Colonial America on Film and Television Bertil O. Österberg, 2018-01-16 The early history of American settlement pioneering and independence is marked by fascinating characters and events often shrouded in legend Filmmakers have sought to capture these characters as diverse as Daniel Boone Francis Marion and Pocahontas and events as disparate as the Lost Colony the Boston Tea Party and the French and Indian War This comprehensive filmography provides production information and commentary on all films and television episodes set during the years between the first settlements in the future United States and the fledgling country s War of 1812 with Britain Films are arranged alphabetically and a detailed introduction provides a thorough overview of the period with references to films chronicling specific events

Our Story, 2010-06-04 Inspired by history Our Story is a beautifully illustrated collection of original stories from some of Canada s most celebrated Aboriginal writers Asked to explore seminal moments in Canadian history from an Aboriginal perspective these ten acclaimed authors have travelled through our country s past to discover the moments that shaped our nation and its people Drawing on their skills as gifted storytellers and the unique perspectives their heritage affords the contributors to this collection offer wonderfully imaginative accounts of what it s like to participate in history From a tale of Viking raiders to a story set during the Oka crisis the authors tackle a wide range of issues and events taking us into the unknown while also bringing the familiar into sharper focus Our Story brings together an impressive array of voices Inuk Cherokee Ojibway Cree and Salish to name just a few from across the country and across the spectrum of First

Nations These are the novelists playwrights journalists activists and artists whose work is both Aboriginal and uniquely Canadian Brought together to explore and articulate their peoples experience of our country s shared history these authors grace insight and humour help all Canadians understand the forces and experiences that have made us who we are Maria Campbell Tantoo Cardinal Tomson Highway Drew Hayden Taylor Basil Johnston Thomas King Brian Maracle Lee Maracle Jovette Marchessault Rachel Qitsualik

Television Westerns Alvin H. Marill, 2011-06-01 Westerns have featured prominently in films almost since motion pictures were first produced at the end of the nineteenth century and when televisions invaded American homes in the late 1940s and early 50s Western programs filled the small screen landscape Throughout the 1950s and well into the 1960s these shows dominated television with such long running successes as Bonanza Wagon Train and Maverick And though the genre has fallen on hard times over the years it has never died as Hollywood continues to produce films mini series and shows that keep the west alive In Television Westerns Six Decades of Sagebrush Sheriffs Scalawags and Sidewinders Alvin H Marill looks at the genre as it was represented from the beginning of television from the twenty year run of Gunsmoke to the brutal revisionist take of Deadwood This volume encompasses all manifestations of the Western including such series as Rawhide The Virginian and The Wild Wild West as well as movies of the week mini series failed pilots animated programs documentaries and even Western themed episodes of non Western series that provided their own spin on the genre

The Producers Luke Ford, 2004

Western Movie Quotations , 1999

The time to live and the place to die That s all any man gets No more no less Parson Hank Worden in The Alamo Look I don t mean to be a sore loser but when it s done if I m dead kill him Butch Cassidy Paul Newman in Butch Cassidy and the Sundance Kid Well there are some things a man just can t run away from The Ringo Kid John Wayne in Stagecoach KID Why don t we have a drink for old times sake BUTCH Old times sake That means you got no cash Kid Sheleen Lee Marvin and Butch Cassidy Arthur Hunnicutt in Cat Ballou This is a topically arranged compilation of over 6 000 famous lines and memorable quotes from over 1 000 western films from the 1920s to 1998 Indexes to actors and actresses film names and narrow subjects provide instant access for both cowboy fans and western film scholars

The Sagebrush Trail Richard Aquila, 2015-04-16 The Sagebrush Trail is a history of Western movies but also a history of twentieth century America Richard Aquila s fast paced narrative covers both the silent and sound eras and includes classic westerns such as Stagecoach A Fistful of Dollars and Unforgiven as well as B Westerns that starred film cowboys like Tom Mix Gene Autry and Hopalong Cassidy The book is divided into three parts Part 1 traces the birth and growth of Westerns from 1900 through the end of World War II Part 2 focuses on a transitional period in Western movie history during the two decades following World War II Finally part 3 shows how Western movies reflected the rapid political social and cultural changes that transformed America in the 1960s and the last decades of the twentieth century The Sagebrush Trail explains how Westerns evolved throughout the twentieth century in response to changing times and it provides new evidence and fresh interpretations about both

Westerns and American history These films offer perspectives on the past that historians might otherwise miss They reveal how Americans reacted to political and social movements war and cultural change The result is the definitive story of Western movies which contributes to our understanding of not just movie history but also the mythic West and American history Because of its subject matter and unique approach that blends movies and history The Sagebrush Trail should appeal to anyone interested in Western movies pop culture the American West and recent American history and culture The mythic West beckons but eludes Yet glimpses of its utopian potential can always be found even if just for a few hours in the realm of Western movies There on the silver screen the mythic West continues to ride tall in the saddle along a sagebrush trail that reveals valuable clues about American life and thought

The Columbia Companion to American History on Film

Peter C. Rollins, 2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as The Birth of a Nation 1915 Roots 1977 Apocalypse Now 1979 and Saving Private Ryan 1998 how much is entertainment and how much is rooted in historical fact In The Columbia Companion to American History on Film more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject The Columbia Companion to American History on Film is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message

Making the White Man's Indian Angela Aleiss, 2005-05-30 The image in Hollywood movies of savage Indians attacking white settlers represents only one side of a very complicated picture In fact sympathetic portrayals of Native Americans stood alongside those of hostile Indians in the silent films of D W Griffith and Cecil B DeMille and flourished during the early 1930s with Hollywood's cycle of pro Indian adventures Decades later the stereotype became even more complicated as films depicted the savagery of whites The Searchers in contrast to the more peaceful Indian Broken Arrow By 1990 the release of Dances with Wolves appeared to have recycled the romantic and savage portrayals embedded in early cinema In this new

study author Angela Aleiss traces the history of Native Americans on the silver screen and breaks new ground by drawing on primary sources such as studio correspondence script treatments trade newspapers industry censorship files and filmmakers interviews to reveal how and why Hollywood created its Indian characters Behind the scenes anecdotes of filmmakers and Native Americans as well as rare archival photographs supplement the discussion which often shows a stark contrast between depiction and reality The book traces chronologically the development of the Native American s screen image while also examining many forgotten or lost Western films Each chapter will feature black and white stills from the films discussed
