

The Female Eunuch

Germaine Greer

The Female Eunuch:

The Female Eunuch Germaine Greer, 2024-01-17 The publication of Germaine Greer's *The Female Eunuch* in 1970 was a landmark event raising eyebrows and ire while creating a shock wave of recognition in women around the world with its steadfast assertion that sexual liberation is the key to women's liberation. Today Greer's searing examination of the oppression of women in contemporary society is both an important historical record of where we've been and a shockingly relevant treatise on what still remains to be achieved.

The Female Eunuch Germaine Greer, 1971 Germaine Greer takes aim at the subject of women: their cultural history, their psychological development, and their relationship to men. And what she puts forward as her central thesis is the original and provocative idea that as wives, employees, mothers, and lovers, women are not only still in bondage to men but are deformed by them, made into eunuchs. It is not that Greer is against men; she likes them very much, or that she thinks women should take violent action to secure their rights, but rather that every woman must come to know herself, her body, and her mind. Women must also learn, she argues, their own histories and must learn to share their experiences with one another until they understand, identify, and explicitly come to terms with the many psychological techniques of domination in and out of the home. From publisher description.

Summary of The Female Eunuch - [Review Keypoints and Take-aways] PenZen Summaries, 2022-10-08 The summary of *The Female Eunuch*, the landmark book in the history of the women's rights movement, presented here includes a short review of the book at the start, followed by a quick overview of main points and a list of important take-aways at the end of the summary. *The Summary of The Female Eunuch*, published in 1970, is an influential work that confronts the societal expectations that are preventing women from achieving their full potential. These ideas argue that it is the responsibility of womankind to create new definitions of femininity and to take ownership of their bodies, sex, and lives. Citation needed. The *Female Eunuch* summary includes the key points and important takeaways from the book *The Female Eunuch* by Germaine Greer. Disclaimer: 1. This is an unofficial summary and not intended to replace the original book. 2. In this summary, key points are rewritten and recreated, and no part of the text is directly taken or copied from the original book. 3. The purpose of this summary is to highlight the outline and ideas in the original book more effectively and to encourage readers to buy the original book. We recommend buying the excellent original book. 4. The author or publisher of this summary is not associated in any way with the author or publisher of the original book.

The Female Eunuch, 1971 *Female Eunuch* Germaine Greer, 1981-06-01 A feminist discusses the physical and psychological features of her sex, stressing the social significance of love and hate. **The Female Eunuch** Germaine Greer (journaliste et féministe australienne)., 1970 **The Whole Woman** Germaine Greer, 2009-04-22 Thirty years after the publication of *The Female Eunuch*, Germaine Greer is back with the sequel she vowed never to write. A marvelous performance. No feminist writer can match her for eloquence or energy; none makes us laugh the way she does. *The Washington Post*. In this thoroughly engaging new book, the fervent rollicking straight-shooting Greer is as ever the ultimate

agent provocateur Mirabella With passionate rhetoric outrageous humor and the authority of a lifetime of thought and observation she trains a sharp eye on the issues women face at the turn of the century From the workplace to the kitchen from the supermarket to the bedroom Greer exposes the innumerable forms of insidious discrimination and exploitation that continue to plague women around the globe She mordantly attacks lifestyle feminists who blithely believe they can have it all and argues for a fuller more organic idea of womanhood Whether it s liposuction or abortion Barbie or Lady Diana housework or sex work Greer always has an opinion and as one of the most brilliant glamorous and dynamic feminists of all time her opinions matter For anyone interested in the future of womanhood *The Whole Woman* is a must read **Critical Childhood**

Studies and the Practice of Interdisciplinarity Joanne Faulkner, Magdalena Zolkos, 2015-12-14 This book analyzes different figurations of childhood in contemporary culture and politics with a particular focus on interdisciplinary methodologies of critical childhood studies It argues that while the figure of the child has been traditionally located at the peripheries of academic disciplines perhaps most notably in history sociology and literature the proposed critical discussions of the ideological symbolic and affective roles that children play in contemporary societies suggest that they are often the locus of larger societal crises collective psychic tensions and unspoken prohibitions and taboos As such this book brings into focus the prejudices against childhood embedded in our standard approaches to organizing knowledge and asks is there a natural disciplinary home for the study of childhood Or is this field fundamentally interdisciplinary peripheral or problematic to notions of disciplinary identity In this respect does childhood force innovation in thinking about disciplinarity For instance how does the analysis of childhood affect how we think about methodology What role do understandings of childhood play in delimiting how we conceive of our society our future and ourselves How does thinking about childhood affect how we think about culture history and politics This book brings together researchers working broadly in critical child studies but from various disciplines in the humanities and social sciences including philosophy literary studies sociology cultural studies and history in order to stage a conversation between these diverse perspectives on the disciplinary or interdisciplinary character of the child as an object of research Such conversation builds on the assumption that childhood far from being marginal is a topic that is hidden in plain sight That is to say while the child is always a presence in culture history literature and philosophy and is often even a highly charged figure within those fields its operation and effects are rarely theoretically scrutinized but rather are more likely drawn upon surreptitiously for another purpose *Magritte* Alex Danchev, 2021-11-30

The first major biography of the pathbreaking perpetually influential surrealist artist and iconoclast whose inspiration can be seen in everyone from Jasper Johns to Beyonc by the celebrated biographer of C zanne and Braque In this thought provoking life of Ren Magritte 1898 1967 Alex Danchev makes a compelling case for Magritte as the single most significant purveyor of images to the modern world Magritte s surreal sensibility deadpan melodrama and fine tuned outrageousness have become an inescapable part of our visual landscape through such legendary works as *The Treachery of Images* *Ceci n est pas une*

pipe and his celebrated iterations of Man in a Bowler Hat Danchev explores the path of this highly unconventional artist from his middle class Belgian beginnings to the years during which he led a small brilliant band of surrealists and famously clashed with Andr Breton to his first major retrospective which traveled to the United States in 1965 and gave rise to his international reputation Using 50 color images and more than 160 black and white illustrations Danchev delves deeply into Magritte s artistic development and the profound questions he raised in his work about the very nature of authenticity This is a vital biography for our time that plumbs the mystery of an iconoclast whose influence can be seen in everyone from Jasper Johns to Beyonc

The Cambridge Guide to Women's Writing in English Lorna Sage,1999-09-30 This Guide aims to consolidate and epitomise the re reading of women s writing that has gone on in the last twenty five years This is an opportunity for stock taking a timely project when so much writing has been rediscovered reclaimed and republished There are entries on writers on individual texts and on general terms genres and movements all printed in a single alphabetical sequence The earliest written documents in medieval English the visionary writings of Julian of Norwich and Margery Kempe are covered in an historical and geographical sweep that takes us up to the present day The book reflects the spread of literacy the history of colonisation and the development of post colonial cultures using and changing the English language The entries are written by contributors from all the countries covered The result is a work of reference with a unique feeling for the vitality wealth and diversity of women s writing
