The Far Morning:

Again the Far Morning N. Scott Momaday, 2011-04-16 Although highly regarded as a writer of fiction nonfiction and drama N Scott Momaday considers himself primarily a poet This first book of his poems to be published in over a decade Again the Far Morning comprises a varied selection of new work along with the best from his four earlier books of poems Angle of Geese 1974 The Gourd Dancer 1976 In the Presence of the Sun 1992 and In the Bear s House 1999 To read Momaday s poems from the last forty years is to understand that his focus on Kiowa traditions and other American Indian myths is further evidence of his spectacular formal accomplishments His early syllabic verse his sonnets and his mastery of iambic pentameter are echoed in more recent work and prose poetry has been part of his oeuvre from the beginning The new work includes the elegies and meditations on mortality that we expect from a writer whose career has been as long as Momaday s but it also includes light verse and sprightly translations of Kiowa songs **The Far East and Australasia**

2003 Europa Publications, 2002 A unique survey of each country in the region It includes an extensive collection of facts statistics analysis and directory information in one accessible volume **Gift of the Morning** April Love, 2004-07 Cradled by the morning mist the Father discovers a rare and precious treasure but the babe is already dead Breathing life back into her lungs he names her Aurora for she is a gift of the morning and nourishes her with the healing water from the spring of life Though alive she spends the first thirteen years of her life fighting the dark sleep threatening to consume her But not even the dark sleep can extinguish the light of love and Aurora awakens in her Father s house She remembers nothing save the cold of darkness a black sea crashing its waves about her threatening to swallow her in its depths but it is love that buries the dark sleep deeper and deeper until it is nothing but a tiny speck in a sea of light Though the dark sleep is buried it cannot be vanquished for it is indeed a part of her After three years serving the Father behind enemy lines Aurora is lured by the darkness Seeking to discover the truth of her beginnings she sets off in search of herself in the isolated kingdom of her nativity But some truths are best left unknown **Military Situation in the Far East** United States. The Morning Star J R. Jones, 2010-10 The apocalypse has come and gone The seals have been broken the horns sounded and the bowls emptied God has passed judgment and created a new world for His faithful Eterni Settling the supervision of Zion in Archangel Mikael s loyal hands God leaves with a third of the angelic hosts to create some other reality universe world beings A thousand years pass in harmonic serenity but suddenly odd occurrences begin adding up producing an uneasiness in heaven An angel falls ill for the first time in eternity sinister sightings appear on Eterni and a new and unknowable prophecy is announced What had begun as the age of peace is quickly becoming anything but as unfolding events herald the return of the Morning Star Foreign Relations of the United States, 1948: The Far East: China , 1976 **The Gates of Morning and two more stories** H. De Vere Stacpoole, 2022-04-06 Excerpt from Gates of the Morning Dick standing on a ledge of coral cast his eyes to the South Behind him the breakers of the outer sea thundered and

the spindrift scattered on the wind before him stretched an ocean calm as a lake infinite blue and flown about by the fishing gulls the lagoon of Karolin Clipped by its forty mile ring of coral this great pond was a sea in itself a sea of storm in heavy winds a lake of azure in light airs and it was his he who had landed here only yesterday Women children youths all the tribe to be seen busy along the beach in the blazing sun fishing with nets playing their games or working on the paraka patches all were his people His were the canoes drawn up on the sand and his the empty houses where the war canoes had once rested on their rollers Then as he cast his eyes from the lagoon to the canoe houses his brow contracted and turning his back to the lagoon he stood facing the breakers on the outer beach and the northern sea Away there beyond the sea line invisible lay Palm Tree an island beautiful as a dream yet swarming with devils Little Tari the son of Le Taioi the net maker sitting on the coral close by looked up at him Tari knew little of life but he knew that all the men of Karolin swept away by war had left the women and the boys and the children like himself defenceless and without a man or leader Then yesterday from the northern sea in a strange boat and with Katafa the girl who had been blown to sea years ago when out fishing this strange new figure had come sent by the gods so the women said to be their chief and ruler The child knew nothing of whom the gods might be nor did he care alone now with this wonderful new person and out of earshot of his mother he put the question direct with all the simplicity of childhood
