The Fire In His Hands:

The Fire in His Hands Glen Cook,2013-07-26 Once a mighty kingdom reigned but now all is chaos In the vast reaches of the desert a young heretic escapes certain death and embarks on a mission of madness and glory He is El Murid the Disciple who vows to bring order prosperity and righteousness to the desert people of Hammad al Nakir After four long centuries El Murid is the savior who is destined to build a new empire from the blood his enemies But all is not as it seems and the sinister forces pulling the strings of empire come into the light Who and what lies behind El Murid s vision of a desert empire The first book in the A Fortress in Shadow book **The Fire-Gods** Captain Charles Gilson,2020-07-21 Reproduction of the original The Fire Gods by Captain Charles Gilson *Through the Fire* Seressia Glass,2010-04-01 In this sequel to Three Wishes Brandt Hughes brother of Maya Hughes is consumed by guilt from the deaths of this wife and young son four years ago Every day is a battle for survival a battle that he s not sure he wants to win When his former commanding officer calls for a favor Brandt readily accepts not realizing this choice is about to change his life forever His journey to the South Florida town of Serena Bay is about something more than helping to renovate and old mansion It s about meeting the one woman whose love can save him **Where Is the Fire of the Book of Acts?** Roy Pitre,2007 Pitre presents a scriptural study of the difference between the modern day church and the Church of Acts He discusses how Gods plan for His Church was centered on believers being in a relationship with Him it was never Gods plan to establish a religion Biblical Studies **Through the Fire (First Responders Book #1)** Shawn Grady,2009-07-01 Firefighting burns in Aidan O Neill s blood The son of a fireman O Neill has a sixth sense about fire and often takes dangerous risks When one act of disobedience nearly gets a rookie killed O Neill is suspended His weeks off are supposed to be a time to reflect but instead he escapes to Mexico where another rash act of bravery actually kills him But only for a few minutes Called back to Reno he s now haunted by visions of hell and paralyzed in the face of fire And at the worst time because an arsonist is targeting Reno With a growing love interest with one of the investigators complicating everything Aidan must discover where his trust rests as the fires creep ever closer

Shoutin' in the Fire Danté Stewart,2021-10-12 A stirring meditation of being Black and learning to love in a loveless anti Black world Only once in a lifetime do we come across a writer like Dant Stewart so young and yet so masterful with the pen This work is a thing to make dungeons shake and hearts thunder Robert Jones Jr New York Times bestselling author of The Prophets In Shoutin in the Fire Dant Stewart gives breathtaking language to his reckoning with the legacy of white supremacy both the kind that hangs over our country and the kind that is internalized on a molecular level Stewart uses his personal experiences as a vehicle to reclaim and reimagine spiritual virtues like rage resilience and remembrance and explores how these virtues might function as a work of love against an unjust unloving world In 2016 Stewart was a rising leader at the predominantly white evangelical church he and his family were attending in Augusta Georgia Like many young church leaders Stewart was thrilled at the prospect of growing his voice and influence within the community and he was

excited to break barriers as the church's first Black preacher. But when Donald Trump began his campaign, so began the unearthing. Stewart started overhearing talk in the pews, comments ranging from microaggressions to outright hostility toward Black Americans. As this violence began to reveal itself en masse, Stewart quickly found himself isolated. Amid a people unraveled, this community of faith became the place where he and his family now found themselves most alone. This set Stewart on a journey, first out of the white church and then into a liberating pursuit of faith by looking to the wisdom of the saints that have come before, including James H. Cone, James Baldwin, and Toni Morrison, and by heeding the paradoxical humility of Jesus himself. This sharply observed journey is an intimate meditation on coming of age in a time of terror. Stewart reveals the profound faith he discovered even after experiencing the violence of the American church, a faith that loves Blackness, speaks truth to pain and trauma, and pursues a truer, realer kind of love than the kind we're taught. A love that sets us free.

Luka and the Fire of Life Salman Rushdie, 2011-09-20

You've reached the age at which people in this family cross the border into the magical world. It's your turn for an adventure, yes, it's finally here. So says Haroun to his younger brother, twelve-year-old Luka, in Salman Rushdie's thrilling, delightful, lyrically crafted fable for the young and young at heart. The adventure begins one beautiful starry night in the land of Alifbay, where a terrible thing happens: Luka's father, Rashid, the legendary storyteller of Kahani, falls suddenly and inexplicably into a sleep so deep that nothing and no one can rouse him. To save him from slipping away entirely, Luka must embark on a journey through the world of magic with his loyal companions, Bear the dog and Dog the bear, as they encounter a slew of fantastical creatures, strange allies, and challenging obstacles along the way, all in the hopes of stealing the Fire of Life, a seemingly impossible and exceedingly treacherous task.

Staring Into the Fire: A Celtic Story Loretta Santoro, 2018-11-29

Staring Into the Fire: A Celtic Story By Loretta Santoro In the old days, before the ice, people talked to the spirits directly. In time, people narrowed their focus and forgot how to do that. There were few left who could do it, the truthsayers, mostly, but even they had forgotten how to read the stones. So when it came to predicting the future, they couldn't see very far. They did confirm that the rumors about an imminent invasion by the southern empire were true. How the people dealt with this news was up to each of them. Most would fight, of course, and those who wouldn't or couldn't hoped the invaders would treat them fairly. Meelah would fight. As any warrior would. But she is also a widowed mother and the daughter of a truthsayer, conflicting duties with conflicting purposes. With a clash of cultures looming over her, she begins to question her ways and decide for herself what parts are worth saving. As she searches for the ultimate truth, she concludes that the best she can do is to find her own truth, because in the end, her own truth is all that she can take with her.
