The Great Arizona Orphan Abduction Linda Gordon, 2011-02-09 In 1904 New York nuns brought forty Irish orphans to a remote Arizona mining camp to be placed with Catholic families The Catholic families were Mexican as was the majority of the population Soon the town s Anglos furious at this interracial transgression formed a vigilante squad that kidnapped the children and nearly lynched the nuns and the local priest The Catholic Church sued to get its wards back but all the courts including the U S Supreme Court ruled in favor of the vigilantes The Great Arizona Orphan Abduction tells this

disturbing and dramatic tale to illuminate the creation of racial boundaries along the Mexican border Clifton Morenci Arizona was a wild West boomtown where the mines and smelters pulled in thousands of Mexican immigrant workers Racial walls hardened as the mines became big business and whiteness became a marker of superiority These already volatile race and class relations produced passions that erupted in the orphan incident To the Anglos of Clifton Morenci placing a white child with a Mexican family was tantamount to child abuse and they saw their kidnapping as a rescue Women initiated both sides of this confrontation Mexican women agreed to take in these orphans both serving their church and asserting a maternal prerogative Anglo women believed they had to save the orphans and they organized a vigilante squad to do it In retelling this nearly forgotten piece of American history Linda Gordon brilliantly recreates and dissects the tangled intersection of family and racial values in a gripping story that resonates with today s conflicts over the best interests of the child
