Sessional Papers Ontario. Legislative Assembly, 1906 **Stats** Mark Donahue, 2021-01-12 The killers of Dr James McDowell enjoyed their work They had taken their time The scalpel they had used did not cut deep but rather followed to perfection the art of Lingchi death by a thousand cuts But their methodical work had a purpose beyond entertainment they needed to know what had happened to a file A file that contained proof that every U S presidential election since 1952 had been predetermined fixed rigged Unable to secure such information from the doctor the killers turned their attention to a writer cab driver The one who had brought the doctor to D C When the cabbie David discovered the file in the back seat of his cab and read its contents he realized the democracy in which he lived and had fought for as a member of Seal Team One was a sham David also realized that what he had discovered in the back of his cab was one hell of a story the kind of story he had always dreamed of A story that would make him a best selling author But he needed to work quickly because the men

with the scalpels were closing in on him and his wife Sydney To keep their 70 year old secrets safe all the killers have to do is find a cabbie and his wife How hard could that be They may have picked the wrong wife **The Quiet World** William Dusty,2014-04-12 When a once vibrant civilization goes mysteriously silent the Interstellar Alliance sends out a ship to discover why Once arrived an untested officer Commander Caramissa Kreth is placed in charge of an expedition that s sent down to the planet s surface to investigate Kreth a native Saetian a species widely known for their timidity must show her superiors as well as those she leads that she s up to the task But will she accomplish her mission and bring her landing party back safely Or will she prove her detractors correct in doubting her qualifications for command A 9 700 word short story novelette from the Stellar Conflict series **Silent Sisters** Jenny Tomlin,2012-02-16 For years Jenny and sister Kim suffered horrendous physical and sexual abuse at the hands of their father They survived in part because of their closeness and their determination to be there for each other Both sisters left home at the earliest opportunity to escape but before long Jenny was embroiled in a relationship with an abusive man that kept her locked in a cycle of violence and fear Their lives followed parallel paths with first marriage then kids and always the terror that things would never change Eventually with a lot of love grit and courage they helped each other to climb out of the pit of despair and truly free themselves from the legacy of the past Every bit as harrowing and inspiring as Behind Closed Doors this is a story of the power of unstintingly loyal love
