

A MENTOR-OMEGA BOOK

THE FATHERS OF THE PRIMITIVE CHURCH

A treasury of the major writings of the early Christians—men for whom the miracle of Jesus was an event of the recent past. Selected and newly translated by

HERBERT A. MUSURILLO

With 8 pages of photographs of early Christian sites

The Fathers Of The Primitive Church

Herbert Musurillo (S.J.)

The Fathers Of The Primitive Church:

The Fathers of the Primitive Church Herbert Musurillo, 1966 The author has selected and newly translated the best and most contemporary of the primitive Christian writings Illustrated with photographs that he took on field trips to the sites of early Christian life this volume is both an introduction and a guide to a period when the events of the New Testament were a burning presence among men of great faith *The Live of the Fathers in the Primitive Church* CAVE, 1732 **The Early Christian Fathers** Henry Bettenson, 1969 *Founding the Fathers* Elizabeth A. Clark, 2011-04-12 Through their teaching of early Christian history and theology Elizabeth A Clark contends Princeton Theological Seminary Harvard Divinity School Yale Divinity School and Union Theological Seminary functioned as America's closest equivalents to graduate schools in the humanities during the nineteenth century These four Protestant institutions founded to train clergy later became the cradles for the nonsectarian study of religion at secular colleges and universities Clark one of the world's most eminent scholars of early Christianity explores this development in *Founding the Fathers* Early Church History and Protestant Professors in Nineteenth Century America Based on voluminous archival materials the book charts how American theologians traveled to Europe to study in Germany and confronted intellectual currents that were invigorating but potentially threatening to their faith The Union and Yale professors in particular struggled to tame German biblical and philosophical criticism to fit American evangelical convictions German models that encouraged a positive view of early and medieval Christianity collided with Protestant assumptions that the church had declined grievously between the Apostolic and Reformation eras Trying to reconcile these views the Americans came to offer some counterbalance to traditional Protestant hostility both to contemporary Roman Catholicism and to those historical periods that had been perceived as Catholic especially the patristic era **The Fathers of the Church, 3rd Edition** Mike Aquilina, 2013-09-25 We hear the voices of the early Church Fathers even today Their teachings their guidance their insights and their sacrifice shaped the Catholic Church They defined the canon of Scripture They developed our creeds and forms of worship They defined Christianity's distinctive moral sense But who were they What can we learn from their ancient teachings What can the Fathers teach the 21st century about holiness culture faith and the Gospel This is the definitive resource for anyone interested in learning about the Church Fathers and their legacy Ideal for RCIA catechists clergy as well as lay Catholics who want to learn more about the great teachers of early Christianity In this new and extensively updated Third Edition you'll find New Twenty Church Fathers never before covered in this series Nearly 75 more pages of information on the early Church New Many poets of ancient Christianity whose hymns we still sing today An extensively revised introduction The Mothers of the Church and their impact Research friendly references and citations topical index timeline and detailed bibliography **The Fathers of the Primitive Church** Herbert Musurillo (S.J.), 1966 **Friendship and the Fathers: How the Early Church Evangelized** Mike Aquilina, 2021-05-07 For the Church Fathers friendship was at the heart of the Gospel It was the way to salvation and the most effective means of

evangelization God had taken flesh in order to befriend mankind Jesus had called his Apostles friends The first Christians in turn spread salvation through friendships of their own Evangelizing the world was done through one friend bringing another into the Church where both could be friends with God Friendship and the Fathers brings together for the first time the Fathers doctrine and stories of friendship mostly in their own words You ll meet many giants of the early Church including Minucius Felix and walk with him as he brings a pagan friend to faith Basil and Gregory best friends from school whose friendship was shattered and then restored Ambrose who encouraged his clergy to cultivate strong friendships Augustine whose grief for a lost friend led him to profound insights and whose friendship with St Jerome was fraught with emotional baggage Rabanus Maurus the great biblical commentator and writer of hymns whose counsels on friendship have never before appeared in English *A Guide to the Teachings of the Early Church Fathers* Robert R. Williams, 2020-06-09 The Christian Church has continually looked to its beginnings to discover new insights and new strength for the present Today the interest in early Christianity and its leaders is as lively as it ever was Those who know these early days never tire in calling today s Church back to the Scriptures and the Spirit directed history of the Church In this book Dr Williams has given the preacher teacher and concerned layman a very readable concise and helpful guide to the teachings of the early Church leaders He communicates the exciting quality of Christian theology as it came to expression in the thought and life of men to whom the Christian Church today is greatly in debt and from whom with humility it can continue to learn and find inspirations The early Church Fathers were concerned in the words of the Apostle Peter to make a defense to anyone who called them to account for the hope that was in them They were concerned as the Church is today to understand the faith for themselves and to explain it to those outside the Church Their answers to the following problems are still relevant the relationship of God to all the world redemption the Trinity the person of Christ the relationship between God s will and man s and the problem of church and state Today the Church still possesses the faith that overcomes the world and seeks to practice that faith in all of life Twentieth century Christians can be strengthened in that possession and practice through an acquaintance with the teachings of the early Church Fathers This book will guide them PATRISTIC STUDY Henry Barclay Swete, Edward D. Andrews, 2020-11-06 Patristic Study concentrates almost solely on the Fathers of the first five centuries After reviewing these writers Dr Swete proceeds in the closing chapters to recommend ways of applying the work of the Fathers for the objectives of those in different religious and theological studies Patristic Study endeavors to draw the attention of the reader to the enormous storehouse of wisdom which are found in the writings of the Fathers of the ancient church Pillars of Christian thought in the early Christian life the Church Fathers are still extremely important As Henry Barclay Swete states The Fathers in the stricter sense of the term are the great champions of orthodox belief Andrews will give the readers a thrilling account of first century Christianity When and how did they come to be called Christians The Holy Spirit in first century Christianity *The Lives of the Fathers in the Primitive Church* William Cave, 1732

Unveiling the Magic of Words: A Review of "**The Fathers Of The Primitive Church**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
