a new friend he learns something new about being brave being kind and the wonders of nature Every time Teddy and Lucy go on an adventure together they learn more about the beauty of the magical forest how important friendship is and how creative they can be They make memories that will last a long time and sometimes they even go back to the woods where they spent their childhoods As Lucy gets older she goes into the magical woods less often Teddy hasn't changed though He keeps going on his nighttime adventures and making new friends Their bond has stood the test of time and the magic of the forest has always been the setting for their adventures together At the end of the story a moving lesson about the power of love creativity and friendship is told It reminds us that even though life's seasons change the relationships we make and the goals we have for our children may last Teddy and Lucy's Nighttime Adventures is a celebration of childlike innocence lasting friendships and the magic that comes to life under the moon's protective light Readers of all ages will find comfort in this timeless story which will make them wonder and believe in the power of friendship The story begins On top of a small ivy covered house in a peaceful and beautiful part of the world was a room that was anything but ordinary This room was a cozy haven where it seemed like time stopped and the worries of the outside world went away In the middle of this room was a small teddy bear named Teddy Inside Teddy's cozy well lit body was a charming story waiting to be solved Teddy wasn't like other toy animals because he could do magic Instead he was one of a kind He was a much loved pet and his soft silky fur showed that he had been stroked and cuddled a lot Even though he kept his warm friendly gaze on him there was a hint of mystery in his button eyes It was a secret that only the stars and moon knew At that moment when the moon's silvery light covered the whole world Teddy changed At first Teddy's soft body would move almost slowly as the night sky darkened and the first stars began to shine as if in answer to a call from heaven Then he would wake up and with a stretch of his hairy limbs and a barely noticeable yawn he would enter a world where he was alive During that magic hour the moonlight and thoughts turned the room into a theater where a story was told Teddy moved with the flow of life which gave his stiff arms a soft elegant feel His button eyes which had been pretty before now sparkled with mischievous interest During these times Teddy came to life His very being was tied to the waves of the world at night Every night Teddy's adventures took place in a cute house that was a quiet place of refuge Time had left its mark on the wooden beams and each of the old things on the walls had its own story Warm and welcoming the room had lace curtains that let the silvery moonlight shine through and make beautiful patterns on the wooden floor A loved old rocking chair was set up next to the window Its soft creaks blended in with the sound of the falling stars Teddy's life grew up in this beautiful country setting His life on the moon wasn't boring at all It was a strange world where it was hard to tell what was possible and what was not In the quiet of the night Teddy went on adventures that most people could only make up for As he went into the unknown his reliable friend the moon kept watch over him Its bright light guided him Teddy went into worlds just outside the house where it kept an eye on him Behind the window was the magical forest a mysterious place with old trees and hidden secrets It drew him in with the promise of

excitement and the promise of secrets just waiting to be found As soon as Teddy set foot on the forest floor he heard the sounds of nature such as leaves rustling insects singing and even the occasional hoot of an old owl Deep in this magical forest Teddy met animals that were smart and funny The wise old owl who was a guardian of the night gave him advice in the form of puzzles and proverbs Teddy listened carefully and realized that the woods were full of secrets he could never have imagined Teddy found a secret pond deeper in the woods The surface of the pond was lit up by the soft dreamy glow of fireflies As these tiny animals danced on the smooth surface of the water they made a sparkling light show Teddy was amazed by how beautiful they were so he started to dance with them moving and shining in their company The night was filled with the sound of the fireflies laughter as they greeted him as one of them They looked like tiny stars Teddy did not only go on trips by himself Along the way he made friends with the forest s people When Sammy a friendly squirrel was looking for his lost nuts he met Teddy who reminded him of himself As a group they went on a journey putting a lot of acorns in Sammy s storehouse and getting closer to each other through kind acts As Teddy s experiences in the enchanted woods went on he started to think of it as his second home Every night something new happened that showed the magic that grew in the soft light of the moon Teddy the teddy bear s life started in that cozy room at the top of the charming house It was a story of wonder and magic where the ordinary became magical and the moonlit hours promised endless adventures in the middle of a magical world In the quiet of those moonlit nights when the rest of the world was asleep and the moon was shining Teddy s change was nothing short of magical Teddy would wake up from a peaceful sleep as soon as he saw the moonlight shining through the lace curtains and giving the room a soft dreamy glow He would wake up with a feeling of excitement that was almost palpable His moves were like a waltz of cotton padding and soft toys It was amazing to see how the bear went from being a sleepy cuddly animal to a lively active soul Teddy s furry limbs moved with an obvious grace as if he were welcoming the endless possibilities of the night and shaking off the sleepiness of his daytime life The dance was put together in complete silence so that only the moon and the quietest night sounds could be heard But the sparkle in Teddy s button eyes showed what Teddy s charm was really about Those eyes no longer have the innocent look they had during the day Instead they have a mean look on them They held the knowledge of many moonlit adventures the promise of more crazy ones to come and a whole world of secrets Teddy finished his change with one last stretch and a yawn that seemed to match the quiet of the evening He was no longer just a stuffed animal he was now a live breathing person who did cute things He seemed to have taken on the power of the moonlight giving him a vitality that went against the rules of the everyday world When Teddy got out of bed he felt like he was going into a dream world he had made himself He walked lightly almost ethereally on the wooden floor with his velvety smooth paws The room that used to be his refuge and place of peace was now where he went to start his nighttime adventures Every night held the promise of a new adventure or discovery and Teddy s heart would beat faster as he got ready to go into the unknown Teddy would jump across the room when he got more energy He couldn t see

what was making him act so silly He jumped out of bed at a speed that didn't match his appearance of wealth He landed with a soft almost quiet thud as if the air itself were cushioning his steps Teddy's spirit of youth was most clear during these bursts of energy Teddy's adventures at night took place in the room which was lit by the soft silvery light of the moon During the day the lace curtains let in just the right amount of light and cast beautiful patterns of light and shadow on the wooden floor The walls were covered with old photos and items that looked like they were whispering stories from long ago that tied in with Teddy's own adventures One of the most cherished things in the room was a well loved rocking chair with curved wooden arms that had seen many hours of soothing motion In the dark the chair seemed to come to life It swayed softly as if it were filled with the same magic that Teddy was Teddy's world became calmer when the chair creaked in a way that sounded like a song and went well with the music of the night Teddy's magic though went beyond the walls of the room Behind the window with the lace curtains was the door to his real playroom a beautiful forest The forest pulled him in with its old trees each of which held secrets and told stories of the past through its bark As soon as Teddy stepped onto the forest floor he seemed to have left the everyday world behind There were secrets rhythms and puzzles that could only be found in the magical forest As Teddy went down the sound of rustling leaves greeted him Every step he took was an offer to find out about the secrets that were waiting for him He was surrounded by the nighttime music of the forest which included the soft rustling of leaves the chirping of crickets and the loud hoots of an old owl sitting in the trees Deep in this magical world Teddy met animals that were smart and funny The wise old owl a watcher of the night welcomed Teddy with a knowing hoot as if he knew Teddy was special in the world of moonlit adventures Teddy paid close attention to the owl's secret information and realized that the forest was full of puzzles he had never thought of Teddy found a secret pond deeper in the woods The surface of the pond was lit up by the soft dreamy glow of fireflies These tiny organisms danced on the water's mirror like surface like live lanterns making a show of sparkling light Teddy was amazed by how beautiful they were so he started to dance with them moving and shining in their company The night was filled with the sound of the fireflies laughter as they greeted him as one of them They looked like tiny stars Teddy did not go on his trips all by himself Along the way he made friends with the forest's people When Sammy a friendly squirrel was looking for his lost nuts he met Teddy who reminded him of himself Together they went on a journey that led to a lot of acorns being put in Sammy's storehouse and made their friendship stronger through acts of kindness Teddy's steady friend and the moon's watchful eye helped him get through these lovely nights Its sparkling brightness lit its way and made the forest and its people look like they were in heaven Teddy on the other hand took the light of the moon as his own and let it guide him when he went exploring at night So Teddy's life turned into a fascinating story of magic and change in that small room at the top of the cottage where the ordinary became special and the moonlit hours promised endless adventures at the center of a magical world The soft glow of the moonlight gave the room an otherworldly beauty that made even the most ordinary things look a little bit magical Now that Teddy was

awake and aware he became this charm Under the light of the moon his soft hair which had been caressed with love all day looked almost ethereal It looked like it was covered in stardust as if it had soaked up the light of the moon *Story Drama in the Special Needs Classroom* Jessica Perich Carleton,2012-01-15 Dramatic play can be applied to a diverse range of school subjects and recreational settings and is guaranteed to enhance students learning and encourage artistic expression Lesson plans take teachers through every aspect of running fun and engaging story dramas with ways to adapt them to meet the needs of the inclusive or special needs group **A to Zoo** Rebecca L.
