Teddy And Louis:

Teddy and Louis Wendy Lou Jones, 1996 **Leigh Ann's Civil War** Ann Rinaldi, 2009-09-28 A Georgia girl's life is upended by war in this historical novel. The action moves swiftly and there are enough twists and turns to keep readers hooked. School Library Journal. Leigh Ann Conners often finds herself in trouble. But she loves her two older brothers who are raising her since her mother left and would do anything to make them proud. When the Yankees arrive in Roswell, Georgia, Leigh Ann places a French flag upon the family's mill. She hopes the Yankees will then spare the mill from destruction, but her actions have disastrous results. Sent north with the women and children who worked in the mill, all branded traitors for making fabric for Confederate uniforms, Leigh Ann disguised as a boy embarks on a journey that requires her to find her own inner strength. Only then will she be able to rise above the war raging around her. *Joking Matters* F.W. Watt, 2014-12 Professor Felix Hart and his wife Jessica are an expatriate English couple carrying baggage from their different pasts into their Toronto mid-life crises. For her, the early death of an idealized first husband has left a deep need for security something Felix is unable to supply. For him, a two-year medical trauma after a near-fatal car accident seems to keep him struggling to take seriously anything in his personal or university life. Felix, though amused and flattered by a visit to his wife's psychiatrist at her insistence, is himself drawn to misfits: Lisa, a hospital nurse who eased his hospital pains but later almost drags him into her own mired marital affairs; Alison, an English Department colleague he tries to help enduring a brutal husband's sadism; a second Alison, a young student needing his comfort having a dangerous affair with a married fellow professor; Louis Fein, a popular visiting scholar whose mock theory is that every human relationship is a flirtation; Eleanor, working at CBC Television, a 29-year-old virgin who perhaps handles Felix's sex counseling wisely. In the end, his tennis playing partner and divorce lawyer friend Max, together with his needful wife Jessica, bring Felix to wonder whether real life should be more than just escapism into modern versions of *jocosa materia*, the old comic tales which are the subject of his serious academic research. More fiction by F.W. Watt: *Heads or Tails*, *23 Stories After the Funeral*, *Loving Daughters*, *The Road to Sutton*, *The Youth Drug*, *The Lannigan Set Up*, *Where is Julius*. *365 Bedtime Stories* Omnibus Books Editorial Team, 2007-12. Bedtime will now be a time of magical fairies, mischievous elves, wicked witches, and talking animals. Enter a wondrous land of fantasy and fun. [April and May](#) Mark Nicholls, 2018-12-07. Every weekday April has the 4WD waiting at the school gate well before 3:30pm and a raft of after-school activities in hand to keep them all occupied. But seven years worth of long lunches with her single friend Louis and two half-days a week at the gallery have left this doctor's wife wondering if there is anything else. When Jeremy, the private tutor, comes into her life and her foster daughter May comes of age, April begins to feel like a hothouse orchid, although she really longs to be a wild flower. **The American Short-horn Herd Book**, 1909 *Murder Most Beautiful* Lyn D.
