Social Care Services The Key To The Scandinavian Welfare Model:

Social Care Services Jorma Sipilä, 2019-06-04 First published in 1997 this volume aimed to study social care services as a specific type of social policy that operates on a different set of principles as supportive services rather than as poor relief or social security work The focus is on determining what is specifically Scandinavian about the world famous Scandinavian welfare state with studies on issues including the origins of four social care service models the development of local authority social services in Iceland and social services as a gender issue

The Nordic Model Mary Hilson, 2008-06-24 The political structures of the Scandinavian nations have long stood as models for government and public policy This comprehensive study examines how that Nordic model of government developed as well as its far reaching influence Respected Scandinavian historian Mary Hilson surveys the political bureaucracies of the five Nordic countries Denmark Finland Iceland Norway and Sweden and traces their historical influences and the ways they have changed individually and as a group over time The book investigates issues such as economic development foreign policy politics government and the welfare state and it also explores prevailing cultural perceptions of Scandinavia in the twentieth century Hilson then turns to the future of the Nordic region as a unified whole within Europe as well as in the world and considers the re emergence of the Baltic Sea as a pivotal region on the global stage The Nordic Model offers an incisive assessment of Scandinavia yesterday and today making this an essential text for students and scholars of political science European history and Scandinavian studies

Gender, Social Care and Welfare State Restructuring in Europe Jane Lewis, 2018-12-20 Published in 1998 Social provision in all European countries has faced increasing scrutiny during the 1990s Focusing on gendered aspects of welfare state restructuring each contributor examines the way in which the welfare state of his or her country has been restructured over the past decade concentrating on services for elderly people and for children Each chapter outlines the shifts in the mixed economy of welfare and describes the degree to which there has been greater decentralization moves towards a different style of public management or the introduction of market principles The changes in the provision of services for elderly people and children is described for the same period Finally women s position as paid providers of services as unpaid carers and as recipients of services is analyzed This book investigates the idea that the move towards marketization in many countries is having a disproportionately detrimental effect on women whose leverage on the market tends to be weak

Providing Integrated Health and Social Services for Older Persons Andy M. Alaszewski, 2019-06-04 Originally published in 2004 Providing Integrated Health and Social Care for Older Persons Issues Problems and Solutions PROCARE is a project in the EU Fifth Framework Programme Quality of Life and Management of Living Resources Area The Ageing Population and Disabilities that aims to help in defining the new concept of an integrated health and social care for older persons in need of care by comparing and evaluating different modes of care delivery The project will identify structural organisational economic and social cultural factors and actors that constitute an integrated and sustainable care system with enhanced outcomes for all

actors involved This book gathers the achievements of the first project phase 2002 that consisted in a literature overview focusing on the question which of the variety of innovations in modes of organisation finance and professional collaboration observed in Europe over the last decade have been the most successful and long lasting ones Thus national reports from nine EU Member States Austria Denmark Finland France Germany Greece Italy the Netherlands and the UK will be presented by scholars from leading research and consulting agencies in these countries The national reports follow a mutually agreed structure The publication is introduced by a general overview and a more theoretic article defining the issues at stake The book gives a unique general overview on European approaches towards integrated social and health care services and policies that are to be developed to face the growing need of care in ageing societies furthermore it provides indicators for successful approaches and models of good practice to overcome the social health divide and a better understanding of the meaning of integrated services and coordination of social and health systems in the different countries Finally facts and figures about coordination at the interface between health and social care for older persons as well as problems and solutions

The End of the Welfare State? Stefan Svallfors, Peter Taylor-Gooby, 2012-10-12 Throughout the world politicians from all the main parties are cutting back on state welfare provision encouraging people to use the private sector instead and developing increasingly stringent techniques for the surveillance of the poor Almost all experts agree that we are likely to see further constraints on state welfare in the 21st Century Gathering together the findings from up to date attitude surveys in Europe East and West the US and Australasia this revealing book shows that contrary to the claims of many experts and policy makers the welfare state is still highly popular with the citizens of most countries This evidence will add to controversy in an area of fundamental importance to public policy and to current social science debate Nordic Social Policy Matti Heikkila, Bjorn Hvinden, Mikko Kautto, Staffan Marklund, Niels Ploug, 2002-01-22 By focusing on developments in the Nordic welfare states during the past decade Nordic Social Policy provides new insights into the evolution of welfare state measures and generally assesses the peoples health in Sweden Finland Norway and Denmark This comparative work includes chapters on the changed preconditions of welfare policies changes in the welfare measures developments in the welfare of the people developments in public support for the welfare states **International Social Policy** Pete Alcock, Gary Craig, 2009-03-24 The second edition of this textbook provides an accessible and structured look at social policy in a global comparative context With detailed explanations of the historical political and social context of policy developments across thirteen nations the book offers an authoritative picture of social policy across the developed world The book considers core areas of policy provision alongside contemporary international concerns such as globalisation demographic change and economic reform Specifically it examines policy in the following nations USA Canada Australia New Zealand UK Sweden Germany Italy Russia Japan South Korea China South Africa Written and edited by leading social policy experts in each country this is an invaluable contribution to the study of global social policy and an indispensable resource for students researchers and policy

makers New to this Edition Offers an expanded first chapter on welfare analysis Completely new chapters on China and South Korea Updates throughout that flag the latest changes and policy trends Explores and compares a variety of approaches to social policy Parental Leave, Childcare and Gender Equality in the Nordic Countries Ingólfur V. Gíslason, Guðný Björk Eydal, 2011 The Nordic countries are often seen as pioneers in the area of gender equality It is true that the position of women in Nordic societies is generally stronger than in the rest of the world There is an explicit drive in most or perhaps all areas of society to promote and strengthen equality between women and men In recent years some significant changes have occurred on the family front where men now assume a greater share of childcare household work and other tasks that used to be primarily women's domain Occasionally we hear questions in the context of public debate as to whether the investments we have made to ensure equal opportunities rights and obligations for women and men have in fact occurred at the expense of children This concerns particularly the expansion of childcare and the system of shared parental leave This book addresses some of these questions through an overview of political and policy developments in Nordic parental leave and childcare In addition the book describes research on the situation of Nordic children and their wellbeing as viewed through international comparisons **Privatization of Early Childhood Education and Care in Nordic Countries** Håkon Solbu Trætteberg, Karl Henrik Sivesind, Maiju Paananen, Steinunn Hrafnisdóttir, 2023-09-08 This book explores the increasing role of private providers in early childhood education and care ECEC as they become a core part of the Nordic welfare model one that once rejected for profit involvement in public welfare Within this context ECEC has become the key battleground over private providers role in the welfare system Chapters compare five Nordic countries Iceland Finland Denmark Sweden and Norway to discuss possible benefits from having different types of providers public nonprofit and for profit in the welfare mix To conclude the authors also provide a comparative perspective on governance of the ECEC sector and on the development and functions of the Nordic welfare model *Social Work and Child Welfare Politics* Hannele Forsberg, Teppo Kröger, 2010 Drawing on contemporary research and debates from different Nordic countries this book examines how social work and child welfare politics are produced and challenged as both global and local ideas and practices **The Origins of Social Work** Malcolm Payne, 2020-01-22 This book traces the origins and development of social work as we now know it Providing an ambitious synthesis of historical and international material it explores the different faces of social work whether defined by social policy developments professionalization changes in client group or shifts in practice orientation This is a unique book undertaken by an author with a strong international reputation and as such it promises to be a landmark for years to come in the social work literature **Strategies of Care** Barbara Da Roit, 2010 This analytic study surveys the transformations of elderly care policies and practices since the early 1990s by comparing the trajectories of two extremely different care systems Italy and the Netherlands *Social Policy and Economic Development in the Nordic Countries* O. Kangas, J. Palme, 2005-07-01 This volume examines the relationship

between Nordic social policy and economic development from a comparative perspective It identifies the driving forces behind the development of the Nordic welfare model and the problems and dilemmas the model is facing at present The book also traces the link between democratization and social policy drawing attention to the role of the state and non governmental organizations Social Policy and Economic Development in the Nordic Countries examines Nordic social policies on unemployment social care family education and health care policies and reviews future challenges of the welfare state in the information society The Routledge International Handbook to Welfare State Systems Christian Aspalter,2023-11-30

Developing countries may not have full fledged welfare states like those we find in Europe but certainly they have welfare state systems For comparative social policy research the term welfare state systems has many advantages as there are numerous different types models of welfare state systems around the world This revised and expanded second edition brings together leading experts to discuss social policy in 32 countries regions around the world from the most advanced welfare state systems in Scandinavia and Western Central Europe to the developing powers of Brazil China India Indonesia Mexico and Russia Country specific chapters provide in general a historical overview discuss major characteristics of the welfare state system and analyze country specific problems as well as critical current and future trends for further discussions while also providing one additional major focal point issue for greater in depth analysis Including new country case studies on Mali South Africa Iceland Spain Italy Greece and Vietnam this book is reframed around urgent contemporary issues including migration and rising social inequalities LGBTQIA rights universal basic income and transboundary social policy It will be of great interest to all scholars and students of social policy social development development economists and health economists experts in public policy health policy including mental health policy housing policy education policy family policy cis and trans gender policy migration and population policy sociology social work anthropology as well as social policy and public policy makers and administrators
