**Narratives and Social Change** Emiliana Mangone,2022-04-01 This book is an important contribution to narrative research and highlights how narratives can produce social change The author demonstrates this through an analysis of concepts like future uncertainty and risk both in terms of individual impact and as collective forms of social life The book reconstructs the relationships between future uncertainty and risk through everyday how narratives exert power over individual and social life by influencing individual or collective decisions and choices Narratives also change future prospects thus producing social change Some of the examples the author draws out for discussion are in specific the narration of the migration flows in the Mediterranean Sea and the narration of the pandemic emergency from COVID 19 The result of different narratives has been the emergence of new ideologies and of a complex series of dynamics in which the local ends up becoming global and vice versa Highly topical and interdisciplinary in its approach this book is of interest to researchers and students of the sociology of culture and communication media and communication studies social and cultural psychology and cultural anthropology

**Elise Boulding: Writings on Peace Research, Peacemaking, and the Future** J. Russell Boulding,2016-11-02 This volume honors the lifetime achievements of the distinguished activist and scholar Elise Boulding 1920 2010 on the occasion of her 95th birthday Known as the matriarch of the twentieth century peace research movement she made significant contributions in the fields of peace education future studies feminism and sociology of the family and as a prominent leader in the peace movement and the Society of Friends She taught at the University of Colorado Boulder from 1967 to 1978 and at Dartmouth College from 1978 to 1985 and was instrumental in the development of peace studies programs at both institutions She was a co founder of the International Peace Research Association 1964 the Consortium on Peace Research Education and Development 1970 and various peace and women s issues related committees and working groups of the American Sociological Association and International Sociological Association

*The Future of Urban Form* John Brotchie,Peter Newton,Peter Hall,Peter Nijkamp,2017-10-12 This book first published in 1985 explores the ways in which the editors and contributors predicted the urban system shaped by emerging technologies would look like both nationally and internationally The technological changes covered include automation in the secondary sector the effects of energy price rises and threats of shortage and substitution effects in the energy and vehicle technology areas Social and economic factors discussed include unemployment patterns urban activities and lifestyles and their interactions This title will be of interest to students of urban

studies     Teaching about the Future P. Bishop,A. Hines,2012-06-26 The faculty at the University of Houston s program in Futures Studies share their comprehensive integrated approach to preparing foresight professionals and assisting others doing foresight projects Provides an essential guide to developing classes on the future or even establishing whole degree programs     **The Psychology of Radical Social Change** Brady Wagoner,Fathali M. Moghaddam,Jaan Valsiner,2018-04-03 Since 2011 the world has experienced an explosion of popular uprisings that began in the Middle East and quickly spread to other regions What are the different social psychological conditions for these events to emerge what different trajectories do they take and how are they are represented to the public To answer these questions this book applies the latest social psychological theories to contextualized cases of revolutions and uprisings from the eighteenth to the twenty first century in countries around the world In so doing it explores continuities and discontinuities between past and present uprisings and foregrounds such issues as the crowds collective action identity changes globalization radicalization the plasticity of political behaviour and public communication     Senses of the Future Gerard Delanty,2024-03-04 The future has become a problem for the present Almost every critical issue is now understood and experienced through the prism of the future since this is the primary focus for the playing out of crises Senses of the Future offers a wide ranging discussion of theories of the future It covers the main ideas of the future in modern thought and explores how we should view the future today in light of a plurality of very different and conflicting visions The key contribution of this book is to bring together the different approaches with an account that is grounded in sociological and philosophical analysis as opposed to visions of the future that are inspired by extreme visions of catastrophe or approaches that see the future as only the continuation of the present Given a revival of apocalyptic visions of the end times and dystopian views of the future of human societies there is urgent need for a new approach on how we should imagine the future The author explores the future as a field of tensions that is revealed in narratives utopian desires hope imaginaries and social struggles concerning the potential possibilities of the present the future does not just arrive it has to be fought for This book is an important contribution to a critical sociology of the future It is both a work of reconstruction and critique grounded in a historical and philosophical hermeneutics of the future

**Tradition Modernization and Globalization** Prem Narain Pandey,2015-01-01 The present volume provides a sequential nexus of Tradition Modernization and Globalization right from the early stages up to present time The continuum of tradition and modernity is delineated clearly in different papers in the wake of modern scientific inventions and technological innovations Some of the very brilliant analyses of the features of tradition modernization and globalization done by the sociologists of international repute and specialized scholars of social sciences have made this book a unique specimen that provides a critical and crosscultural analysis of tradition modernization and global developments with concrete instances in different domains of societies The book is divided in two major parts Part one deals with the historical perspective of tradition and modernization and part two focuses on the emerging features of tradition modernization and globalization and

their impacts on different components of economy polity and social structure in the developed societies of Europe and USA as well as developing societies of Asia Africa and Latin America This book may be an academic stimulant to administrators planners and policymakers of governments and scholars of higher studies as well as scientists and technologists interested in the fields of modernization and overall global development The present volume is the outcome of a joint academic endeavour with Prof S K Srivastava who left for heavenly abode on 12 May 2012 in the mid journey of the publication
