

Telecommuting The Future Technology Of Work

RJ Alexander

Telecommuting The Future Technology Of Work:

Telecommuting Thomas B. Cross, Marjorie B. Raizman, 1986 The first part of the book presents an overview of the history and limits of remote work The second part reviews technology and management structures as they exist today for implementing telecommuting The final part of the book is a telecommuting guide It offers addresses and services to help newcomers to get started **Telecommuting and Virtual Offices: Issues and Opportunities** Johnson,

Nancy, 2000-07-01 Telecommuting by any name telework mobile work home offices virtual employees or telematics is one of the most intriguing and least understood results of advances in portable computing The authors in Telecommuting and Virtual Offices Issues and Opportunities present usable research and advice on many of these issues **Anywhere Working and the New Era of Telecommuting** Blount, Yvette, Gloet, Marianne, 2017-01-18 Working in non conventional settings is on

the rise in today s business world It is important to understand every angle of such employment in order to choose the arrangement that will work best for each company Anywhere Working and the New Era of Telecommuting is an essential research publication for the latest information on flexible work arrangements and how these are made possible through recent developments in ICT Featuring extensive coverage on a range of topics such as virtual offices digital inclusion and telehealth this book is ideally designed for researchers professionals and managers seeking current research on the methods benefits and disadvantages of non traditional working environments **Teleworking** Paul J. Jackson, Jos M. van der

Wielen, 2002-01-31 Teleworking is an up to date groundbreaking and comprehensive assessment of teleworking It includes multidisciplinary contributions drawing on sociology management science economics philosophy and information technology analysis of post modern and post industrial theoretical contexts a selection of empirical studies from across the world accounts of different modes of teleworking from homeworking to centre based working examination of the links between teleworking and the virtual organisation Wide ranging detailed and original this book is a valuable introduction to teleworking and an important contribution to the debate on the future of the labour market *Encyclopedia of Digital*

Government Anttiroiko, Ari-Veikko, Malkia, Matti, 2006-07-31 Containing more than 250 articles this three volume set provides a broad basis for understanding issues theories and applications faced by public administrations and public organizations as they strive for more effective government through the use of emerging technologies This publication is an essential reference tool for academic public and private libraries **Collaboration Potential in Virtual Reality (VR)**

Office Space Marko Orel, 2022-08-09 The recent shift in labour markets has heightened the demand for alternative work arrangements Virtual reality VR technology plays a significant role in this transition with remote work as efficient as work performed from an organization s own office space This book explores the impact of immersive VR technology on the new virtual workspace Specifically it examines how VR can enable employees to overcome the distractions associated with working from home increase their visibility on team projects build stronger relationships with co workers reduce feelings of

isolation due to social distancing and facilitate their engagement in collaborative work processes It also explores the limitations of two dimensional computer mediated communication tools for flexible working arrangements It thus offers theoretical foundations for future research on office digitalization and subsequent applications of VR technology on office work It also features the analysis of two dozen problem centered expert interviews with creators and executives of leading productivity VR tools that enable the remote collaboration between knowledge workers Work and Quality of Life Nora P. Reilly, M. Joseph Sirgy, C. Allen Gorman, 2012-05-31 Employees have personal responsibilities as well as responsibilities to their employers They also have rights In order to maintain their well being employees need opportunities to resolve conflicting obligations Employees are often torn between the ethical obligations to fulfill both their work and non work roles to respect and be respected by their employers and coworkers to be responsible to the organization while the organization is reciprocally responsible to them to be afforded some degree of autonomy at work while attending to collaborative goals to work within a climate of mutual employee management trust and to voice opinions about work policies processes and conditions without fear of retribution Humanistic organizations can recognize conflicts created by the work environment and provide opportunities to resolve or minimize them This handbook empirically documents the dilemmas that result from responsibility based conflicts The book is organized by sources of dilemmas that fall into three major categories individual organizational internal policies and procedures and cultural social forces external to the organization including an introduction and a final integration of the many ways in which organizations can contribute to positive employee health and well being This book is aimed at both academicians and practitioners who are interested in how interventions that stem from industrial and organizational psychology may address ethical dilemmas commonly faced by employees *Handbook of Research on Remote Work and Worker Well-Being in the Post-COVID-19 Era* Wheatley, Daniel, Hardill, Irene, Buglass, Sarah, 2021-04-16 With the introduction of policies to combat COVID 19 far greater numbers of employees across the globe including those with limited job autonomy have moved to undertake their entire job at home Although challenging in the current climate embracing these flexible modes of work such as working at home including relevant investment in technology to enable this will not only deliver potential organizational benefits but also increase the adaptability of the labor market in the short and longer terms Although perhaps not the central concern of many in the current climate good home based work is achievable and perhaps even a solution to the current work based dilemma created by COVID 19 and should be a common goal for individuals organizations and society Research also has shifted to focus on the routines of workers organizational performance and well being of companies and their employees along with reflections on the ways in which these developments may influence and alter the nature of paid work into the post COVID 19 era The Handbook of Research on Remote Work and Worker Well Being in the Post COVID 19 Era focuses on the rapid expansion of remote working in response to the global COVID 19 pandemic and the impacts it has had on both employees and businesses The content of the

book progresses understanding and raises awareness of the benefits and challenges faced by large scale movements to remote working considering the wide array of different ways in which the large scale movement to remote working is impacting working lives and the economy This book covers how different fields of work are responding and implementing remote work along with providing a presentation of how work occurs in digital spaces and the impacts on different topics such as gender dynamics and virtual togetherness It is an ideal reference book for HR professionals business managers executives entrepreneurs policymakers researchers students practitioners academicians and business professionals interested in the latest research on remote working and its impacts

Contemporary Human Resource Management Adrian Wilkinson, Tony Dundon, Edward Yates, 2025-01-08 Written by experts in the field the seventh edition of this well established book provides a critical and academically rigorous exploration of the key functions practices and issues in HRM today The first part of Contemporary Human Resource Management covers fundamental HRM practices while the second half examines contemporary themes and issues such as technology and climate change The book contains over 50 thought provoking case studies showing you how theory relates to real world examples This substantially revised seventh edition includes three completely new chapters and case studies on Remote working New technologies Social media Adrian Wilkinson is Professor of Employment Relations and Human Resource Management at Griffith University and Visiting Professor at the University of Sheffield Tony Dundon is Professor of HRM and Employment Relations at Kemmy Business School University of Limerick and Visiting Professor at the Work and Equalities Institute University of Manchester Edward Yates is a Lecturer in Employment Relations and Human Resource Management at the University of Sheffield
