Technology Transfer To China Through Foreign Direct Investm:

Technology Transfer to China Through Foreign Direct Investment Ping Lan, 1996 This work deals with international technology transfer particularly to China through foreign direct investment FDI The book focuses on the technology transferability of inward investment or the technological leap forward of Chinese firms through the local operations of FDI at present

Foreign Direct Investment in China Yingqi Wei, Xiaming Liu, 2001-01-01 The data used is rich including national regional and industry level statistics Yue Ma The China Journal Wei and Liu provide a comprehensive analysis of the determinants and impact of FDI on the economy of China The book is to be recommended to students of international business for its elegant use of sophisticated econometric techniques and economic theory in exploring the role of FDI in a major emerging economy that hosts a substantial volume of FDI V N Balasubramanyam Lancaster University UK China is now among the top hosts for foreign direct investment FDI inflows in the world This fact combined with recent developments in internationalisation and economic growth in China ensures a perfect opportunity to identify the determinants and impact of FDI in the largest transition economy in the world

Foreign Direct Investment in China Ziliang Deng, 2013-03-01 This book provides an insightful exploration of whether foreign direct investment FDI can promote the productivity of domestic enterprises The book is based on a series of dedicated research conducted in the context of the Chinese economy which has been the largest FDI host among the developing economies since 1993 The main themes of this book are a based on the latest literature and first hand research outlining possible mechanisms through which foreign direct investment could promote the productivity of domestic enterprises b developing a comprehensive research framework to quantify the spillover effects with cutting edge methodology c constructing a decision support system for evaluating FDI policy reforms with advanced computer simulation techniques d evaluating the broader impact of FDI spillovers on banking system and trade pattern The book examines topical economic issues in the contemporary world economy from innovative perspectives namely how the presence of multinational enterprises has been one of the most important microeconomic drivers for the Chinese economy how foreign banks have helped to enable Chinese banking system survive the global financial crisis and how the domestic enterprises have learned to do exports from multinational affiliates and have changed the landscape of U S Asian trade The book incorporates the latest development of economic theory as well as computational economics model

Foreign Direct Investment in Western China, 1994-2004 Xianming Yang, Ning Huang, Guoqing Zhao, 2024-12-28 This book focuses on the FDI in western China and aims to explore the logic behind the regional development From 1994 to 2004 China's economy enjoyed a golden stage of rapid growth As the top destination for foreign investment China has integrated into the international production system and global value chain However it is apparent that the FDI distribution was unbalanced as the eastern region absorbed far more FDI than its western counterpart a situation that remained unchanged even after China launched the Western Development Strategy WDS This book begins with the question of why it is difficult to introduce FDI to

western China followed by discussion on the gap of technology human capital industrial foundation location selection institutional factors and investment environment between the western and eastern China The author analyzes how the lack of FDI growth affects the long term growth of the western region **The Effects of Chinese FDI in Southeast Asia**

Jean-Marc Blanchard,2025-10-16 This book explores the economic and political effects of Chinese outward foreign direct investment COFDI through in depth and comparative analyses of COFDI in economically and politically diverse Southeast Asia countries Featuring 21 case studies of COFDI in Indonesia Thailand the Philippines Malaysia Myanmar and Cambodia the book looks at three core effects namely employment technology transfer and domestic political effects The case studies also explore the negative social outcomes of Chinese investments in these nations as well as serious environmental issues linked to COFDI ranging from the destruction of forests to the loss of biodiversity to air and noise pollution Revealing both the negative and positive impacts of COFDI in these Southeast Asian nations this book will be a valuable resource to policymakers as well as students and scholars of Chinese and Southeast Asian economics and politics **Foreign Direct Investment**

Yingqi Wei,V. N. Balasubramanyam,2004-01-01 This book consists of detailed case studies of foreign direct investment FDI in China India Ireland Malaysia Mexico and Sub Saharan Africa providing a critical review of the determinants and impact of FDI on growth and development employment technology transfer and trade The expert contributors examine a range of controversial issues including the contribution of the relatively large volume of FDI in China to its growth whether India should fully liberalise its FDI regime and the impact of Mexico s membership of NAFTA on the volume of FDI it has attracted Malaysia s economic policies which appear to have attracted relatively large volumes of FDI but failed to generate the hoped for transmission of technology and skills are also questioned along with the role of corruption in limiting the contribution of FDI to achieving social goals in Sub Saharan Africa The impressive record of the Irish Republic in attracting and harnessing FDI to development objectives is examined closely and provides a detailed analysis of policies likely to promote efficient utilisation of FDI India, Industrialisation in a Reforming Economy Suresh D.

Tendulkar,2006 Kosaraju Leela Krishna b 1935 Indian economist contributed articles Foreign Direct Investment in China Chunlai Chen,2011 For readers looking for a comprehensive rigorously quantitative analysis of foreign direct investment FDI in China there is no better work than Chunlai Chen s Foreign Direct Investment in China In the book he analyzes a wide range of issues ranging from the contribution of FDI to China s growth to why FDI is concentrated in certain Chinese provinces and not others Readers with an economics or statistical background will get the most out of the book but it is accessible and informative for many others Dwight H Perkins Harvard University US Foreign Direct Investment in China is one of the most comprehensive studies of FDI in China and provides a remarkable background of information on the evolution of China s FDI policies over the last 30 years Chunlai Chen presents a compelling and thorough analysis of the leading theoretical explanations of FDI and a series of rigorous empirical examinations of the location determinants of FDI

He examines a comprehensive analysis of the differences in investment and production behaviour between the major investors as well as an in depth investigation of the impacts of FDI on China s economy This book is a highly focused and unique work of theoretical analysis and empirical study of FDI in China It is a valuable and important reference for scholars and students who are interested in FDI in general and in Chinese economic studies in particular **Cooperation and Technological Endowment in International Joint Ventures: German Firms in China** Michael Hoeck,2019-02-02 A frequent choice for market entry to China is the international joint venture IJV with a Chinese partner This is regarded as an adequate market entry if complex technological knowledge is to be transferred to the new location However IJVs also represent an easy way for local partners to absorb technological knowledge without authorization Michael Hoeck investigates the character and the degree of technology transfer into IJVs using the example of German industrial firms in China The two central questions that are investigated are What factors influence the sophistication of the technological endowment that an IJV in China receives from its German parents and In what way do strategic considerations regarding inter firm cooperation and knowledge sharing influence the foreign investor s technology transfer behaviour The study results derived from theoretical and empirical analysis presents novel insights to both researchers and practitioners
