Johnny Mullens,Susan Shorter,2013-05-03 Johnnys family looked forward to their annual camping trip to Bull Creek Campground The week long camping trip has been planned for months because of when Johnnys dad could take his vacation from work The campground has pretty natural scenery but also has a history of flooding The family camping trip could also be the same time as a flood Johnny his sister Sandy and his parents prepare in case of a flood When the flood happens because of their planning they are able to make it safely out of the campground and help others When someone needs to be rescued in a flood or other natural disaster their rescuer is in danger trying to rescue them This story provides some safety ideas so that a family may be able to help themselves and others before the flood happens The best way to avoid being a flood victim is to have a plan before the flood Family Camping Charlie Ess,2020-05-01 The ultimate camping handbook
