Taylor, 2023-03-07 The true story of Marshall Major Taylor who overcame racial prejudice to become one of the most dominant cyclists in history Part of Belt's Revival series and with an introduction by Zito Madu *The Fastest Bicycle Rider in the World* which Taylor self published in 1928 gives a riveting first person account of his rise to the highest echelons of professional cycling Born in Indianapolis he eventually became the first African American cycling world champion going on to set seven world records in the sport Readers will learn about Taylor's exploits as an athlete including his early taste of success in a grueling six day race his unparalleled dominance as a sprinter and some of his most bitter defeats But the man

who achieved international fame as the Black Cyclone also details the extreme prejudice he faced both on and off the track. It is a story about one of the greatest athletes in American history but also a moving testament to Taylor's resilience and determination in the face of overt racism and seemingly impossible odds. As he tells us himself, I am writing my memoirs in the spirit calculated to solicit simple justice, equal rights and a square deal for the posterity of my down-trodden but brave people not only in athletic games and sports but in every honorable game of human endeavor. **Major Taylor** Andrew Ritchie, 2017-08-03 Updated trade paperback edition of previously released 2nd edition of same title. A well-researched and vivid account of the life and times of one of the first internationally acclaimed black athletes, Major Taylor, who was billed as the fastest bicycle rider in the world around the turn of the 20th century. Touches on his struggles in America as a black athlete and his recognition abroad. Illustrated throughout with period photographs. **Major Taylor** Andrew Ritchie, 1996-02 World champion at 19. One of the first black athletes to become world champion in any sport. 1 mile record holder. American sprint champion in 1898, 1899, 1900. Triumphant tours of Europe and Australia. Victories against all European champions. Until now a forgotten shadowy figure, Marshall Walter Major Taylor is here revealed as one of the early sports world's most stylish, entertaining and gentlemanly personalities. Born in 1878 in Indianapolis, the son of poor rural parents, Taylor worked in a bike shop until prominent bicycle racer Birdie Munger coached him for his first professional racing successes in 1896. Despite continuous bureaucratic and at times physical opposition, he won his first national championship two years later and became world champion in 1899 in Montreal. This beautifully illustrated, vividly narrated and scrupulously researched biography recreates the life of a great international athlete at the turn of the century. Based on ten years of research, including extensive interviews with Major Taylor's 91-year-old daughter, this is the dramatic story of a young black man who, against prodigious odds, rose to fame and stardom in the tempestuous world of international professional bicycle racing a century ago. *The Fastest Bicycle Rider in the World* Major Taylor, 1928 **Major Taylor: World Cycling Champion** Charles R. Smith, 2023-09-12 A Coretta Scott King Award winner and a Pura Belpré Illustrator Honor winner pair up for a rousing picture book biography in verse of legendary African American cyclist Marshall Major Taylor and the Six Day Race. One hundred years ago, one of the most popular spectator sports was bicycle racing, and the man to beat was Marshall Major Taylor, who set records in his teens and won his first world championship by age twenty. The first African American world champion in cycling and the second Black athlete to win a world championship in any sport, Major Taylor faced down challenge after challenge, not least the grueling Six Day Race, a test of speed, strength and endurance. With energy, heart and pounding verse, Charles R. Smith Jr. evokes the excitement of the crowd at Madison Square Garden as Major powered through exhaustion, hallucinations and racist abuse from fellow riders who tried to crash his bike throughout the competition. Leo Espinosa's dynamic illustrations capture the action, and as day six draws to a close and Major's odds narrow, there is little doubt that his triumphant rise and legacy as an international cycling champion are assured, whatever the outcome of one race.

in this high octane tribute to a trailblazing athlete **Marshall "Major" Taylor** Marlene Targ Brill, 2007-09-01 A biography of Major Taylor African American bicycle racer and one of his sport's first American stars
