movement of the early 1960s the vision of a just humane and colorblind America a nation of black and white together animated by the spirit of mutual respect and strengthened by the bonds of brotherly love As Adam Gussow shows in this urgently needed new book the dream although pressured on every front remains alive At the heart of *My Family and I* is Gussow's determination in King's terms to live out the true meaning of America's creed a quest for transracial brotherhood that takes him from a blues partnership forged on the streets of 1980s Harlem through graduate training at Princeton and decades later a transformative course on the blues literary tradition that he shares with inmates at Mississippi's notorious Parchman Farm Anchoring Gussow's quest is a story of enduring love a playful soulful interracial romance between the newly hired professor at Ole Miss and his soon to be wife Sherrie that blossoms with the birth of a musically gifted son Shaun As America explodes with protest and riots in the summer of 2020 after the death of George Floyd as social justice fundamentalists insist on stigmatizing whiteness and hardening the color line rather than healing the divisions that plague us Gussow is forced to fight for what he loves not just the sanctity of his family circle but King's dream of beloved community *My Family and I* gifts the reader with hope for a future beyond America's seemingly insoluble racial dilemmas Obama Music Bonnie Greer, 2005-11-19 Potentially one of the best or at least one of the most intriguing Obama books to be published Robaroundbooks.com A mixture of anecdotes about the author's own growing up in one of America's most formidable Black communities mixed in with observations on the origins and progress of the music of the South Side gospel blues soul and jazz and Barack and Michelle Obama's relation to the sound of their community The Guardian Born and raised on the South Side of Chicago London based author and playwright Bonnie Greer seeks to demonstrate that Barack Obama's Presidency is what she calls a South Side Presidency And that it is only the South Side of Chicago with its history and culture and institutions that could have sent an African American in this day and age to the White House *Obama Music* is a mixture of anecdotes about her own growing up in one of America's most formidable Black communities mixed in with observations on the origins and progress of the music of the South Side gospel blues soul and jazz and Barack and Michelle Obama's relation to the sound of their community All of this is woven in with history ranging from the Great Migration at the end of World War One to the end of the 60's an era Obama himself has stated that he feels close to This is not a conventional history book nor a reporter on the campaign trail account *Obama Music* is one African American woman's account of watching from the other side of the ocean history being made a history rooted in the community of her birth right in her own home town Small opinionated personal anecdotal and full of music and insights this book can sit alongside the more heavyweight tomes as a footnote to the phenomenon that is *Obama Music* **Jazz Griots** Jean-Philippe Marcoux, 2012-06-27 This book studies how four representative African American poets of the 1960s Langston Hughes Umbra's David Henderson and the Black Arts Movement's Sonia Sanchez and Amiri Baraka engage in the tradition of griots in poetic dialogues with aesthetics music politics and Black History In so doing they narrate using jazz as meta language genealogies etymologies cultural legacies and

Black hi stories In intersecting and complementary ways Hughes Henderson Sanchez and Baraka fashioned their griotism from theorizations of artistry as political engagement and in turn formulated a Black aesthetic based on jazz performativity on a series of jazz infused iterations that form a complex pattern of literary musical historical and political moments in constant cross fertilizing dialogues with one another This form of poetic call and response becomes a definitional literary template for these poets as it allows both the possibility of intergenerational dialogues between poets and musicians and dialogic potential between song and politics between Africa and Black America between vernacular continuums in their poems
