historian Woden Teachout reveals that it has held vastly different meanings over time It has been claimed by both the right and left by racists and revolutionaries by immigrants and nativists In tracing the political history of the flag from its origins in the American Revolution through the present day Teachout demonstrates that the shifting symbolism of the flag reveals a broader shift in the definition of American patriotism A story of a nation in search of itself Capture the Flag offers a probing account of the flag that has become America s icon *John Wayne Gold Medal* United States.
