straying dangerously close to establishing a permanent place for themselves among football's nowhere men. Within five years Brian Clough had turned an unfashionable and depressed club into the kings of Europe, beating everyone in their way and knocking Liverpool off their perch long before Sir Alex Ferguson and Manchester United had the same idea. This is the story of the epic five year journey that saw Forest complete a real football miracle and Clough brilliantly restore his reputation after his infamous 44 day spell at Leeds United. Forest won the First Division championship, two League Cups and back to back European Cups and they did it incredibly with five of the players Clough inherited at a club that was trying to avoid relegation to the third tier of English football. I Believe In Miracles accompanies the critically acclaimed documentary and DVD of the same name. Based on exclusive interviews with virtually every member of the Forest team, it covers the greatest period in Clough's extraordinary life and brings together the stories of the unlikely assortment of free transfers, bargain buys, rogues, misfits and exceptionally gifted footballers who came together under the most charismatic manager there has ever been.

Dreams, Ghosts and Miracles CB Floyd, 2009-01-15 Who is CB Floyd? Ayn Rand in the very first sentence on the very first page of her bestselling novel *Atlas Shrugged* asked this now immortal question: Who is John Galt? Almost 50 years later it is my prediction that the world will soon be asking with similar fervor: Who is CB Floyd? Well, who is CB Floyd? Poet, musician, composer, author, master repairman, cartoonist, part time psychic and a master storyteller to boot. I met CB Floyd in high school when I was 15 and he quickly became my best friend. *Dreams, Ghosts and Miracles* is the first in a series which relates the autobiographical accounting of the amazing life of CB Floyd and I am sure you will find it both fascinatingly interesting and wonderfully inspiring. I've read it many many times now and I love this book completely. His insight into his own problems and subsequently the problems of the world as told in an amiable and informal manner is certain to bring you hours of enjoyment and real hope that someone might actually know something about what is going on here on planet Earth. Treat this like an adventure and you won't be disappointed. Bon Voyage.
