The First Lincoln Campaign Reinhard Henry Luthin, 1964 The First Lincoln Campaign Reinhard H. Luthin, 2014-04-14 **Abraham Lincoln Campaign Newspapers 1860 - 1864** , 518 pages of Abraham Lincoln campaign newspapers from the elections of 1860 and 1864 Many newspapers at the time took specific and clearly partisan positions which were often reflected in the names of the newspaper The newspapers in this collection go beyond just a partisan political bias These newspapers were created and existed only to get Abraham Lincoln elected or re elected President then ceased publication after the election Election 1860 In 1860 there were three mainstream political parties in the United States Republican Democratic and the new Constitutional Union party The Democratic Party split into two over the issue of slavery making 1860 a four way race In 1860 Abraham Lincoln was the least known of all candidates seeking the nomination of the Republican Party Best known and leading the Republican pack was United States Senator former governor of New York and future United States Secretary of State William H Seward Second was Ohio governor and future United States Secretary of the Treasury Salmon P Chase Third was Missouri lawyer politician and future United States Attorney General Edward Bates Fourth was Horace Greeley founder and editor The New York Tribune former member of the U S House of Representatives from New York s 6th district and in 1872 the founder of the Liberal Republican Party Fifth was Illinois lawyer and former member of the U S House of Representatives from Illinois 7th district 1847 1849 Abraham Lincoln A former Whig party member Lincoln became engaged in Illinois state Republican Party politics in 1854 At the 1856 Republican National Convention the nominating process for the Vice President spot on the party s ticket ended with Lincoln coming in second place In 1858 Lincoln sought to replace the incumbent Democrat United States Senator from Illinois Stephen A Douglas The two clashed during a series of seven debates In 1858 United States senators were elected by their state legislatures Democrats won a slight majority of seats in the Illinois General Assembly in 1858 The legislature then re elected Douglas Despite his loss due to internal party politics Lincoln gained popular publicity from his performance during the Lincoln Douglas debates which allowed him to enter the pack of Republican candidates in 1860 One by one the Republican candidates fell away The consensus was that Greeley was too unpredictable Bates was too old and Chase did not possess political skills Lincoln won out over Seward Seward s outspokenness on the spread of slavery made many believe that was he too radical on the issue Lincoln was seen as a moderate when came to slavery also it was hoped that since he was from Illinois that he would appeal to voters in the west The Democratic Party split into two during its national convention in Charleston South Carolina in April 1860 The leading Democratic candidate was Illinois Senator Stephen Douglas Douglas advocated popular sovereignty where the majority within a state would decide if slavery was to exist in that state This angered most Southern Democrats who wanted the right to hold slaves guaranteed in the western territories and future states Delegates from eight southern states withdrew from the convention and nominated their own candidate Vice President

of the United States John C Breckinridge A group of conservative former Whigs along with Know Nothing party members and some Southern Democrats who were against succession joined to form the Constitutional Union Party In their platform they strongly spoke out against disunion and avoided the issue of slavery They nominated former United States Senator from Tennessee John Bell On Election Day Tuesday November 6 1860 Republican Lincoln received 39.9 percent of the popular vote Northern Democrat Douglas 29.5 percent Southern Democrat Breckinridge 18.1 percent and Constitutional Unionist Bell 12.5 percent In the Electoral College Lincoln received 180 electoral votes Breckinridge won 72 of the 303 total available electoral votes Election 1860 Newspaper The Freeport Wide Awake 52 pages of the Freeport Wide Awake constituting 13 issues dating from August 18 1860 to November 17 1860 This weekly campaign newspaper was published between the time of the Chicago Convention and after the election in November it supported Abraham Lincoln and Republican candidates The newspaper's slogan was No slumber till the battle is won Three other newspapers were published in 1860 with Wide Awake in their title in Providence De Witt Iowa and Akron Only one copy of any of the issues of these other Wide Awake newspapers is known to still be in existence In the 1850s the Republican Party organized marching clubs made up of young men across the United States In 1860 a number of Wide Awake Clubs were organized to support Abraham Lincoln The Wide Awakes adopted a paramilitary style Members wore black glazed hats oil cloth capes to protect themselves from flames and carried six foot long torches with a whale oil canister at its top Wide Awakes held rallies where they marched with their torches lit singing political campaign songs and reciting campaign slogans Also included in this collection is a four page circular produced by the Albany New York Republican Wide Awake Club regarding the uniform and the organization of the club Election 1860 Serial Tract Lincoln and Liberty 38 pages of the tract Lincoln and Liberty constituting 10 issues dating from June 19th 1860 to October 2 1860 This serial was published by the Young Men's Republican Union of the City of New York The Young Men's Republican Union sponsored a lecture given by Lincoln on February 27 1860 at the Cooper Union in New York City The Cooper Union speech would be regarded by many including eminent Lincoln scholar Harold Holzer as The Speech That Made Abraham Lincoln President Election 1860 Newspaper The Rail Splitter 24 pages of The Rail Splitter newspaper constituting 6 issues dating from June 23 1860 to October 27 1860 The Rail Splitter was a campaign newspaper in support of candidate Abraham Lincoln and the Republican Party in the presidential campaign of 1860 This newspaper was based in Chicago Illinois and published 18 weekly issues from June 23 1860 to October 27 1860 by publisher Charles Leib A different pro Lincoln newspaper also called the Rail Splitter was published in Cincinnati during the same time period In the first issue June 23 1860 Leib wrote this in the introduction to his newspaper We have in our Prospectus given the reasons that induced us to establish The Rail Splitter It is occasionally thrown into our teeth that in 1856 we labored earnestly for the election of James Buchanan and it is true We believed him to be an honest man and that he *he* in italics for emphasis would be President if elected We were however mistaken for he is the willing tool of the slavery propagandists who have put a

collar around his neck and will not even permit him to bark unless in their presence He finished his introduction by stating We are responsible for all articles that appear in The Rail Splitter and as this promises to be a warm and exciting campaign in which there will be a great deal of crimination and recrimination if we should incur the displeasure of any of the Democracy the term Democracy was often used at the time to refer the Democratic Party and its rule for telling the truth and they should feel aggrieved they can call at our office at 66 Randolph Street up stairs where we will be most happy to give them any satisfaction they may desire We will not however take back any statement we make of the truth of which we are satisfied Election 1864 The election of 1864 was disrupted by the Civil War Electoral votes were not counted from states in rebellion Tennessee and Louisiana under Union control chose Electoral College electors however Congress did not count their votes The Democrats in non rebellion states were divided between Peace Democrats and War Democrats The Republican Party in a move to appeal to Northern Democrats in favor of the war changed its name to the National Union Party for the 1864 election Lincoln was the Republican National Union Party nominee Union Major General George B McClellan was the Democratic Party nominee McClellan ran as a peace candidate McClellan was still a U S Army general on active duty during the campaign He did not resign his commission until Election Day McClellan campaigned on continuing the war and restoring the Union He was not seeking the abolition of slavery The former position differed from the Democratic Party platform which called for an immediate end to the war and negotiated settlement with the Confederacy The Democratic platform included the statement Resolved That this Convention does explicitly declare as the sense of the American people that after four years of failure to restore the Union by the experiment of war during which under the pretense of military necessity or war power higher than the Constitution the Constitution itself has been disregarded in every part and public liberty and private right alike trodden down and the material prosperity of the country essentially impaired justice humanity liberty and the public welfare demand that immediate efforts be made for a cessation of hostilities with a view to the ultimate Convention of all the States or other peaceable means to the end that at the earliest practicable moment peace may be restored on the basis of the Federal Union of the States Lincoln had strong doubt that he would be re elected President The last President to be re elected was Andrew Jackson in 1832 Military victories during the fall of 1864 boosted President Lincoln s popularity On Election Day November 8 1864 only 4 percent of the votes casted were by servicemen Each state decided how they would handle voting by members of the military Only seven states California Kansas Kentucky Maine Michigan Rhode Island and Wisconsin allowed servicemen to vote Many servicemen would have been happy to see the election end the war However it is believed that most thought that ending the war would mean that their sacrifices would have been in vain Many soldiers wrote to family members urging them to vote for Lincoln Election Day results saw Lincoln winning 55% of the popular vote approximately 403 000 votes Lincoln received 30 503 75 8 percent of the votes cast by soldiers Since the last election in 1860 the Electoral College added three new states Kansas West Virginia and Nevada all

free soil states In the Electoral College Lincoln received 212 of the 233 votes Lincoln won all but 3 of the 25 states convening in the Electoral College losing New Jersey Delaware and Kentucky Election 1864 Newspaper The Campaign Dial 404 pages of The Campaign Dial newspaper consisting of all 51 issues published The paper was published from September 8 1864 to November 5 1864 The Campaign Dial had higher production value than other campaign newspapers of the era It was published daily except on Sunday At a time when many major newspapers were only 4 pages The Campaign Dial was 8 pages The front page of most issues contained an illustration Download for free the 38 page paper written by historian Gary L Bunker for the Journal of the Abraham Lincoln Association concerning The Campaign Dial at The Campaign Dial A Premier Lincoln Campaign Paper 1864 by Gary L Bunker pdf It contains a week by week analysis of the content of the newspaper Election 1860 Newspaper The Kentucky Campaign In addition to the 518 pages described above this collection includes 24 pages 3 issues of the Southern Democrat campaign newspaper The Kentucky Campaign which was in support of John C Breckinridge for president The slogan of the newspaper was a Breckinridge quote The constitution on equality of the States These are symbols of everlasting union Let these be the rally cry of the people [Presidential Campaigns](#) Paul F. Boller Jr.,2004-07-22 Were presidential campaigns always as bitter as they have been in recent years Or is the current style of campaigning a new political development In this revised and updated edition of Presidential Campaigns the answers to these questions are clear the race for the presidency although at times mean and nasty has always been an endlessly entertaining and highly charged spectacle for the American public This book unveils the whole history of American presidential elections from the seamless ascent of General George Washington to the bitterly contested election of George W Bush bringing these boisterous contests to life in all their richness and complexity In the old days Boller shows campaigns were much rowdier than they are today Back in the nineteenth century the invective at election time was exuberant and the mudslinging unrestrained a candidate might be called everything from a carbuncle faced old drunkard to a howling atheist But there was plenty of fun and games too with songs and slogans speeches and parades all livening up the scene in order to get people to the polls Presidential Campaigns takes note of the serious side of elections even as it documents the frenzy frolic and the sleaze Each chapter contains a brief essay describing an election and presenting campaign highlights that bring to life the quadrennial confrontation in all its shame and glory With a postscript analyzing the major changes in the ways Americans have chosen their Presidents from Washington s time to the present Presidential Campaigns gives the reader a full picture of this somewhat flawed procedure For all of its shortcomings though this great American shindig is an essential part of the American democratic system and for better or for worse tells us much about ourselves [Lincoln's Campaign Biographies](#) Thomas A. Horrocks,2014-03-31 During the 1860 and 1864 presidential campaigns Abraham Lincoln was the subject of over twenty campaign biographies In this innovative study Thomas A Horrocks examines the role that these publications played in shaping an image of Lincoln that would resonate with voters and explores the vision of Lincoln that the biographies crafted

the changes in this vision over the course of four years and the impact of these works on the outcome of the elections Horrocks investigates Lincoln's campaign biographies within the context of the critical relationship between print and politics in nineteenth century America and compares the works about Lincoln with other presidential campaign biographies of the era Horrocks shows that more than most politicians of his day Lincoln deeply appreciated and understood the influence and the power of the printed word The 1860 campaign biographies introduced to America Honest Abe the Rail Splitter a trustworthy rugged candidate who appealed to rural Americans When Lincoln ran for reelection in 1864 the second round of campaign biographies complemented this earlier portrait of Lincoln with a new paternal figure Father Abraham more appropriate for Americans enduring a bloody civil war Closing with a consideration of the influence of these publications on Lincoln's election and reelection Lincoln's Campaign Biographies provides a new perspective for those seeking a better understanding of the sixteenth president and two of the most critical elections in American history

Lincoln's Admiral: The Civil War Campaigns of David Farragut James P. Duffy, 2015-04-07 This vivid and impeccably researched book details the life and Civil War battles of Admiral David Farragut It shines a spotlight and shares new details about the admiral's leadership of the mission to recapture the port of New Orleans from the Confederacy a campaign historians consider one of the most daring in military history Farragut is perhaps best known for his order to Damn the torpedoes Full speed ahead during the Battle of Mobile Bay which has become a touchstone and rallying cry for the United States Navy A sweeping and riveting telling of Farragut's career and campaigns Lincoln's Admiral offers fascinating insights into the strategy and decisions of one of the greatest military leaders on the Civil War and of all time *Team of Rivals* Doris Kearns Goodwin, 2006-09-26 On May 18 1860 William H Seward Salmon P Chase Edward Bates and Abraham Lincoln waited in their hometowns for the results from the Republican National Convention in Chicago When Lincoln emerged as the victor his rivals were dismayed and angry Throughout the turbulent 1850s each had energetically sought the presidency as the conflict over slavery was leading inexorably to secession and civil war That Lincoln succeeded was the result of a character that had been forged by life experiences that raised him above his more privileged and accomplished rivals He won because he possessed an extraordinary ability to put himself in the place of other men to experience what they were feeling to understand their motives and desires This capacity enabled President Lincoln to bring his disgruntled opponents together create the most unusual cabinet in history and marshal their talents to preserve the Union and win the war **Lincoln and the Election of 1860** Michael S. Green, 2011-08-26 Abraham Lincoln looms large in American memory He is admired for his many accomplishments including his skills as an orator and writer his Emancipation Proclamation and his unswerving leadership during the strife ridden years of the Civil War Now Michael S Green unveils another side to the sixteenth president of the United States that of the astute political operator Lincoln and the Election of 1860 examines how through a combination of political intrigue and deep commitment to the principle of freedom Lincoln journeyed from

Republican underdog to an improbable victor who changed the course of American history Although Lincoln rose to national prominence in 1858 during his debates with Stephen Douglas he was unable to publicly stump for the presidency in a time when personal campaigning for the office was traditionally rejected This limitation did nothing to check Lincoln s ambitions however as he consistently endeavored to place himself in the public eye while stealthily pulling political strings behind the scenes Green demonstrates how Lincoln drew upon his considerable communication abilities and political acumen to adroitly manage allies and enemies alike ultimately uniting the Republican Party and catapulting himself from his status as one of the most unlikely of candidates to his party s nominee at the national convention As the general election campaign progressed Lincoln continued to draw upon his experience from three decades in Illinois politics to unite and invigorate the Republican Party Democrats fell to divisions between North and South setting the stage for a Republican victory in November and for the most turbulent times in U S history Moving well beyond a study of the man to provide astute insight into the era s fiery political scene and its key players Green offers perceptive analysis of the evolution of American politics and Lincoln s political career the processes of the national and state conventions how political parties selected their candidates national developments of the time and their effects on Lincoln and his candidacy and Lincoln s own sharp and often surprising assessments of his opponents and colleagues Green frequently employs Lincoln s own words to afford an intimate view into the political savvy of the future president The pivotal election of 1860 previewed the intelligence patience and shrewdness that would enable Lincoln to lead the United States through its greatest upheaval This exciting new book brings to vivid life the cunning and strength of one of America s most intriguing presidents during his journey to the White House Abraham Lincoln Abraham Lincoln, Don Edward Fehrenbacher, 1977 This pathbreaking work argues that the major intellectual trend in China from the seventeenth through the early nineteenth century was Confucian ritualism as expressed in ethics classical learning and discourse on lineage Reviews Chow has produced a work of superb scholarship fluently written and beautifully researched One of the landmarks of the current reconstruction of the social philosophy of the Qing dynasty Chow s book is indispensable It has illuminating analyses of many mainstream writers institutions and social categories in eighteenth century China which have never previously been examined Canadian Journal of History Chow s monograph moves ritual to center stage in late imperial social and intellectual history and the author makes a powerful case for doing so Because the author understands the intellectual history of late Ming and Qing as the history of a movement or successive movements of fundamental social reform he has also made an important contribution to social and political history as these were related to intellectual history Journal of Chinese Religion Chow s book is an excellent contribution to recent scholarship on the intellectual history of the Confucian tradition and provides a balance for other studies that have emphasized ideas to the exclusion of symbols The Historian **Political Rhetoric, Social Media, and American Presidential Campaigns** Janet Johnson, 2020-12-10 Political Rhetoric Social Media and American Presidential Campaigns explores how social media

influenced presidential campaign rhetoric The author discusses media use in American presidential campaigns as well as social media campaigns for Barack Obama Mitt Romney Hillary Clinton and Donald Trump This book addresses how presidential candidates adapted their rhetorical performances for newspapers radios television and the Internet Scholars of rhetoric and political communication will find this book particularly useful
