## Television And Politics:

**Television and Politics** , One question the authors address Do network projections based on increasingly sophisticated techniques for calling election outcomes well before polls close affect results At no time has this question been more in the forefront of public consciousness than in the wake of the 2000 presidential election The Langs draw on their own highly detailed study of voter reactions to election news to assess its effect on turnout on political attitudes on candidate strategies and on legislative initiatives As a model of how to study communication effects this highly readable volume will interest decision makers and analysts as well as students of journalism broadcasting political behavior and voters looking ahead to the next election BOOK JACKET      **The Unseeing Eye** Thomas E. Patterson,Robert D. McClure,1976      **Television in Politics** Jay G. Blumler,Denis McQuail,1968      Channels Of Power Ranney,1983-11-09      *The People Machine* Robert MacNeil,1968      *Politics and Television* Kurt Lang,Gladys Engel Lang,1968      **TV Politics** Larry Sabato,1982      **Politics and Politicians in Contemporary US Television** Betty Kaklamanidou,Margaret Tally,2016-10-04 Bringing together well established scholars of media political science sociology and film to investigate the representation of Washington politics on U S television from the mid 2000s to the present this volume offers stimulating perspectives on the status of representations of contemporary US politics the role of government and the machinations and intrigue often associated with politicians and governmental institutions The authors help to locate these representations both in the context of the history of earlier television shows that portrayed the political culture of Washington as well as within the current political culture transpiring both inside and outside of The Beltway With close attention to issues of gender race and class and offering studies from contemporary quality television including popular programmes such as The West Wing Veep House of Cards The Americans The Good Wife and Scandal the authors examine the ways in which televisual representations reveal changing attitudes towards Washington culture shedding light on the role of the media in framing the public s changing perception of politics and politicians Exploring the new era in which television finds itself with new production practices and the possible emergence of a new political genre emerging Politics and Politicians in Contemporary U S Television also considers the humanizing of political characters on television asking what that representation of politicians as human beings says about the national political culture A fascinating study that sits at the intersection of politics and television this book will appeal to scholars of popular culture sociology cultural and media studies      **The Politics of TV Violence** Willard D. Rowland,1983-04 Reviews the findings of communication research on the effects of television on violent behaviour and the history of the use of this information in policy making To what political use has violence research been put What impact has it had on politics The interactions of federal communication policy the broadcasting industry public or citizens interest groups and the communication research community are described The rise of TV violence as an issue is documented in the context of the rise of social science as a policy making resource Rowland uses hearings records and reports of congressional

committees and national commissions to reveal the patterns of argument and shared assumptions and the structure of interactions among groups and institutions These records are also part of our rituals of social self examination Rowland s approach rises out of the tradition of critical cultural studies with its emphasis on history and symbolic analysis His book finally is about the symbolic uses to which communication research indeed social science is put to alleviate contemporary tensions and unease
