publishers and to authors whose work might not otherwise find a home Camp Counseling Joel F. Meier, Karla A. Henderson, 2011-12-16 Through the first seven editions of this enduring text A Viola Mitchell shared her knowledge and skills with legions of educators camp directors and counselors who participated in the organized camp movement This classic highly regarded volume has now been thoroughly updated to provide a 21st century view of the trends philosophies and practices of organized camping The Eighth Edition retains the overarching emphasis on leadership skills and program activities and ideas updating their treatment with the latest research on positive youth development and outcomes based programming New chapters discuss trends in organized camping efforts to expand opportunities for camp participation and strategies to increase physical activity among children and youth Substantially revised topics include modern behavior management tools and techniques leadership strategies problem solving group processes and the importance of research and evaluation Throughout the authors infuse the discussion with a leave no trace conservation ethic that promotes ways to enjoy the outdoors in a responsible sustainable manner The essence of organized camping has remained the same throughout its 150 year history democratic group living in the outdoors supported by competent well trained leaders The latest edition of Camp Counseling celebrates that essence in every chapter illuminated by more than 120 new photographs as well as numerous illustrations and boxed exhibits Moreover extensive annotated resource lists in every chapter provide countless opportunities to explore topics in greater depth **Winning Soccer for Girls** Deborah Crisfield, 2010 An introduction in text and illustrations to the techniques and strategies of soccer *Soccer Homework: Skill Drills for 1-3 Players* , **Rondo Soccer Drills** Chest Dugger, 2021-06-12 Have you wondered how Pep Guardiola s teams have dominated European leagues for the last two decades Not only is the answer simple it s something that you can use to take your game and your team s game leagues above your opposition The key to Pep s success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they ve helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated Europe for a decade from 2005 They made soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which follows when the press is defeated They proved the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4 However the point is that some pressure is applied but not so

much as to make the drill difficult to perfect Thus confidence grows and in turn touch and vision A rondo is usually a drill that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book Order Now
