Heart Of Mine Julian E Martin,2023-10-15 *Heart of Mine* is a unique memoir that delves deep into the effects and trauma that the Foster Care System creates A once innocent ignorant boy taken away from his real family at a young age Julian finds it hard to value himself and struggles to know where he feels best at home When he feels comfortable and at peace the system pulls him and his sister out of the foster family to another without realizing the effect it can cause As the years go on Julian yearns for his family as he misses out on the memories his family created without him But Julian and his sister slowly become abhorred by the idea of fake domesticity and want to return home But even home had become hollow and stale because Foster Care affected Julian s sense of belonging and family Julian Martin writes a daring and challenging memoir that will address an allocution on a touchy sensitive story of his past *Heart of Mine* is an immaculate story that Julian Martin hopes to imbue with an audience affected by Foster Care System and those still in the system He wants to give those involved hope and the message that those affected are not alone

I Said I Can or A Little Story About Love A. H. De Gitter-Pherekyde,2024-12-04 You re not defeated when you re bleeding nor when your eyes are full of tears The true defeats will take place only if you give up your dreams Radu Gyr Romanian poet translation This story is for grandchildren grandparents and everyone in between because it s about love love is ageless and it s for all Love created the universes and Love keeps them together Love created Life Love is Life and Life is Love The aspects of Love are unlimited and even reversible it affects a person s actions in both directions good and bad When the direction is positive love leads to evolution and when it is negative it causes transformation Even hate which is love upside down can be transformed to become love upside up This story can be the symbol of everyone s life which unfolds in two stages The primary stage could be called the Abstract or Conceptual phase It takes place in the soul and mind It begins with a Dream which ignites Motivation which in turn generates a Goal and the Goal sparks ideas and designs Planning The second stage could be called the Action phase It activates the heart and mind to carry out the Dream giving life to the elements elaborated in the first stage and it doesn t stop until the fulfilment of the Dream is achieved This Achievement could be called the Adventure of one s life What is life s adventure if not jumping into the unknown because only there can be found everything that one wants and desires to have Is it possible for every I to get in the end what every I really wants and dreams

For the Love of Animals James Greenwood,2023-07-06 Growing up in Yorkshire and with farming blood in his genes James Greenwood always knew he would end up as a vet Animals have been part of James life for as long as he can remember from pulling lambs on a hilltop farm as a child and having stick insects crawling out of his school uniform in class to renting a flat behind a zoo in Jersey and finding himself treating a newborn baby elephant as a newly qualified vet Written with his trademark warmth and humour James offers a fascinating insight into the world of veterinary medicine with tales of treating cats and dogs horses pigs and cows as well as delving deep into his relationship with his beloved and much missed one eyed Labrador Oliver However the path to realising his childhood ambition has not always been easy and at times he has questioned whether it truly is the best job in the world Through all of the challenging lows and extraordinary highs it has been the animals themselves that have spurred James on to want to continue vetting and helping him find his calling as a GP vet Warm poignant and full of heart James story is both a beautiful tribute to the role animals play in our lives and a rare glimpse into what it s really like to be a vet and is perfect for fans of Matt Baker The Yorkshire Shepherdess and The Supervet
