*The Family* Robert Andrews, 1996-02      *God's Babies* John McKeown, 2014-12-17 The human population's annual total consumption is not sustainable by one planet. This unprecedented situation calls for a reform of religious cultures that promote a large ideal family size. Many observers assume that Christianity is inevitably part of this problem because it promotes family values and statistically in America and elsewhere has a higher birthrate than nonreligious people. This book explores diverse ideas about human reproduction in the church past and present. It investigates an extreme fringe of U.S. Protestantism including the Quiverfull movement that use Old Testament fruitful verses to support natalist ideas explicitly promoting higher fecundity. It also challenges the claim by some natalists that Martin Luther in the 16th century advocated similar ideas. This book argues that natalism is inappropriate as a Christian application of Scripture especially since rich populations' total footprints are detrimental to biodiversity and to human welfare. It explores the ancient cultural context of the Bible verses quoted by natalists. Challenging the assumption that religion normally promotes fecundity, the book finds surprising exceptions among early Christians with a special focus on Saint Augustine since they advocated spiritual fecundity in preference to biological fecundity. Finally, the book uses a hermeneutic lens derived from Genesis 1 and prioritising the modern problem of biodiversity to provide ecological interpretations of the Bible's fruitful verses.

**WEAPONS OF SPIRITUAL WARFARE: Walking in Spiritual Victory** Emmanuel Manyeza, 2012-01-13 Our Father in Heaven has given us many weapons to fight the enemy with. It is up to us then to pick up these weapons and learn how to use them effectively. If we however follow our natural tendency and wait for a crisis to pick up our weapons, our lack of skill is likely to be exposed in great defeat. Our enemy is a highly skilled adversary. Satan and his demons are experienced veterans having waged war on mankind for thousands of years. They surely know our weaknesses and how best to exploit them. God calls us to be good warriors trained and skillful in using the weapons He has given us. This book is designed to give you a godly perspective on the spiritual war that is being waged around us. The battle between God and Satan, good and evil, and the whole armor of God at our disposal that we can use to fight back and win. Evil can only be resisted through the power and authority of the Cross which is the central call of the gospel. You will never go the same way you came after reading this book.

This book will lead you to understand what happens when two people tie the proverbial knot. The trials and obstacles that inevitably follow are nothing unusual; how they are handled is what helps distinguish a successful marriage from an unsuccessful one.
