The Flintlock Its Origin Development:

The flintlock Torsten Lenk,1963 **The Flintlock** Torsten Lenk,2007-04-17 Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Flintlock** Torsten Lenk,1980-12 General Richard Montgomery and the American Revolution Hal T Shelton,1994-01-01

The first full length biography of the British soldier who went on to become a major general in the Continental Army Brave humane and generous still he was only a brave humane and generous rebel curse on his virtues they ve undone this country British MP Lord North upon hearing of General Richard Montgomery s death in battle against the British At 3 a m on December 31 1775 a band of desperate men stumbled through a raging Canadian blizzard toward Quebec The doggedness of this ragtag militia consisting largely of men whose short term enlistments were to expire within the next twenty four hours was due to the exhortations of their leader Arriving at Quebec before dawn the troop stormed two unmanned barriers only to be met by a British ambush at the third Amid a withering hail of cannon grapeshot the patriot leader at the forefront of the assault crumpled to the ground General Richard Montgomery was dead at the age of thirty seven Montgomery who captured St John and Montreal in the same fortnight in 1775 who upon his death was eulogized in British Parliament by Burke Chatham and Barr and after whom sixteen American counties have been named has to date been a neglected hero Written in engaging accessible prose General Richard Montgomery and the American Revolution chronicles Montgomery s life and military career definitively correcting this historical oversight once and for all Shelton s well written book will be of interest to any student of the American Revolution The Houston Chronicle

Almanac of American Military History Spencer C. Tucker,2012-11-21 This almanac provides a comprehensive chronological overview of all American military history serving as the standard reference work of its type Almanac of American Military History is yet another reference work from acclaimed historian Dr Spencer C Tucker and ABC CLIO offering an unprecedented resource for a wide range of students and researchers A comprehensive four volume title this almanac traces all of American military history from the European voyages of discovery through 2011 chronicling the pivotal moments that have shaped the United States into the country it is today In addition to documenting key events this title presents biographies of more than 250 key individuals and provides information on more than 250 historically significant technologies and weapons systems A detailed glossary is included as are discussions of ranks and military awards and decorations Divided into conflict periods each chapter includes a detailed chronology reference entry sidebars statistical information primary source documents and a bibliography The Gun and Its Development William Wellington

Greener,1885 **A Guide to the Sources of British Military History** Robin Higham,2015-10-05 Designed to fill an overlooked gap this book originally published in 1972 provides a single unified introduction to bibliographical sources of British military history Moreover it includes guidance in a number of fields in which no similar source is available at all giving information on how to obtain access to special collections and private archives and links military history especially during peacetime with the development of science and technology *Loyal Service* Bernd Horn,Roch Legault,2007-02-28 Loyal Service examines the service of a number of French Canadian leaders and their contributions to the nation during times of peace crisis and conflict from New France to the end of the twentieth century **A Global Chronology of Conflict** Spencer C. Tucker,2009-12-23 This monumental six volume resource offers engaging entries of major diplomatic military and political events driving world conflicts from ancient times to the present Now from ABC CLIO long regarded as a premier publisher of military history comes a monumental resource that encapsulates the entire scope of conflict among human societies Spanning nearly five millennia from the earliest documented fighting to the present A Global Chronology of Conflict From the Ancient World to the Modern Middle East provides a comprehensive survey of major military events With coverage that reaches beyond the battles this work examines the political and diplomatic forces driving world conflicts revolutions forced changes of governments international treaties and acts of aggression and terrorism Written by acclaimed military historian Spencer C Tucker these six chronologically organized volumes offer an accessible richly detailed timeline of military conflict across human history The concise entries cover all important events on the battlefield and in the corridors of power with special features highlighting hundreds of key leaders and weapon systems From specific data on casualties to coverage of evolving weapons technology to insightful analyses of the social impact of war A Global Chronology of Conflict is an essential resource for students researchers history buffs and general readers alike **Instruments of War** Spencer C. Tucker,2015-07-28 This highly detailed and well illustrated single volume work documents the evolution of warfare across history through weaponry and technological change In war the weapons and technologies employed have direct effects on how battles are waged When new weapons are introduced they can dramatically alter the outcomes of warfare and consequently change the course of history itself This reference work provides a fascinating overview of the major weapon systems and military technologies that have had a major impact on world history Addressing weapons as crude as the club used by primitive man to the high tech weapons of today such as unmanned drones Instruments of War Weapons and Technologies That Have Changed History offers nearly 270 profusely illustrated entries that examine the key roles played by specific weapons and identify their success and failures The book begins with an introductory essay that frames the subject matter of the work and discusses the history of weapons as a whole The text is concise and accessible to general readers without extensive backgrounds in military history yet provides the detailed information necessary to convey the complexity of the evolution of warfare through technological change
