Sussman, Suzanne K. Steinmetz, Gary W. Peterson, 2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and

consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p *Kristin Hannah's Family Matters 4-Book Bundle* Kristin Hannah,2013-09-16 1 New York Times bestselling author Kristin Hannah is superb at delving into her main characters psyches and delineating nuances of feeling The Washington Post Book World The novels in this eBook bundle contain some of her most beloved characters in stories that explore the resilience of the human spirit the triumph of hope and the meaning of home ANGEL FALLS An all night reading affair you won t be able to put it down Angel Falls will make you laugh and cry New York Post When Mikaela Campbell beloved wife and mother falls into a coma it is up to her husband Liam to hold the family together and care for their grieving frightened children Every day he sits at Mikaela s bedside hoping against hope that she will wake up But then he discovers his wife s secret past a hidden first marriage to movie star Julian True Desperate to bring Mikaela back at any cost Liam must turn to Julian for help But will that choice cost Liam his wife his family and everything he holds dear BETWEEN SISTERS Enormously entertaining Hannah has a nice ear for dialogue and a knack for getting the reader inside characters heads The Seattle Times Twenty seven years ago Meghann Dontess was forced to make a terrible choice one that cost her the love of her sister Claire Now Meghann is a hotshot divorce attorney who doesn t believe in much of anything She is surprised when her sister calls out of the blue to say she is engaged Meghann knows this is her chance to reconnect with her sister She offers to plan the ceremony but Claire knows that pleasing her judgmental sister is almost impossible Nothing seems to work between them until tragedy strikes At last these two sisters with nothing in common will have to become what they never were a family THE THINGS WE DO FOR LOVE Hannah captures the joy and heartache of family as she draws the reader into the lives of her characters and makes them feel like personal friends Booklist Years of trying unsuccessfully to conceive a child have broken more than Angie DeSaria s heart Following a painful divorce she moves back to her hometown where life rises and falls like the tides to manage her family s restaurant Her fortune changes yet again when she hires Lauren Ribido Angie sees something special in the troubled seventeen year old and when Lauren s mother abandons her Angie offers the girl a place to stay But nothing could have prepared Angie for the far reaching repercussions of this act of kindness MAGIC HOUR A wonderful novel wild radiant and vivid Luanne Rice From deep within the Olympic National Forest nearly a million acres of impenetrable darkness a six year old girl appears wild looking and alone Child psychiatrist Dr Julia Cates is determined to free the extraordinary girl she calls Alice from a prison of unimaginable isolation The child can t speak and seems to have never been around people As Julia seeks to help Alice she discovers who the child is The shocking facts about Alice s past test the limits of Julia s faith and strength even as she struggles to make a home for Alice and for herself *Handbook of World Families* Bert N.
