

The Final Reflection The Starfleet Library Star Tek

Peter Morwood

The Final Reflection The Starfleet Library Star Tek:

The Final Reflection John M. Ford, 2000-09-22 Klingon Captain Krenn is a ruthless war strategist But on a mission to Earth Krenn learns a lesson in peace Suddenly he must fight a secret battle of his own His empire has a covert plan to shatter the Federation Only Krenn can prevent a war at the risk of his own life **The Final Reflection** John M. Ford, 1999 Klingon Capt Krenn is a ruthless war strategist But on a mission to Earth Krenn learns a lesson in peace when his empire hatches a covert plan to shatter the Federation Only Krenn can prevent a war at the risk of his own life **Rules of Engagement** Peter Morwood, 2000-09-22 Rules of Engagement A sudden revolution on the planet Dekkanar brings Captain Kirk and the U S S Enterprise running to evacuate Federation personnel trapped there But their orders from Starfleet are quite clear the U S S Enterprise is to assist in the evacuation no more No weapons are to be displayed no shields raised no shots fired Meanwhile halfway across the galaxy an experimental Klingon warship sets forth on a mission of its own a warship with hidden and heretofore undreamed of capabilities commanded by a warrior who will stop at nothing to bring glory to his Empire and restore his own lost honor the Klingon ship s destination The planet Dekkanar *Star Trek: Mirror Universe: The Sorrows of Empire* David Mack, 2009-12-29 One man can shape the future but at what cost In every revolution there is one man with a vision Captain James T Kirk of the United Federation of Planets spoke those prophetic words to Commander Spock of the Terran Empire hoping to inspire change He could not have imagined the impact his counsel would have Armed with a secret weapon of terrifying power and a vision of the alternate universe s noble Federation Spock seizes control of the Terran Empire and commits it to the greatest gamble in its history democratic reform Rivals within the empire try to stop him enemies outside unite to destroy it Only a few people suspect the shocking truth Spock is knowingly arranging his empire s downfall But why Have the burdens of imperial rule driven him mad Or is this the coldly logical scheme of a man who realizes that freedom must always be paid for in blood Spock alone knows that the fall of the empire will be the catalyst for a political chain reaction one that will alter the fate of his universe forever **Final Reflection #16** John Ford, 1984-01-01 Krenn a Klingon captain is changed by contact with human civilization and faces a test of conscience when he learns of a Klingon plan to destroy the Federation *Star Trek, History and Us* A.J. Black, 2021-04-12 Since 1966 the Star Trek television franchise has used outer space and the thrilling adventures of the crews of the U S S Enterprise to reflect our own world and culture Kirk and Spock face civil rights issues and Vietnam war allegories while Picard Data and the next generation seek an ordered post Cold War stability in the Reagan era The crews of Deep Space Nine Voyager and Enterprise must come to terms with our real life of war manifest destiny in the 21st century and the shadow of 9 11 Now as the modern era of the franchise attempts to portray a utopia amidst a world spinning out of control Star Trek remains about more than just the future It is about our present It is about us This book charts the history of Gene Roddenberry s creation across five decades alongside the cultural development of the United States and asks are we heading for the utopian Federation future

or is it slipping ever further away from reality **Star Trek: Mirror Universe: Glass Empires** David Mack,Greg Cox,Mike Sussman,Dayton Ward,Kevin Dilmore,2007-02-20 There are moments glimpsed only in shadow where darkness rules and evil incarnate thrives You hope against hope that in your lifetime evil is relegated to the shadows But what if it wasn't What if you lived in a universe where your life was measured only by what you could do for the Empire What would you do to survive Would you sell your soul to free yourself If you were offered the chance to rule would you seize it If you could free your universe from the darkness but only at the cost of your life would you pay that price Star Trek Enterprise she seized power in a heartbeat daring to place herself against all the overlords of the Empire Empress Hoshi Sato knows the future that could be now all she has to do is make sure it never happens For her to rule she must hold sway not only over the starship from the future but also over her warlords the resistance and her Andorian husband As quickly and brutally as Hoshi seized power imperial rule is taken from her Her only chance to rule again is to ally herself with a lifelong foe and an alien Star Trek One man can change the future but does he dare Spock intrigued by the vision of another universe's Federation does what no Vulcan no emperor has ever done seize power in one blinding stroke of mass murder And at the same instant he gains imperial power Spock sows the seeds for the Empire's downfall Is this a form of Vulcan madness or is it the coolly logical plan of a man who knows the price his universe must pay for its freedom Star Trek The Next Generation Humanity is a pitiful collection of enslaved indentured and abused peoples No one dares to question the order except at peril of their lives One man survives by blinding himself to the misery around him However Jean Luc Picard resists just once And in that one instant he unlocks a horror beyond the tyranny of the Alliance Can a man so beaten down by a lifetime of oppression stop the destruction **Star Trek:Final Reflection** John M. Ford,1984 **The Galactic Whirlpool** David Gerrold,1980 Beyond the realm of the Federation beyond the edge of the galaxy a lost colony of humans in space drifts inexorably toward the galactic whirlpool Kirk blazes new star trails to these strange people isolated for centuries Unless he can convince them that the Enterprise crew members are not demons they will be sucked into a churning one way funnel of doom **Star Trek 4** James Blish,1971 Six Assignments in Space and Time In the name of the Federation Council and the Starfleet Command Spock and the Enterprise crew grapple with A Silicon Based Monster An Interplanetary Spy An Amorous Amazon A Misguided Mobster Boss A Time Jumping Technician and the Mind Enslaving Elders of Talos IV in the Hugo Award Winning Episode Menagerie
