The Films Of Marlon Brando:

The Films of Marlon Brando Bruce Braithwaite,1982 **The Films of Marlon Brando** Tony Thomas,1973 **Films of Marlon Brando** Tony Thomas,1991-05 *The Films of Johnny Depp* William B. Parrill,2017-02-10 Since his rise to fame in the television series 21 Jump Street in 1987 and his subsequent transition to film acting Johnny Depp has received constant criticism for his choice of roles at least until his popular turn in the Pirates of the Caribbean series This book aims to reveal the ways in which Depp s choices of film roles though often considered eccentric allowed him to develop into the representative film actor of his time It organizes all of Depp s films chronologically narrating in the process his transition from underestimated teenage pretty boy to bona fide Hollywood hotshot Along the way the book addresses Depp s relationship to earlier film actors especially to Marlon Brando and the silent comics the influence of Depp s androgynous sexuality on both his choice of roles and his acting and his relationships with directors Terry Gilliam and Tim Burton **The Films of Fred Zinnemann** Arthur Nolletti,1999-06-24 Fred Zinnemann celebrated director of such classic films as High Noon From Here to Eternity and A Man for All Seasons is studied here in a book length work for the first time Zinnemann s fifty year career includes twenty two feature films which are characterized by an unshakable belief in human dignity a preoccupation with moral and social issues a warm and sympathetic treatment of character and consummate technical artistry In discussing such issues as the role of Zinnemann s documentary aesthetic throughout his career the relationship between his life and his art his use and construction of history and the central importance of women characters in his films The Films of Fred Zinnemann lends new perspectives to the work of a major filmmaker and makes a significant contribution to the study of American cinema **The Films of Harrison Ford** Lee Pfeiffer,Michael Lewis,2002 Traces the films of Harrison Ford from his debut in Dead Heat on a Merry Go Round through his success as Han Solo and Indiana Jones to his roles in The Fugitive Air Force One This title has a 5 star Amazon review *The Films of John G. Avildsen* Larry Powell,Tom Garrett,2013-12-19 The life and work of American director John G Avildsen is thoroughly examined in this detailed filmography and critical study Each of the most significant films made by the Oscar winning Avildsen is given a separate chapter including such critical successes as Joe and Save the Tiger and box office blockbusters Rocky and its sequels and the Karate Kid series The authors observations on these and other titles some well known others less familiar are enhanced by extensive production notes and by commentary from John G Avildsen himself Cinema historian Jean Bodon of Sam Houston State University provides a foreword *The Films of Jess Franco* Antonio Lázaro-Reboll,Ian Olney,2018-08-20 The Films of Jess Franco seeks to address the scholarly neglect of this legendary cult director and to broaden the conversation around the director s work in ways that will be of interest to fans and academics alike *The Direct Cinema of David and Albert Maysles* Jonathan B. Vogels,2010-08-20 Boldly signifying the cultural issues of the 1960s and 1970s in groundbreaking pieces such as Grey Gardens Gimme Shelter and Showman filmmakers and brothers David and Albert Maysles used an approach to

documentary film that involved spontaneous observation of naturally occurring events With no rehearsed footage and no preconceived plots their revolutionary work eschewed the authoritative voice over narrator didactic scripts and the traditional problem and solution format used by the majority of their predecessors in the genre and duly influenced subsequent directors in both fiction and nonfiction film Their collaboration from 1962 until David s death in 1987 wrought thirteen major works in which the brothers critiqued the concept of celebrity with unglamorous footage of iconic figures explored how commercialism hinders communication and questioned the possibility of seeing anything clearly in a world abounding with both real and constructed images Jonathan B Vogels outlines how the Maysles brothers blended a unique amalgam of direct cinema characteristics a modern humanist aesthetic and a collaborative working process that included other directors and editors Looking at the films as both shapers and reflections of American culture he points out that the works offer insights into a wide range of contemporary topics including materialism celebrity modern art and the American family In addition to describing the changes in technology that made direct cinema possible Vogels provides careful scene by scene analyses that allow for a consideration of the Maysles brothers films as films a tactic not frequently employed in nonfiction film studies *Heritage Vintage Movie Poster Signature Auction 2005 Catalog #624* Ivy Press,2005-10

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
