Jacques Maritain

Social And Political Philosophy Of Jacques Maritain:

The Social and Political Philosophy of Jacques Maritain Jacques Maritain,1955 *Social and Political Philosophy of Jacques Maritain* Jacques Maritain,1976 [The Social and Political Philosophy of Jacques Maritain](#) Jacques Maritain,Joseph William Evans,Leo Richard Ward,1976-01-01 **Social and Political Philosophy of Jacques Maritain** Jacques Maritain,1955 **The social and political philosophy of Jacques Maritain: selected readings by J.W. Evans and L.R.Ward** Jacques Maritain,Joseph W. Evans,Leo Richard Ward, **The Social and Political Philosophy of Jacques Maritain** Joseph William Evans,1955 *The Social and Political Philosophy of Jacques Maritain. Selected Readings by Joseph W. Evans and Leo Richard Ward* Jacques Maritain,Joseph William EVANS,Leo Richard WARD,1956 **Encyclopedia of Political Theory** Mark Bevir,2010-03-18 Looking at the roots of contemporary political theory this three volume set examines the global landscape of all the key theories and the theorists behind them and provides concise to the point definitions of key concepts ideas schools and figures **The Concept of Freedom in the Social and Political Philosophy of Jacques Maritain** Robert J. McCann,1977 [The Foundations of Jacques Maritain's Political Philosophy](#) Hwa Yol Jung,1960 **The Foundations of Jacques Maritain's Political Philosophy** Hwa Yol Jung,2011-10 **The Nature of Political Philosophy** James V. Schall,2022-10-02 In his final collection of essays Father Schall explores the life of faith across a dazzling array of subjects from Martin Luther to bioethics With his characteristic patience brilliance and careful tenacity Father Schall interrogates profoundly what it means to try to be a citizen of the Kingdom of God in the city of Man Never shying away from controversy across 14 articles and 4 book reviews Father Schall investigates the critical themes of his life and scholarship reason and revelation the nature of modernity literature and salvation metaphysics and politics and much more Whether the reader is new to Father Schall or a longtime student this posthumously published collection of essays offers a profound meditation on the nature of political philosophy and particularly what it would mean for Catholicism to offer a political philosophy From such fundamental considerations Schall explores ethical literary and legal themes displaying his typical breadth and depth of engagement with all that is real Ultimately Father Schall leads one on a Socratic enterprise an education whereby one comes to question for oneself basic assumptions and to dig deeper into the first principles as they are recalled in the orders of knowledge and being While Father Schall has passed on to his reward this collection of essays helps ensure that his lessons continue to guide challenge and enrich students for generations to come *Man and the State* Jacques Maritain,1998 Of time transcending value this book is probably the most succinct and clearest statement of Thomistic political theory available to the English language reader Written during his exile from war torn Europe Man and the State is the fruit of Maritain s considerable learning as well as his reflections on his positive American experience and on the failure of regimes he closely encountered on the Continent Jude P Dougherty The Catholic University of America The lectures that were the basis for Man and the State were delivered at the University of Chicago at a time when

Maritain was still in the first enthusiasm of his participation in the 1948 Universal Declaration of Human Rights He devotes particular attention to the concept of rights since historically rights theories were fashioned to supplant the natural law theory to which Maritain as a Thomist gives his allegiance Maritain provides an ingenious and profound theory as to how natural law and natural rights can be complementary For this reason alone it remains a fundamental contribution to political philosophy but it is filled with other gems as well Was Maritain too optimistic in his appraisal of modernity Or have we unjustly lost the optimism that was his Man and the State is an invitation to rethink the way we pose the basic questions of political philosophy Ralph McInerny Jacques Maritain Center University of Notre Dame ABOUT THE AUTHOR Jacques Maritain 1882 1973 distinguished French Catholic philosopher and writer was the author of more than fifty books A preeminent interpreter of the thought of Thomas Aquinas Maritain was a professor of philosophy at the Institut Catholique de Paris Columbia University and Princeton University He served as French Ambassador to the Vatican from 1945 to 1948

CONTENTS 1 The People and the State 2 The Concept of Sovereignty 3 The Problem of Means 4 The Rights of Man 5 The Democratic Charter 6 Church and State 7 The Problem of World Government

The Foundation of Jacques Maritain's Political Philosophy Hwa Yol Jung, 1960 [The Social and Political Philosophy of Jacques Maritain. Selected Readings by J.W. Evans and L.R. Ward](#) Jacques Maritain, J. W. Evans, L. R. Ward, 1956 [At the Limits of Political Philosophy](#) James V. Schall, 2010-04 James V Schall presents in a convincing and articulate manner the revelational contribution to political philosophy particularly that which comes out of the Roman Catholic tradition

Spiritualizing Politics without Politicizing Religion James R. Price, Kenneth R. Melchin, 2022-03-31 The clash of religion and politics has been a steady source of polarization in North America In order to think wisely and constructively about the spiritual dimension of our political life there is need for an approach that can both maintain the diversity of belief and foster values founded on the principles of religion In *Spiritualizing Politics without Politicizing Religion* James R Price and Kenneth R Melchin provide a possible framework approaching issues in politics via a profile of Sargent Shriver 1915 2011 an American diplomat politician and a driving force behind the creation of the Peace Corps Focusing on the speeches Shriver delivered in the course of his work to advance civil rights and build world peace Price and Melchin highlight the spiritual component of his efforts to improve institutional structures and solve social problems They contextualize Shriver s approach by contrasting it with contemporary landmark decisions of the U S Supreme Court on the role of religion in politics In doing so *Spiritualizing Politics without Politicizing Religion* explains that navigating the relationship of religion and politics requires attending to both the religious diversity that politics must guard and the religious involvements that politics needs to do its work

[Jacques Maritain](#) James V. Schall, 1998 The engaging and inquiring mind of French philosopher Jacques Maritain reflected on subjects as varied as art and ethics theology and psychology and history and metaphysics Maritain s work on the theoretical groundings of politics arose from his diverse studies In this book distinguished theologian and political scientist

James V Schall explores Maritain's political philosophy demonstrating that Maritain understood society, state, and government in the tradition of Aristotle and Aquinas of natural law and human rights and duties. Schall pays particular attention to the ways in which evil appears in political forms and how this evil can be morally dealt with. Schall's study will be of great importance to students and scholars of political science, philosophy, and theology. *Political Augustinianism* Michael J.S. Bruno, 2014-09-01. The thought of Saint Augustine stands as one of the central fountainheads of not only theology but Western social and political theory. *Political Augustinianism* examines modern political readings of Augustine, providing an extensive account of the pivotal French, British, and American strands of interpretation. Bruno guides readers through these modern strands of interpretation, examines their historical, theological, and socio-political context, and discusses the hermeneutical underpinnings of the modern discussion of Augustine's social and political thought. [The Humanities and the Dynamics of Inclusion Since World War II](#) David A. Hollinger, 2006-04-14. Publisher description.
