Teenage Sexuality:

Teenage Sexuality John Coleman, Debi Roker, 2014-02-25 First published in 1998 This text reviews current knowledge and research in key areas of adolescent sexuality focusing on the implications of this for young people's sexual health The book includes chapters on adolescent sexual knowledge teenage relationships and sexual behaviour HIV AIDS education sexual identity peer education and the prevention of teenage pregnancy The book is aimed at all those who work with young people including those involved in health education youth work sex education and those in youth organisations The book is written in straightforward language with the aim of disseminating relevant research to all those who work with young people The focus of the book is on understanding the implications of research in this area for young people's sexual health risk reduction and education Understanding Teenage Sexuality Steven Emery-Wright, 2009 **The Underground Guide To**

Teenage Sexuality Michael Basso, 2003-07-25 The classic guide to teen sexuality updated and expanded with information on sexually transmitted diseases contraception sexual abuse healthy relationships hotlines and resources and much more

Teenage Sexuality Aaron Hass, 1979 *Desire and Consent in Representations of Adolescent Sexuality with Adults* Maureen Turim, Diane Waldman, 2023-10-02 This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media Analyzing teenage sexual encounters with adults across a variety of media including films television novels and podcasts the volume takes a positive stance on the expression of teenage sexuality while remaining sensitive to the power of adults to abuse and manipulate The anthology treats these representations as negotiations between conflicting forces desire sexual self knowledge unequal power and the law the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense Questions of unequal power inherent in such relations are theorized The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives to consider how various forms of expression rework it formally These essays are attuned to both nuances of presentation and contexts of reception and they consider how aesthetics play a role Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality this book will be of great interest to scholars and students of media studies cultural studies film studies television studies sociology and gender studies *Teenage Sexuality* Ken R. Wells, 2006 Teenage sexuality is one of the most controversial and divisive topics in American society today This collection of articles most in pro versus con pairs help students frame the debate on specific areas of teen sex Essay sources include the National Campaign to Prevent Teen Pregnancy NARAL Pro Choice America and the American Civil Liberties Union Issues debated include how the media peer pressure depression religion the Internet and physicians shape teen sexual attitudes Sexual Cultures and the Construction of Adolescent Identities Janice Irvine, 2009 Adolescent sexual awakening is reevaluated in terms of social and cultural influences **Adolescent Sexual**

Socialization and Teen Magazines Suchi P. Joshi, 2012 The majority of scientific research on teen magazines has been

conducted from a single country perspective even though the experience of sex and sexuality is known to vary by country Moreover no research to date has analyzed the sexual content of teen magazines and directly linked it to how young people think or feel about sex In response to these shortcomings this book analyzes the topics of sexual desire sexual danger virginity loss pregnancy and the hook up culture in the most popular teen magazines of the United States and the Netherlands Results are then linked to US and Dutch young people s magazine reading and fear of sex and further investigated by religiosity While this book primarily addresses researchers of adolescent sexual socialization it also offers practical insights to parents health educators government officials and magazine editors ultimately revealing that adolescent sex as a forbidden fruit is a relative term contingent upon culture

Handbook of Child and Adolescent Sexuality

Daniel S. Bromberg, William T. O'Donohue, 2013-01-28 Adolescent and child sexuality is studied by developmental psychologists from a research perspective and is of interest to forensic psychologists dealing with abuse and custody issues as well as rape cases In many cases it is of interest whether the child in question was sexually active to understand the extent to which an underage minor might have voluntarily participated in sexual activity as opposed to having been coerced Previously researchers interested in the applications of their research needed to look to separate books and forensic specialists needed to look to development books to find the information they may have needed This handbook provides both audiences with the related information they need Encompasses normative behavior and clinical disorders in one source Applies the information on development and behavior to forensic issues Provides treatment information on sexual disorders in children Provides information on children and adolescents in one volume
