Byron E. Shafer

Social Cleavages And Political Change Voter Alignment And Us Party Coalitions:

Social Cleavages and Political Change Jeff Manza, Clem Brooks, 1999-09-23 What social groups support which political party and how that support has changed over time are central questions in the sociology of political behaviour This study provides the first systematic book length reassessment and restatement of the sociological approach to American politics in more than 20 years It challenges widespread arguments that the importance of social cleavages have declined precipitously in recent years in the face of post industrial social and economic changes The book reconceptualizes the concept of social cleavages and focus on four major cleavages in American society class religion gender and race arguing a that a number of important changes in the alignments of the groups making up these four cleavages have occurred The book examines the implications of these changes for the Democratic and Republican Parties The findings of the book are examined in light of the central dilemmas facing the two major parties in the contemporary political environment The Right to Vote Donald Grier Stephenson, 2004-10-20 From its roots in early English rules to its practice today this work covers the evolution expansion and ongoing debates regarding the first liberty in America The Right to Vote Rights and Liberties under the Law tracks the expansion of the franchise in America from colonial times to the present Opening with a case study establishing the importance of access to the ballot the main emphasis shifts to pivotal points in American history including the hard fought struggles for women s suffrage and racial equality A chapter on 21st century voting rights addresses the most unsettled issue we face today the use of majority minority districts to enhance the political influence of African Americans and Latinos A parting look at free and fair elections and the 2000 presidential election debacle shows how votes not counted or improperly credited can make a mockery of the democratic process *Rebellion in America* Anthony DiMaggio, 2020-02-21 In a time of rising inequality and plutocratic government citizens movements are emerging with growing frequency to offer populist challenges to the declining living standards of masses of Americans and to protest the conditions through which individuals suffer in poor communities across the country This book looks at the progression of modern social uprisings in the post 2008 period including the Tea Party Occupy Wall Street Black Lives Matter the Bernie Sanders Revolution Trump s populism the anti Trump revolt and MeToo A key theme is that populism and mass anger at the political economic status quo take different forms depending on whether the protests are progressive left or right wing in orientation Employing theories of elite politics and pluralism and using a mixed methods approach Anthony DiMaggio harnesses his rich experience with movement politics and his engagement with a wide range of media and public opinion data to explain where we are today and how we got here always with an eye on moving ahead Aimed at courses on social movements wherever they re taught this book also offers general readers insight into contemporary politics and protest **Unequal America** Anthony DiMaggio, 2020-12-09 This book examines Americans and their beliefs about the class divide in the United States It argues that Americans beliefs about class and the economic divide develop through a multistep process Economic affluence influences the development of

worldview measured in terms of ideology partisanship and self identified class consciousness Class consciousness in turn affects how people look at political and economic issues This book is intended for scholars and students at every level who study inequality from a political economic or sociological position along with general readers with a growing interest in and awareness of the effects of inequality on our democracy especially in the wake of the Covid 19 pandemic the resulting economic contraction and the protests over racial injustice erupting throughout the world in 2020 The SAGE Handbook of Electoral Behaviour Kai Arzheimer, Jocelyn Evans, Michael S. Lewis-Beck, 2017-02-27 The study of voting behaviour remains a vibrant sub discipline of political science The Handbook of Electoral Behaviour is an authoritative and wide ranging survey of this dynamic field drawing together a team of the world s leading scholars to provide a state of the art review that sets the agenda for future study Taking an interdisciplinary approach and focusing on a range of countries the handbook is composed of eight parts The first five cover the principal theoretical paradigms establishing the state of the art in their conceptualisation and application and followed by chapters on their specific challenges and innovative applications in contemporary voting studies The remaining three parts explore elements of the voting process to understand their different effects on vote outcomes The SAGE Handbook of Electoral Behaviour is an essential benchmark publication for advanced students researchers and practitioners in the fields of politics sociology psychology and research methods *The American Political Landscape* Byron E. Shafer, 2014-02-25 Social scientists and campaign strategists approach voting behavior from opposite poles Reconciling these camps through a merger of statistics and election experience The American Political Landscape presents a full scale analysis of U S electoral politics over the last quarter century It explains how factors not usually considered hard data such as personal attitudes and preferences interact to produce an indisputably solid result the final tally of votes While pundits boil down elections to a stark choice between Democrat and Republican Byron Shafer and Richard Spady explore the further significance of not voting at all Voters can and do form coalitions around specific issues so that simple party identification does not determine voter turnout or ballot choices Deploying a method that maps political attitudes from 1984 to 2008 the authors describe an electorate in flux As an old order organized around economic values ceded ground to a new one in which cultural values enjoy equal prominence persisting links between social backgrounds and political values have tended to empty the ideological center while increasing the clout of the ideologically committed

Faith and Race in American Political Life Robin Dale Jacobson, Nancy D. Wadsworth, 2012 Drawing on scholarship from an array of disciplines this volume provides a deep and timely look at the intertwining of race and religion in American politics The contributors apply the methods of intersectionality but where this approach has typically considered race class and gender the essays collected here focus on religion too to offer a theoretically robust conceptualization of how these elements intersect and how they are actively impacting the political process Contributors Antony W Alomkal Iliff School of Theology Carlos Figueroa University of Texas at Brownsville Robert D Francis Lutheran Services in America Susan M Gordon

independent scholar Edwin I Hernandez DeVos Family Foundations Robin Dale Jacobson University of Puget Sound Robert P Jones Public Religion Research Institute Jonathan I Leib Old Dominion University Jessica Hamar Martinez University of Arizona Eric Michael Mazur Virginia Wesleyan College Sangay Mishra University of Southern California Catherine Paden Simmons College Milagros Peña University of Florida Tobin Miller Shearer University of Montana Nancy D Wadsworth University of Denver Gerald R Webster University of Wyoming

Evangelicals and Democracy in America Steven G. Brint, Jean Reith Schroedel, Steven Brint, 2009-08-13 Separation of church and state is a bedrock principal of American democracy and so too is active citizen engagement Since evangelicals comprise one of the largest and most vocal voting blocs in the United States tensions and questions naturally arise In the two volume *Evangelicals and Democracy in America* editors Steven Brint and Jean Reith Schroedel have assembled an authoritative collection of studies of the evangelical movement in America *Religion and Politics* the second volume of the set focuses on the role of religious conservatives in party politics the rhetoric evangelicals use to mobilize politically and what the history of the evangelical movement reveals about where it may be going Part I of *Religion and Politics* explores the role of evangelicals in electoral politics Contributor Pippa Norris looks at evangelicals around the globe and finds that religiosity is a strong predictor of ideological leanings in industrialized countries But the United States remains one of only a handful of post industrial societies where religion plays a significant role in partisan politics Other chapters look at voting trends especially the growing number of higher income evangelicals among Republican ranks how voting is influenced both by values and race and the management of the symbols and networks behind the electoral system of moral values politics Part II of the volume focuses on the mobilizing rhetoric of the Christian Right Nathaniel Klemp and Stephen Macedo show how the rhetorical strategies of the Christian Right create powerful mobilizing narratives but frequently fail to build broad enough coalitions to prevail in the pluralistic marketplace of ideas Part III analyzes the cycles and evolution of the Christian Right Kimberly Conger looks at the specific circumstances that have allowed evangelicals to become dominant in some Republican state party committees but not in others D Michael Lindsay examines the elastic orthodoxy that has allowed evangelicals to evolve into a formidable social and political force The final chapter by Clyde Wilcox presents a new framework for understanding the relationship between the Christian Right and the GOP based on the ecological metaphor of co evolution With its companion volume on religion and society this second volume of *Evangelicals and Democracy in America* offers the most complete examination yet of the social circumstances and political influence of the millions of Americans who are white evangelical Protestants Understanding their history and prospects for the future is essential to forming a comprehensive picture of America today

Why Welfare States Persist Clem Brooks, Jeff Manza, 2008-09-15 The world's richer democracies all provide such public benefits as pensions and health care but why are some far more generous than others And why in the face of globalization and fiscal pressures has the welfare state not been replaced by another model Reconsidering the myriad issues raised by such pressing questions Clem

Brooks and Jeff Manza contend here that public opinion has been an important yet neglected factor in shaping welfare states in recent decades. Analyzing data on sixteen countries, Brooks and Manza find that the preferences of citizens profoundly influence the welfare policies of their governments and the behavior of politicians in office. Shaped by slow moving forces such as social institutions and collective memories, these preferences have counteracted global pressures that many commentators assumed would lead to the welfare state's demise. Moreover, Brooks and Manza show that cross-national differences in popular support help explain why Scandinavian social democracies offer so much more than liberal democracies such as the United States and the United Kingdom. Significantly expanding our understanding of both public opinion and social policy in the world's most developed countries, this landmark study will be essential reading for scholars of political economy, public opinion, and democratic theory.

The Politics of Work-Family Policy Reforms in Germany and Italy Agnes Blome, 2016-11-25 One of the fundamental challenges facing modern welfare states is the question of work-family reconciliation. An increasing share of mothers work, but many European welfare states do not adequately support the dual earner model, especially in southern Europe. After 2005, German policy makers transformed the nature of Germany's family policy regime through a number of legislative measures, whilst Italy, a country with many similarities, witnessed little change. Using a multi-methods approach, this book addresses the puzzle of why Germany was able to implement far-reaching reforms in this policy area after a long impasse, and Italy was not. As such, it delivers a broad systematic account of these reforms and sheds light on why similar reforms were not also adopted in other similar welfare states at the same time. More generally, it contributes to understanding the determinants of welfare policy change in modern European welfare states. This text will be of key interest to scholars, students, and professionals working on topics linked to European politics, welfare, and work-family policies, comparative politics, social policy, and more broadly to political science and gender studies.

Political Choice Matters Geoffrey Evans, Nan Dirk Graaf, 2013-03-28 Studies of the influence of class and religion on politics often point to their gradual decline as a result of social change. Backed up by extensive evidence from 11 case studies and a 15-country pooled analysis, the editors argue instead that the supply of choices by parties influences the extent of class divisions. Political choice matters.

The Oxford Handbook of American Public Opinion and the Media Robert Y. Shapiro, Lawrence R. Jacobs, 2011-05-19 With engaging new contributions from the major figures in the fields of the media and public opinion, *The Oxford Handbook of American Public Opinion and the Media* is a key point of reference for anyone working in American politics today.

Rethinking Symbolic Interactionism Thomas Janoski, 2025-06-09 This discerning book critically analyzes the key principles of symbolic interactionism, outlining their strengths and examining current weaknesses. Thomas Janoski provides novel insights into the theory, rethinking some of its foundations while adhering to its basic symbolic principles of the self.

Party and Nation Scot J. Zentner, Michael C. LeMay, 2019-12-16 *Party and Nation* examines immigration as a means to understand party competition in American history. The rise of Donald Trump reflects an

ongoing regime change in the U S in which multiculturalism and nationalism have emerged as central aspects of the major parties ideological and coalitional bases This phenomenon of a multiculturalist Democratic Party and a nationalist Republican Party the authors suggest is a dramatic departure from the first American political regime That older regime was grounded in the Founding generation s commitment to the principle of natural rights and the shaping of a national culture to support that principle Partisan debates over immigration set into relief the tensions inherent in that commitment The authors present the permutations of that first regime amidst the territorial expansion of the country and the tragic conflicts over slavery and segregation With industrialization the great immigrant wave at the turn of the 20th century and the rise of the progressive administrative state the parties began their century long transformation into the plebiscitary institutions they are today This new political reality it is argued brought with it a situation in which the debate over immigration not only illuminates party differences but has begun to define them

The Social Roots of American Politics Regina L. Wagner, Byron E. Shafer, 2022 A novel and powerful explanation of the social roots of American politics and the powerful forces in the background The usual approach to political conflict is to look at policy battles inside government then trace them back to political parties and organized interests Yet in The Social Roots of American Politics Regina L Wagner and Byron E Shafer begin at the opposite end of the causal chain by looking at the social roots of American political conflict how these roots produce differing policy preferences in the general public and how those preferences get transmitted into American government Drawing from over a half century of public surveys of American voters they demonstrate that class race religion and gender provide the roots of these conflicts across the four primary domains of policy conflict social welfare civil rights foreign affairs and cultural values They also factor in how regional differences affect partisan attachment focusing on the South in particular By turning the focus to deep rooted social cleavages this book provides a novel and powerful explanation of the basic forces that shape the contours of conflict in American politics

Social Science Elgin F. Hunt, David C. Colander, 2005 This classic text provides a revised and updated survey of the social sciences written in an unbiased manner with a multidisciplinary common sense approach Comprehensive coverage incorporates elements of anthropology economics political science sociology history and geography The twelfth edition highlights the dramatic political and economic changes that have swept the world in recent years including extensive examinations of the impact of the 9 11 01 terrorist attacks in the Political Science and Economics chapters

Social Stratification David B. Grusky, 2018-05-04 The book covers the research on economic inequality including the social construction of racial categories the uneven and stalled gender revolution and the role of new educational forms and institutions in generating both equality and inequality

The American Right After Reagan Edward Ashbee, John Dumbrell, Alex Waddan, 2019 This timely and significant book provides a comprehensive overview of right wing ideology and policy making in the years since Ronald Reagan left office The authors assess the ways in which the Reagan legacy rather than the empirical realities of his tenure has impacted economic social and cultural policy formation and

conservative efforts at reshaping the United States Against this background they provide an explanation for why the Republican party turned towards Donald Trump

Partisans and Partners Josh Pacewicz, 2016-11-18 There s no question that Americans are bitterly divided by politics But in *Partisans and Partners* Josh Pacewicz finds that our traditional understanding of red blue right left urban rural division is too simplistic Wheels down in Iowa that most important of primary states Pacewicz looks to two cities one traditionally Democratic the other traditionally Republican and finds that younger voters are rejecting older timers strict political affiliations A paradox is emerging as the dividing lines between America s political parties have sharpened Americans are at the same time growing distrustful of traditional party politics in favor of becoming apolitical or embracing outside the beltway candidates Pacewicz sees this change coming not from politicians and voters but from the fundamental reorganization of the community institutions in which political parties have traditionally been rooted Weaving together major themes in American political history including globalization the decline of organized labor loss of locally owned industries uneven economic development and the emergence of grassroots populist movements *Partisans and Partners* is a timely and comprehensive analysis of American politics as it happens on the ground

U.S. Immigration Policy, Ethnicity, and Religion in American History Michael C. LeMay, 2018-05-25 This invaluable resource investigates U S immigration policy making connections between the ethnic and religious affiliations of immigrants and trends in immigration both legal and unauthorized U S Immigration Policy Ethnicity and Religion in American History is rich with data and document excerpts that illuminate the complex relationships among ethnicity religion and immigration to the United States over a 200 year period The book uniquely organizes the flow of immigration to the United States into seven chapters covering U S immigration policymaking the Open Door Era 1820 1880 the Door Ajar Era 1880 1920 the Pet Door Era 1920 1950 the Dutch Door Era 1950 1985 the Revolving Door Era 1985 2001 the Storm Door Era 2001 2018 Each chapter analyzes trends in ethnicity or national origin and the religious affiliations of immigrant groups in relation to immigration policy during the time period covered

When people should go to the ebook stores, search establishment by shop, shelf by shelf, it is really problematic. This is why we give the books compilations in this website. Social Cleavages And Political Change Voter Alignment And Us Party Coalitions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Cleavages And Political Change Voter Alignment And Us Party Coalitions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Cleavages And Political Change Voter Alignment And Us Party Coalitions has opened up a world of possibilities. Downloading Social Cleavages And Political Change Voter Alignment And Us Party Coalitions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Cleavages And Political Change Voter Alignment And Us Party Coalitions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Cleavages And Political Change Voter Alignment And Us Party Coalitions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for

undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Cleavages And Political Change Voter Alignment And Us Party Coalitions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Cleavages And Political Change Voter Alignment And Us Party Coalitions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Cleavages And Political Change Voter Alignment And Us Party Coalitions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Cleavages And Political Change Voter Alignment And Us Party Coalitions Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Cleavages And Political Change Voter Alignment And Us Party Coalitions is one of the best book in our library for free trial. We provide copy of Social Cleavages And Political Change Voter Alignment And Us Party Coalitions in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Cleavages And Political Change Voter Alignment And Us Party Coalitions. Where to download Social Cleavages And Political Change Voter Alignment And Us Party Coalitions online for

free? Are you looking for Social Cleavages And Political Change Voter Alignment And Us Party Coalitions PDF? This is definitely going to save you time and cash in something you should think about.
