Tell Your Mother:

P.S. Don't Tell Your Mother Margo Bates, 2005-10-18 Margo Bates debut novel brings to life the rough and tumble world of Canada's frontier northwest in the late 50s and early 60s. Telkwa is not much different from other small towns or tight knit neighborhoods across North America. There is always one character or curmudgeon that is larger than life about which the townsfolk enjoy hearing stories. In Telkwa it is Nana Noonan. Readers are immediately drawn to the small town goings on through the hundreds of letters to her granddaughter Maggie Mulvaney. Maggie likes it that Nana is Irish but she has a temper. There are lots of things that get her going. Telkwa's only Jehovah's Witness tops her list. That Damn Jehovah is the incessant phrase in the hundreds of letters Nana sends Maggie. Living 150 miles apart, Nana and her letters show Maggie the human aspects of life. The Jehovah's Witness is hell bent on saving Nana. His high hopes on salvation equal her intent to remain as she is. Hell bent on being herself. After all, she is an Anglican. To Nana, the Jehovah's Witness is not just trying to impose his religion; he also represents an ugly undercurrent in northern and rural Canada in the 1960s: prejudice. He doesn't like Nana's best friend, a native Indian named Tyee Mary. In this humorous and touching tale, Margo shows how her Nana stands up to prejudice in the north. She does it the only way she knows how: using her Irish temper and some fine tuning from a shotgun. Nana tells Maggie it is important to be fair to your fellow humans. As long as they don't drive you to do something foolish, Maggie thinks about the lessons learned at Nana's knee. She writes back and offers suggestions on how Nana might better deal with the Jehovah's Witness. The townsfolk place bets on Nana and the Jehovah's Witness and when they will have their next set to cash, exchanges hands on a fairly regular basis. Only two people visit Nana more often than her family: Constable Reems of the Royal Canadian Mounted Police and her ill-fated devotee who visits every Saturday rain, shine, sleet or snow. Nana and the Jehovah's Witness reach a stalemate one fall day in 1960. Nana, her Irish temper and accuracy with a gun get the better of her. And That Damn Jehovah. Gloria Macarenko, Anchor at CBC Television News, praised the book. I love the way Margo Bates captures the essence and eccentricities of life in a small northern town as she highlights the conspiratory relationship between a young girl and her kooky grandmother. As someone who grew up in the north, I can relate to the quirky and comical scenarios that are so much a part of small town life. Everyone needs a bit of Nana in their lives.

Billy Brown, I'll Tell Your Mother Bill Brown, 2011-02-10 A riveting and hugely entertaining memoir of post war London told through the eyes of a hilariously opportunistic little boy. This warm and witty autobiography lovingly evokes the community spirit of a Britain emerging from war and will have you hankering after simpler times. CANDIS. By the time he was ten years old, Billy Brown was running a successful little business on the black market: whatever you needed from bricks and firewood to dress material or machetes, Billy Brown could get it or knew a man who could. And for the right price, he would deliver it direct to your door in an old carriage pram. With energy and insight, Billy Brown paints a vivid and lively picture of Britain emerging from the ruins of the war: the hunger for opportunity, the growing pace of modernisation and the pride and

optimism that held communities together Londoners were intent on getting themselves back on their feet and it provided the perfect opportunity for a boy with ambition and a lively imagination Born in Brixton south London in 1942 Billy Brown was a lovable scamp with a nose for mischief Left to his own devices while both his parents went out to work if there was trouble to be had Billy would be in the thick of it Ignoring the shaking of fists from his neighbours his mother's scoldings and the regular thwack of the cane on his bottom at school Billy wheeled and dealed charmed Woolies Girls planned coronation celebrations ran circles around circus performers and persuaded villains to work on his terms *Things I Couldn't Tell My Mother* Sue Johnston,2011-09-01 There was a lot that we kept from my mother My dad would say to me as a teenager Don't tell your mother We couldn't face the disapproval Sue Johnston always seemed to be disappointing her mother As a girl she never stayed clean and tidy like her cousins As she grew older she spent all her piano lesson money on drinks for her mates down the pub and when she discovered The Cavern she was never at home The final straw was when Sue left her steady job at a St Helen's factory to try her hand at that unsteadyest of jobs acting Yet when Sue was bringing up her own child alone her mother was always there to help And playing her much loved characters Sheila Grant in *Waking the Dead* and Barbara in *The Royle Family* although her mum wouldn't say she was proud as such she certainly seemed to approve And in her mother's final months it was Sue she needed by her side The relationship with your mother is perhaps the most precious and fraught of any woman's life When she began writing Sue set out to record all the big things and all the small things Everything I wanted to tell my mother but felt I never could The result is a warm poignant and often very funny memoir by one of Britain's favourite actresses *I Once Killed a Man, but Don't Tell your Mother* Darien Ogburn,2024-12-31 What life experiences are necessary for someone to devise an elaborate plan to take another person's life What is the motivator to either bring that plan to fruition or allow it to go unachieved Further what motivates the author to memorialize something so fraught with liability In his debut book Darien Ogburn examines his upbringing varied experiences and familial circumstances to uncover why he spent an inordinate amount of energy strategizing how to exact capital revenge on the people that so egregiously wounded his family Equal parts self-deprecating and self-aggrandizing *I Once Killed a Man but Don't Tell Your Mother* outlines the experiences required for such an effort using the one constant in the author's life humor The reader will learn about the author's time as a professional baseball player for one day how he came to write a joke for the president of the United States and several other defining moments in his life The loss of his first son was one of these moments as was the birth of his daughter and second son Each of these events left indelible marks on the author that helped him choose the right person to kill Using wit and absurdity the author takes readers along a retrospective journey to better understand his experiences in the context of who he is and the legacy he wants to leave behind *How Will I Tell My Mother?* Stephen F. Arterburn,Jerry Arterburn,2001-10 Jerry Arterburn's story parallels that of thousands of men who are troubled by homosexual desires but want to change Rejected alienated and seduced into the world of homosexuality Jerry suffered the

Secunda,2009-11-04 A book of great value for every daughter and every mother useful for sons too Benjamin Spock M D
From the Introduction The goal of this book is to help readers achieve that separation so that they can either find a way to be friends with their mothers or at least recognize and accept that their mothers did the best they could even if it wasn t good enough and to stop blaming them Among the issues to be covered To understand how a daughter s attachment to her mother more so than her relationship with her father colors all her other relationships and to analyze why it is more difficult for daughters than sons to separate from their mothers as well as why daughters are more subject than sons to a mother s manipulation To recognize the difference between a healthy and a destructive mother daughter connection and to define clearly the bad mommy in order to help readers who have trouble acknowledging their childhood losses to begin to comprehend them To conjugate what I call the Bad Mommy Taboo why our culture is more eager to protect the sanctity of maternity than it is to protect emotionally abused daughters To describe the evolution of the unpleasable mother in all likelihood she was bereft of maternal love as a child and to recognize the huge and often poignant stake she has in keeping her grown daughter dependent and off balance To illustrate the consequent controlling behavior in some cases cloaked in fragility or good intentions of such mothers which falls into general patterns including the Doormat the Critic the Smotherer the Avenger the Deserter To understand that the daughter has a similar stake in either being a slave to or hating her mother the two sides of her dependency and immaturity To illustrate the responsive behavior and survival mechanisms of daughters which is determined in part by such variables as birth rank family history and temperament and which also falls into patterns including the Angel the Superachiever the Cipher the Troublemaker the Defector To show how to redefine the mother daughter relationship so that each can learn to see and accept the other as she is today appreciating each other s good qualities and not being snared by the bad Finally to demonstrate that a redefined relationship with one s mother adult to adult frees you from the past whether that re definition ultimately results in real friendship affectionate truce or divorce
