The Fires Of Sinhala:

The Fires of Sinhala Colin De Silva, 1986 **Religious Radicalization and Securitization in Canada and Beyond**

Paul Bramadat, Lorne Dawson, 2014-09-17 After the terrorist attacks of 9 11 those in London and Madrid and the arrest of the Toronto 18 Canadians have changed how they think about terrorism and security As governments respond to the potential threat of homegrown radicalism many observers have become concerned about the impact of those security measures on the minority groups whose lives are securitized In *Religious Radicalization and Securitization in Canada and Beyond* Paul Bramadat and Lorne Dawson bring together contributors from a wide range of academic disciplines to examine the challenges created by both religious radicalism and the state s and society s response to it This collection takes a critical look at what is known about religious radicalization how minorities are affected by radicalization from within and securitization from without and how the public media and government are attempting to cope with the dangers of both radicalization and securitization *Religious Radicalization and Securitization in Canada and Beyond* is an ideal guide to the ongoing debates on how best to respond to radicalization without sacrificing the commitments to multiculturalism and social justice that many Canadians hold dear **Pain, Pride, and Politics** Amarnath Amarasingam, 2015

Amarasingam analyzes the reactions of diasporic Tamils in Canada at a time when the separatist Tamil movement was being crushed by the Sri Lankan armed forces His work provides an in depth examination of how a separatist sociopolitical movement beginning in Sri Lanka is carried forward altered and adapted by the diaspora **The Cult of the Goddess Pattini** Gananath Obeyesekere, 1987-01-01 Pattini goddess virgin wife and mother folk deity of Sinhala Buddhists and Jains and assimilated goddess of the Hindu pantheon has been worshiped in Sri Lanka and South India for fifteen hundred years or more as she still is today This long awaited book is the culmination of Gananath Obeyesekere s comprehensive study of the Pattini cult and its historical sociological and psychoanalytical role in the culture of South Asia A well known anthropologist and a native of Sri Lanka Obeyesekere displays his impeccable scholarship and a stunning range of theoretical perspectives in this work the most detailed analysis of a single religious complex in South Asian ethnography and possibly in all of anthropology Since 1955 Obeyesekere has observed and participated in modern performances of the rituals of worship healing and propitiation in the Pattini cult particularly the postharvest ritual known as the gammaduva He presents detailed texts of the gammaduva placing them in their historical and mythic traditions Using the texts he formulates a cultural analysis of the Buddhist pantheon and a critique of empiricist notions of South Asian historiography Obeyesekere shows that some seemingly historical figures of South India and Sri Lanka are mythic characters and that their historical significance can best be understood by an anthropological analysis of myth rather than through a reification of myth in history The concurrent Hindu worship of Pattini with its myths and rituals is described in detail Obeyesekere documents the Sanskritization of Pattini the changing physical structures of the goddess s shrines from the 1930s to the present the assumption by Brahman priests of ritual functions

formerly carried out by folk priest and the sociocultural causes of these changes He traces too the origins and diffusion of the cult throughout its entire history as well as its survival today Of psychological interest is the problematic status of Pattini as virgin wife and mother and her relationship with her god husband Palanga and his courtesan Madevi Obeyesekere discusses the psychodynamics of this relationship in detail and explains its role in Hindu Buddhist socialization and family structure Further he uses this analysis to account for local variations in the performance and structure of the ritual The ritual of the killing and resurrection of Pattini s husband and her role as mater dolorosa will interest scholars of comparative religion

War and Peace in Post-colonial Ceylon, 1948-1991 Adrian Wijemanne,1996 This Book Discusses The Moral And Practical Viability Of A Unitary State In The Face Of The Competing Nationalisms In Sri Lanka Tracing The Events From 1948 To 1991 The Author Shows How The Present Crisis Is The Result Of An Imperfect Understanding Of The Nature Of The Nation State The Unitary State And The Rights And Aspirations Of Ethnic Minorities Within A State So Conceived A Legacy Inherited From Colonialism He Argues That In Sri Lanka Manipulation Of The Media And Misrepresentation Of Facts Have Resulted In The Conception Of Tamil Nationalist Aspirations As Criminal And The People Involved Being Demonized As Terrorists

Buddhist Fundamentalism and Minority Identities in Sri Lanka Tessa J. Bartholomeusz,Chandra R. de Silva,1998-07-10 This examination of Sri Lanka s ethnic and religious minorities links the past with the present through a treatment of Sinhala Buddhist fundamentalist development in the late nineteenth century and its hegemony in the late twentieth

Buddhist Extremists and Muslim Minorities John Holt,2016 This collection of essays investigate the history and current conditions of Buddhist Muslim relations in Sri Lanka in an attempt to ascertain the causes of the present conflict It is a much needed timely commentary that can potentially shift the standard narrative on Muslims and religious violence

Enduring violence Rebecca Walker,2018-09-30 Located in the war torn eastern province of Sri Lanka this book provides a rich ethnography of how Tamil speaking communities in Batticaloa live through and make sense of a violence that shapes everyday life itself The core of the book comes from the author s two year close interaction with a group of mainly women human rights activists in the area The book describes how the activists work in clandestine informal ways to support families whose loved ones have been threatened disappeared or killed and how they build networks of trust within the context of everyday violence As Sri Lanka faces up to the enormity of the task of post war reconciliation this book aims to create a wider conversation about grief resistance and healing in the context of violence and its long afterlife

Sri Lanka and the Responsibility to Protect Damien Kingsbury,2012-03-12 This book is about the issues and challenges facing the

implementation of the Responsibility To Protect principle in the case of Sri Lanka where the Tamil Tigers have been fighting to create a separate state
