Tell MacArthur To Wait:

Tell MacArthur to Wait Ralph Emerson Hibbs, 1996 *Undeclared* Bill Sloan, 2013-06-18 The fight to defend the Philippines from Japanese invasion during 1941 to 1942 ended with the surrender of the largest U S military force ever American servicemen endured rampant disease near starvation the horrors of the Bataan Death March and life as prisoners of war *Undeclared* captures the fortitude and suffering of the American defenders of the Philippines as no other book has done Bill Sloan hailed as the master of the combat narrative The Dallas Morning News interviewed more than thirty war veterans and drew from unpublished oral history and out of print memoirs to provide a unique eyewitness account of this major military encounter and its aftermath Yet rather than portraying the American defenders as little more than helpless victims of an overwhelmingly powerful and sadistic foe as most previous books about the Philippines campaign have done Sloan praises the unexcelled heroism and indomitable spirit they displayed under the worst imaginable conditions *Undeclared* also provides vivid and critical portraits of the officers who led the American forces including General Douglas MacArthur who escaped to Australia as the situation in Bataan worsened and General Jonathan Wainwright who succeeded him as top U S commander in the Philippines and himself became a POW Filled with remarkable feats of courage and endurance *Undeclared* re creates the tragic yet inspiring panorama of POW camps in the Philippines in all its high tension drama **Race Against Death: The Greatest POW Rescue of World War II (Scholastic Focus)** Deborah

Hopkinson, 2023-04-18 A thrilling account of the most daring World War II rescue mission liberating hundreds of American prisoners of war Scholastic Focus is the premier home of thoroughly researched beautifully written and thoughtfully designed works of narrative nonfiction aimed at middle grade and young adult readers These books help readers learn about the world in which they live and develop their critical thinking skills so that they may become dynamic citizens who are able to analyze and understand our past participate in essential discussions about our present and work to grow and build our future Following the bombing of Pearl Harbor America entered World War II and a new theater of battle opened up in the Pacific But US troops along with thousands of Filipino soldiers who fought alongside them were overtaken in the Philippines by a fiercely determined Japanese navy and many Americans and Filipino fighters were killed or captured These American and Filipino prisoners of war were forced to endure the most horrific conditions on the deadly trek known as the Bataan Death March Then the American servicemen who were held captive by the Japanese military in Cabanatuan Camp and others in the Philippines faced beatings starvation and tropical diseases and lived constantly under the threat of death Unable to forget their comrades fate and concerned that these POWs would be brutally murdered as the tides of war shifted in the Pacific the US Army Rangers undertook one of the most daring and dangerous rescue missions of all time Aided by the Angels of the Underground the Sixth Ranger Battalion and courageous Filipino guerrilla soldiers set out on an uncertain and treacherous assignment Often called the Great Raid this remarkable story remains largely forgotten Sibert Honor author

Deborah Hopkinson presents an extraordinary and unflinching look at the heroic servicemen and women who courageously weathered the worst of circumstances and conditions in service to their country as well as those who answered the call to save their fellow soldiers The Battle of Manila Nicholas Evan Sarantakes,2025 Douglas MacArthur had a special relationship with the city of Manila Many years before when he had decided to make a career in the U S Army like his father and had bounced around the globe he kept coming back to the city He received his first promotion in Manila and contracted malaria so severe the Army had to send him back to the United States The city was a constant in a life without many others He was by any measure an exceptional soldier At the U S Military Academy he earned an athletic letter in baseball became the First Captain of the Corps of Cadets and finished first in a class of ninety three Commissioned in the Corps of Engineers he had first assignment in the Philippines Angels of the Underground Theresa Kaminski,2016 Angels of the Underground makes a significant contribution to the work on women s wartime experiences Through the lens of Utinsky and Phillips who never wavered in their belief that it was their duty as patriotic American women to aid the Allied cause Kaminski highlights how women have always been active participants in war whether or not they wear a military uniform An impressive work of scholarship grounded in archival research and personal interviews this is also a stunning story of courage and heroism in wartime **Death on the Hellships** Gregory F Michno,2016-07-15 Now available in paperback Death on the Hellships chronicles the true dimensions of the Allied POW experience at sea It is a disturbing story many believe the Bataan Death March even pales by comparison Survivors describe their ordeal in the Japanese hellships as the absolute worst experience of their captivity Crammed by the thousands into the holds of the ships moved from island to island and put to work they endured all the horrors of the prison camps magnified tenfold Gregory Michno draws on American British Australian and Dutch POW accounts as well as Japanese convoy histories declassified radio intelligence reports and a wealth of archival sources to present a detailed picture of the horror MacArthur's War Douglas Niles,Michael Dobson,2008-07-01 Just as Fox on the Rhine and Fox at the Front showed readers an alternate Europe in which Hitler had been killed thereby radically changing the course of World War II Douglas Niles and Michael Dobson bring us the Battle of Midway with a very different outcome The Allies are wildly out maneuvered and sent home in disgrace Back in the States things are looking rather grim as the ultra secret Manhattan Project runs into snafus that greatly delay the final production of the atomic bomb President Roosevelt s approval ratings drop dramatically Congress is desperate and the country cries out for a hero That hero might just be Douglas MacArthur who vowed that he would return to his beloved Philippines He plans to do so with the backing of the entire US Armed Forces MacArthur s plan of action is simple take the war back to the Japanese island by bloody island until standing on the shores of Japan he can proclaim victory And possibly gain the leadership of the United States as well At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *The Doomed Horse Soldiers of Bataan* Raymond G. Woolfe Jr.,2016-05-26 This is the story of the last mounted American troops to see

action in battle when in late 1941 six hundred men and their horses held off the Japanese invasion of Luzon in the Philippines just long enough to allow General Douglas MacArthur's forces to withdraw to Bataan. The 26th continued to fight on horseback until late February 1942 when tragically they were ordered dismounted and their horses and mules transferred to the Quartermaster's center and slaughtered for food for the defenders. It is on record that the 26th troopers refused to accept meat rations from their animals regardless of their own starvation. This stirring account of a little known aspect of the Philippine campaign is military history at its best. **Beyond Courage** Dorothy Cave, 2006 Bataan the last bastion stemming the Japanese tidal wave across the Pacific was about to fall. Only one unit, the 2nd Cavalry Division, remained intact. In her award winning history Dorothy Cave follows the members of this small unit who played a key role in this pivotal moment in history. Inside the Bataan Death March Kevin C. Murphy, 2014-09-24 For two weeks during the spring of 1942 the Bataan Death March, one of the most widely condemned atrocities of World War II unfolded. The prevailing interpretation of this event is simple: American prisoners of war suffered cruel treatment at the hands of their Japanese captors while Filipinos sympathetic to the Americans looked on. Most survivors of the march wrote about their experiences decades after the war and a number of factors distorted their accounts. The crucial aspect of memory is central to this study: how it is constructed by whom and for what purpose. This book questions the prevailing interpretation, reconsiders the actions of all three groups in their cultural contexts and suggests a far greater complexity. Among the conclusions is that violence on the march was largely the result of a clash of cultures: undisciplined individualistic Americans encountered Japanese who valued order and form while Filipinos were active even ambitious participants in the drama.
