Nirvana Companion John M. Rocco, Brian Rocco, 1998 Nirvana was the first grunge rock band to achieve international popularity Their surprisingly melodic yet deafeningly loud sound behind stark and unsettling lyrics reflected a deep seated sense of anger alienation and hopelessness regarding contemporary life and culture Their success brought attention to Seattle as one of the most vital musical centers inspired a fashion craze favoring dirty baggy jeans flannel shirts and combat boots and brought grunge rock to the forefront of our musical culture This companion illuminates the already illustrious lives and careers of Superstars Kurt Cobain Courtney Love Krist Novoselic and David Grohl **Not for You** Ronen Givony, 2021-10-21 There has never been a band like Pearl Jam The Seattle quintet has recorded eleven studio albums sold some 85 million records played over a thousand shows in fifty countries and had five different albums reach number one But

Pearl Jam's story is about much more than music. Through resilience, integrity, and sheer force of will, they transcended several eras and shaped the way a whole generation thought about art, entertainment, and commerce. *Not for You: Pearl Jam and the Present Tense* is the first full-length biography of America's preeminent band from Ten to Gigaton. A study of their role in history from Operation Desert Storm to the Dixie Chicks, Jeremy to Columbine, Kurt Cobain to Chris Cornell, Ticketmaster to Trump, *Not for You* explores the band's origins and evolution over thirty years of American culture. It starts with their founding and the eruption of grunge in 1991, continues through their golden age (*Vs*, *Vitalogy*, *No Code*, and *Yield*), their middle period (*Binaural*, *Riot Act*), and the more divisive recent catalog. Along the way, it considers the band's activism, idealism, and impact from *W.M.A.* to the Battle of Seattle and *Body of War*. More than the first critical study, *Not for You* is a tribute to a famously obsessive fan base in the spirit of Nick Hornby's *Fever Pitch*. It's an old-fashioned, if at times ambivalent, appreciation, a reflection on pleasure, fandom, and guilt, and an essay on the nature of adolescence, nostalgia, and adulthood. Partly social history, partly autobiography, and entirely outspoken, discursive, and droll, *Not for You* is the first full-length treatment of Pearl Jam's odyssey and importance in the culture from the 90s to the present.

Classic Rock Albums:
Nirvana - Nevermind Charles R. Cross, Jim Berkenstadt, 2012-02-22 *Nevermind* was the album that took Nirvana out of Seattle's alternative rock scene and turned them into a worldwide mainstream sensation. This book documents the album by featuring interviews with the band members and producers and reconstructs how the album was made.

Look at Me! Jonathan Reiss, 2020-06-09 A compelling biography of SoundCloud sensation and rising star XXXTENTACION from his candid songwriting and connection with fans to his tragic death. At the age of twenty, rapper Jahseh Dwayne Onfroy aka XXXTENTACION was gunned down during an attempted robbery on the streets of Deerfield Beach, Florida, mere months after signing a 10 million record deal with Empire Music. A rising star in the world of SoundCloud rap, XXXTENTACION achieved stellar levels of success without the benefit of a major label or radio airtime and flourished via his passionate and unfettered connection to his fans. In *Look at Me*, journalist Jonathan Reiss charts the tumultuous life and unguarded songwriting of the SoundCloud sensation. Unlike most rap on the platform, XXXTENTACION's music didn't dwell on money, partying, and getting high. He wrote about depression, suicide, and other mental health issues, topics that led to an outpouring of posthumous appreciation from his devoted fanbase. It was XXXTENTACION's vulnerability that helped him stand apart from artists obsessed with being successful and cool. Yet these insecurities also stemmed from and contributed to his fair share of troubles, including repeated run-ins with the law during his teen years, a disturbing proclivity toward violence, and a prison sentence that overlapped with the release of his first
