Teenage Boys High School English:

Teenage Boys and High School English Bruce Pirie, 2002 Identifies some of the reasons why teenage boys are generally less successful in English studies as girls and offers practical strategies many drawn from the author's own teaching experiences for addressing those difficulties *Teaching Literature to Adolescents* Richard Beach, Deborah Appleman, Susan Hynds, Jeffrey Wilhelm, 2013-08-21 This text for pre service and in service English education courses presents current methods of teaching literature to middle and high school students The methods are based on social constructivist socio cultural theories of literacy learning and incorporate research on literary response conducted by the authors Teaching Literature to Adolescents a totally new text that draws on ideas from the best selling textbook Teaching Literature in the Secondary School by Beach and Marshall reflects and builds on recent key developments in theory and practice in the field including the importance of providing students with a range of critical lenses for analyzing texts and interrogating the beliefs attitudes and ideological perspectives encountered in literature organization of the literature curriculum around topics themes or issues infusion of multicultural literature and emphasis on how writers portray race class and gender differences use of drama as a tool for enhancing understanding of texts employment of a range of different ways to write about literature integration of critical analysis of film and media texts with the study of literature blending of quality young adult literature into the curriculum and attention to students who have difficulty succeeding in literature classes due to reading difficulties disparities between school and home cultures attitudes toward school English or lack of engagement with assigned texts or response activities The interactive Web site contains recommended readings resources and activities links to Web sites and PowerPoint presentations and opportunities for readers to contribute teaching units to the Web site databases Instructors and students in middle and high school English methods courses will appreciate the clear engaging useful integration of theory methods and pedagogical features offered in this text *Teaching Literature to Adolescents* Alan B. Howes, 1972 **The Problem with Boys' Education** Wayne Martino, Michael D. Kehler, Marcus B. Weaver-Hightower, 2009-08-03 The Problem with Boys Education Beyond the Backlash offers an illuminating analysis of the theories politics and realities of boys education around the world providing an insightful and often disturbing account of various educational systems successes and failings in fostering intellectual and social growth in male students Last Season of Innocence Victor Brooks, 2012-04-05 Last Season of Innocence discusses the lives of the preteens and teenagers who were in junior high school high school and the first year of college in the 1960s Brooks offers a unique account of this much chronicled decade by examining the experiences of these often overlooked young people *Transforming English Studies* Lori Ostergaard, Jeff Ludwig, 2009-02-23 Transforming English Studies provides a uniquely interdisciplinary view of English studies crises both real and imagined and works toward resolving the legitimate pathologies that threaten the sustainability of the discipline *Six Lenses for Anti-oppressive Education* Kevin K. Kumashiro, Bic Ngo, 2007 Textbook

Boys, Girls, and the Myths of Literacies and Learning Roberta F. Hammett, Kathy Sanford, 2008-03-28 This timely and authoritative book provides a critique and deconstructs the myths that serve to uphold the current moral panic around boys supposed failures in literacy and diminished chances of success Readers are asked to look beyond simple gender binarism to see different more complex and often more egregious categorizations of students in their classrooms other than the simplistic male female categories and begin to question and address some of those issues poverty racism violence environment and more complex issues of gender patriarchy and hegemony The authors suggest different ways of teaching literacies to both boys and girls and propose that while solutions are not simple they are critically important in promoting positive educational experiences for all students regardless of gender class culture race or sexual orientation *Boys in Children's Literature and Popular Culture* Annette Wannamaker, 2012-09-10 Boys in Children's Literature and Popular Culture proposes new theoretical frameworks for understanding the contradictory ways masculinity is represented in popular texts consumed by boys in the United States The popular texts boys like are often ignored by educators and scholars or are simply dismissed as garbage that boys should be discouraged from enjoying However examining and making visible the ways masculinity functions in these texts is vital to understanding the broad array of works that make up children's culture and form dominant versions of masculinity Such popular texts as Harry Potter Captain Underpants and Japanese manga and anime often perform rituals of subject formation in overtly grotesque ways that repulse adult readers and attract boys They often use depictions of the abject threats to bodily borders to blur the distinctions between what is outside the body and what is inside between what is I and what is not I Because of their reliance on depictions of the abject those popular texts that most vigorously perform exaggerated versions of masculinity also create opportunities to make dominant masculinity visible as a social construct *Library of Congress Subject Headings* Library of Congress, 2001
