Soccer Basics:

The Complete Idiot's Guide to Soccer Basics Sam Borden, 2009-02-03 Soccer has long been the world's most popular sport. Even here in the U.S. where soccer still trails other sports at the professional level, its popularity continues to grow. In fact, it's one of the fastest growing sports at the youth level with more than 3 million participants between the ages of 6 and 14. Because it's such a fast growing sport, many parents don't really understand the game. After all, they grew up playing baseball, football, and basketball. So each spring, a new crop of parents with folding chairs and water bottles in hand escort their little ones to their first soccer game, beginning their quest to understand that other game called football. **The Complete Idiot's Guide to Soccer Basics** explains anything and everything a parent or new coach often a parent with no soccer experience needs to know to understand the game and make the most of their children's soccer experience. Topics include: Deciding where your child should play (AYSO or USSF program, recreational or travel team, etc.), What equipment is needed for games and practices, Rules of the game and overview of the playing field, Player positions and how they vary with age, Dribbling techniques, skills, drills, and games, Passing techniques, skills, drills, and games, Shooting techniques, skills, drills, and games, Defensive techniques, skills, drills, and games, Goalie techniques, skills, drills, and games, Player formations, Plays and strategies, Parent etiquette and participation, Running or helping out with a practice. **The Complete Idiot's Guide to Soccer Basics** Sam Borden, 2009-02-03 The ultimate resource for getting on the ball. **The Complete Idiot's Guide to Soccer Basics** explains anything and everything a parent or new coach needs to know to understand the game and make the most of a child's soccer experience. From the rules of the game to playing techniques, this is a one-volume course for parents and children to score winning goals. Since 1974, total individual participation in U.S. soccer programs has grown from 100,000 to more than 3 million, primarily young players between the ages of 6 and 14. Most parents of today's youth soccer players didn't play soccer themselves growing up and will welcome this reference book. Includes game strategies and practice techniques for every player position. **The Beginners Guide to Soccer** Coach Robert Bradley, 2021-08-04 One of the most popular sports in the world is soccer. **The Beginners Guide to Soccer: The Basics of Playing Soccer for Newcomers to the Sport** by Coach Robert Bradley is his new book aimed at educating individuals wanting to begin playing the hugely popular sport of soccer. One of the most popular team sports in the world, it is no surprise that the game is quickly becoming the sport of choice for many young children, teens, and adults, both male and female alike. A team sport that requires dexterity, teamwork, friendship, trust, self-discipline, and sportsmanship, the skills individuals collect by playing soccer match only the physical fitness it helps to develop. Inside this soccer guide, you will discover: What Soccer is and its history, The Basic Rules of Soccer for new Players, The Various Player Positions on the Pitch, What Each Player's Role is During a Game of Soccer, How to Play a Soccer Match, What Readily Available Sports Equipment is Needed to Play Soccer, How to Start Building Basic Soccer Skills.
