Liberating the Bruised Dr. Joe Allbright,2011-04-11 As one reads Liberating the Bruised one sees that it clearly explains spiritual warfare by way of God s Word and it offers God s solutions for minor to major spiritual and emotional problems Of course if minor problems are not dealt with they can become major ones This book well serves as 1 a text book for those desiring to learn biblical truths about wounded fragmented personalities and the demonic spiritual warfare 2 a self help counseling book and 3 an instruction book for those desiring to learn how to help hurting people find freedom peace and joy Without doubt precious souls who are desperate to be free can find freedom from their spiritual bondage For victory can most surely come through the Lord Jesus as people trust and obey Him concerning His biblical teachings The biblical truths in the book are a great help for any individual battling emotional spiritual and behavioral issues This includes couples with serious marital problems A loving marriage comes 1 when husband and wife each humble himself herself to deal with and confess his her own sin issues 2 reclaim all legal ground that Satan manipulates and claims by way of sinful behavior and any generational iniquities passed down and 3 through their legal authority in Jesus Christ each can reclaim ground from the enemy and receive freedom peace and joy Then each can walk with the Lord victoriously and respect and love others the way Christ loves unconditionally *Spiritual Answers Today's Questions Volume*

remembers the exact moment when the relationship between her faith and her entire life came into clear focus Sitting in her favorite red chair with a comfy blanket and a cup of hot tea she snuggled in with her Bible and a new book The book was huge several hundred pages long and yet it didn t intimidate her Written by the beloved Chuck Colson How Now Shall We Live focused the lens of Sarah s life and spelled out a segregation that she had unknowingly been living with a segregation between her faith and the rest of her life She has since come to understand that The Lord designed each and every one of us uniquely and put a dream in our heart that is attached to His agenda for this world Many of us have felt the stirring in our heart to make a difference with our life yet we don t always know how The key she found was to surrender to God s leading seek him first and allow him to do the big things He has planned with our life In the end God s agenda and our dreams and passions will intersect around one very important phrase a battle cry if you will Make Jesus Famous Based on Psalm 145 this invigorating study motivates women to do life differently by making Jesus famous in all aspects of life Just RISE UP is a call to get off the couch of complacency live a life of praise with a humble posture and Kingdom perspective and step into a life of true purpose Features include Verse by verse study of Psalm 145 Snippets of conversations with Sarah s readers Journaling prompts to help the reader dig deeper Conversation guide for small groups **The United States of Medievalism** Tison
