siberia What were these pioneering missionaries like What motivated them What enabled them to do what had been forbidden for so long What legacy did they leave for us today What can we learn from their example for future missions This book also looks at how a surge in missions takes place analyzing the factors behind the Ukrainian evangelical missionary surge by looking at different models for change Here we consider what steps can we take to help bring about new missionary surges      **Archaeology in Society** Marcy Rockman,Joe

Flatman,2011-11-17 The practice of archaeology has many different facets from academia to government to cultural resource management to public media Considering the place of archaeology in society means understanding the role that archaeology has in the present day and a sense of the contributions that it can make in each of these areas both now and in the future Archaeologists come to the field to pursue a variety of interests teaching examining history preserving the environment or studying a specialized time period or interest The outside world has a number of other expectations of archaeology preservation tourism and education to name but a few From a broad and varied background the editors have compiled a rare

group of contributors uniquely qualified to address questions about the current state of archaeology and its relevance in society. There is no single answer to the question of how the field of archaeology should develop and what it can do for society. Instead, the authors in this volume lay out the many ways in which archaeology is relevant to the present day, considering, for example, climate change, energy exploration, warfare, national identity, the importance of stories and how they are told, and how and why opportunities to engage with the past through museums, digs, television, classes, and the print media have the form they currently do, creating a state-of-the-art tool for archaeologists, policymakers, and the public alike to understand the work of many in the field and address the challenges we all face.

### **Democracy versus Modernization**

Vladislav Inozemtsev, Piotr Dutkiewicz, 2013-05-07 This book seeks to re-think democracy. Over the past years, there has been a tendency in the global policy community and even more widely in the world's media to focus on democracy as the gold standard by which all things political are measured. This book re-examines democracy in Russia and in the world more generally, as idea, desired ideal, and practice. A major issue for Russia is whether the modernization of Russia might not prosper better by Russia focusing directly on modernization and not worrying too much about democracy. This book explores a wide range of aspects of this important question. It discusses how the debate is conducted in Russia, outlines how Russians contrast their own experiences unfavourably with the experience of China, where reform and modernization have been pursued with great success with no concern for democracy, and concludes by assessing how the debate in Russia is likely to be resolved.
