The Fiddling Man:

The Fiddling Man James Oliver Curwood, 2015-07-07 This early work by James Oliver Curwood was originally published in 1917 and we are now republishing it with a brand new introductory biography In the short story *The Fiddling Man* Sergeant Fitzgerald investigates a mysterious dead body that arrives at Northwest Mounted Police outpost barracks James Oliver Jim Curwood was an American action adventure writer and conservationist He was born on 12th June 1878 in Owosso Michigan USA In 1900 Curwood sold his first story while working for the *Detroit News Tribune* and after this his career in writing was made By 1909 he had saved enough money to travel to the Canadian northwest a trip that provided the inspiration for his wilderness adventure stories The success of his novels afforded him the opportunity to return to the Yukon and Alaska for several months each year allowing Curwood to write more than thirty such books Curwood's adventure writing followed in the tradition of Jack London Like London Curwood set many of his works in the wilds of the Great Northwest and often used animals as lead characters *Kazan Baree Son of Kazan* *The Grizzly King* and *Nomads of the North* Many of Curwood's adventure novels also feature romance as primary or secondary plot consideration This approach gave his work broad commercial appeal and helped drive his appearance on several best seller lists in the early 1920s His most successful work was his 1920 novel *The River's End* The book sold more than 100 000 copies and was the fourth best selling title of the year in the United States according to *Publisher's Weekly* He contributed to various literary and popular magazines throughout his career and his bibliography includes more than 200 such articles short stories and serializations Curwood was an avid hunter in his youth however as he grew older he became an advocate of environmentalism and was appointed to the Michigan Conservation Commission in 1926 The change in his attitude toward wildlife can be best expressed by a quote he gave in *The Grizzly King* that The greatest thrill is not to kill but to let live Despite this change in attitude Curwood did not have an ultimately fruitful relationship with nature In 1927 while on a fishing trip in Florida Curwood was bitten on the thigh by what was believed to have been a spider and he had an immediate allergic reaction Health problems related to the bite escalated over the next few months as an infection set in He died soon after in his nearby home on Williams Street on 13th August 1927

DjeDje uses geography to weave together a common thread by profiling the lives and contributions of Black fiddlers in various parts of the rural South and Midwest including the mountains and along the Atlantic and Gulf coasts In addition to exploring the extent that musical characteristics and aesthetics identified with African and European cultures were maintained or reinterpreted in Black fiddling she also investigates how the sharing of musical ideas between Black and white fiddlers affected the development of both traditions Most importantly she considers the contradiction in representation Historical evidence suggests that the fiddle may be one of the oldest uninterrupted instrumental traditions in African American culture yet most people in the United States including African Americans do not identify it with Black music

Bentley's Miscellany Charles Dickens, William Harrison Ainsworth, Albert Smith, 1847 *The Fiddler's Fakebook* David Brody, 1983-01-06 From the author's preface This book was conceived four years ago almost to the day at a time when I was teaching fiddle and mandolin in New York City It was my idea then with my students in mind to compile a book of the most often played most important and most interesting fiddle tunes from the various Celtic and North American traditions The tunes were chosen by cataloging a large number of recordings by tune title A tally was taken to find out which had been recorded most often This established a foundation of material that could not be left out To this list I added the names of other pieces which had not been recorded as frequently but which I knew were played regularly and with respect I admit to sprinkling the collection with a few lesser known tunes which happen to be personal favorites but I am sure they will hold their own when placed next to the old war horses of the fiddler's repertoire Although I started out with my students in mind this book has turned out to be the book that I've always wanted and I hope that it will serve the advanced player as well as the beginner
