Hubbard, 1989 This comprehensive single volume source of information on the social and economic transformations in Europe over the past hundred years fills a critical gap in our knowledge It examinations population trends social structures and economic structures and offers an integrative overview of changes in both the organization of the economy and the role of the state in economic management **Communism in Eastern Europe** Teresa Rakowska-Harmstone, 1984 *The Statesman's Year-Book 1973-74* J.
