Tell Us Our Names Story Theology From An Asian Perspective

Thomas Griffiths

Tell Us Our Names Story Theology From An Asian Perspective:

Tell Us Our Names C.S. Song, 2005-07-07 Tell Us Our Names is a timely book beautifully written and understandable by all. Its particular challenge lies in the folk and fairy tales that provide the text. Here are the roots of both faith and reason and the direct way to dump excess baggage and discover new and better questions. Scripture, Oriental wisdom, ecumenical theology all receive calm and imaginative treatment in Song's hands. Joseph McLelland McGill University Montreal. In this volume Dr Song offers us golden keys to open the stone gates of religion. Gathering together intercultural insights from the experience of people in many countries, these parables and stories usher us into the presence of Mystery. The easy flow of storytelling smoothly mixed with sensitive interpretation makes this volume very readable. To those who believe that theology has to do only with ideas and concepts, this volume may come as a surprise and a joyful discovery. S. J. Samartha, former Director Dialogue Programme World Council of Churches Geneva. C. S. Song explores the folk tales of the world and depicts God's answer to the thrust for the redemption of the people with one stroke of an Asian brush. Here the culture, religion, history and suffering of the Asian people is the medium of God's redemptive revelation. Certainly by this work he has contributed another transposition of the biblical message to Asia, a monumental accomplishment in the formation of Asian theology. Reading this Theology of Folk Tales is exciting and illuminative. Nam Dong Suh, Director Institute for Mission Education Seoul, Korea. C. S. Song is Professor of Theology and Asian Cultures at Pacific School of Religion. His recent publications include *The Believing Heart*. **Tell Us Our Names** Choan-Seng Song, 1984 **An Asian American Theology of Liberation** Tian An Wong, 2023-10-31 Offers foundations for a new generation seeking to reconcile faith and politics without compromise. *Theology of the Hebrew Bible, Volume 2* Soo Kim Sweeney, David Frankel, Marvin A. Sweeney, 2024-10-18 This follow up to *Theology of the Hebrew Bible Volume 1* Methodological Studies focuses on readers' engagement with the text and their communities. Part 1 offers fresh interpretations of divine images and theological concepts drawn from various theophanies in the text. Part 2 focuses on how these insights can form new overarching structures serving as reading strategies or foundations for alternative theologies. Part 3 emphasizes the bond between readers and their communities, highlighting the active participation of both ancient and modern readers through an analysis of past literature. Contributors, each an expert in their field, include Rachel Adelman, Samuel E. Balentine, Shelly L. Birdsong, Ginny Brewer, Boydston Johanna Etzberger, Frances Flannery, David Frankel, Barry R. Huff, Hyun Chul Paul Kim, Barbara Leung, Lai J. Richard Middleton, Hye Kyung Park, Kris Sonek, Brent A. Strawn, David E. S. Stein, Marvin A. Sweeney, Soo Kim Sweeney, Joseph Sykora, Daniel C. Timmer, and Beat Weber. This collection of essays guides readers, including those well versed in theology, to explore innovative and unexpected depictions of divine beings and how human characters respond to them. **A New Handbook of Christian Theologians** Donald W. Musser, 1996 In recent years the flow of Christian theology has been channeled in diverse streams represented by such trends and movements as black theology, liberation theology, feminist theology, and womanist

theology To survey this abundance and diversity of current Christian theology this book examines the theologies of representative theologians Particularly to help students navigate the sea of information the editors have identified various routes for reading and have traced several threads or issues common to many of the essays thus demarcating such recurrent concerns as the ways in which the theologians consider the sources and goals for theology their variant assumptions and conclusions about the nature of God their divergent approaches to understanding the person and purpose of the Christ and their distinct expectations for the destiny of history and faith

Third World Liberation Theologies Deane W. Ferm, 2004-04-15 Here for the first time is a systematic survey of the principal liberation theologians from Asia Africa and Latin America Exposing the rich variety of Third World liberation theologies the author highlights points of agreement and divergence in approaches and context and critically assesses the most often heard criticisms of liberation theology With its companion volume Third World Liberation Theologies A Reader this survey represents the most comprehensive introduction in any language to what may well be the most significant theological development of this century

An Asian Introduction to the New Testament Johnson Thomaskutty, 2022-02-15 Understanding and assessing the New Testament writings from Asian viewpoints provides a unique and original outlook for interpretation of the Christian Scriptures To that end An Asian Introduction to the New Testament is the first book of its kind to take full account of the multireligious multiethnic multilingual multicultural and pluralistic contexts in which Asian Christians find themselves Into this already complex world issues of poverty casteism class structure honor and shame aspects colonial realities discrimination against women natural calamities and ecological crises and others add more layers of complexity Perceiving the New Testament in light of these realities enables the reader to see them in a fresh way while understanding that the Jesus Movement emerged from similar social situations Readers will find able guides in an impressive array of more than twenty scholars from across Asia Working with volume editor Johnson Thomaskutty the authors make a clear case the kernels of Christianity sprouted from Asian roots and we must read the New Testament considering those roots in order to understand it afresh today

Expressing Theology Jonathan Roach, Grisel Dominguez, 2015-07-14 Have you ever picked up a volume of theology read the first page and decided you would rather scrub the bathroom floor than read another page Theology does not need to be abstract dull boring tedious dense inconsequential trivial remote immaterial or unimportant Theology should not leave readers feeling bewildered and lost Expressing Theology challenges writers of theology to craft engaging compelling and beautiful prose that grabs readers attention and makes reading a pleasure Expressing Theology provides writers of theology academics aspiring and published with perspectives and writing techniques to write theology that readers want to read

Mangoes Or Bananas? Yung Hwa, 1997 **The Future of Interfaith Dialogue** Yazeed Said, Yazid Said, Lejla Demiri, 2018-08-30 Provides insightful discussions of the exegetic and discursive process begun by the open letter A Common Word Between Us and You

Tell Us Our Names Story Theology From An Asian Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Tell Us Our Names Story Theology From An Asian Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Tell Us Our Names Story Theology From An Asian Perspective has opened up a world of possibilities. Downloading Tell Us Our Names Story Theology From An Asian Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Tell Us Our Names Story Theology From An Asian Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Tell Us Our Names Story Theology From An Asian Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Tell Us Our Names Story Theology From An Asian Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the

efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Tell Us Our Names Story Theology From An Asian Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Tell Us Our Names Story Theology From An Asian Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Tell Us Our Names Story Theology From An Asian Perspective Books

1. Where can I buy Tell Us Our Names Story Theology From An Asian Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
