The Teddy Bear Habit James Lincoln Collier, 1970 A Study Guide for Christopher Collier/James Lincoln Collier's "My Brother Sam Is Dead" Gale, Cengage Learning, 2016-06-29 A Study Guide for Christopher Collier James Lincoln Collier's *My Brother Sam Is Dead* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs. *James Lincoln Collier* Liz Sonneborn, 2005-12-15 James Lincoln Collier is a prolific writer of fiction and nonfiction for adults and children alike. This lively biography details his upbringing surrounded by writers and creativity, his decision to become a professional writer, his love of jazz, and his comprehensive and famed writings about the topic and his collaboration with his historian brother Christopher. Their collaboration produced some of the best historical novels ever written for young adults. Descriptions and discussions of Collier's best work and an original interview are also included. **The Teddy Bear Habit** James Lincoln Collier, 2013-02-01 Twelve-year-old George Stable wants to be a rock star someday, but he gets horrible stage fright unless he has his old teddy bear with him. Hiding the teddy in his guitar seems like a brilliant idea. Then George discovers that someone has hidden stolen jewels in the stuffing of his beloved bear. George's embarrassing teddy bear habit becomes the center of a life-and-death chase through Manhattan. Can George survive long enough to make his first television appearance? **Rock Star** James Lincoln Collier, 2013-06-01 To Tim Anderson, playing the guitar is as natural and just about as important as breathing. He's already decided he's going to be a musician. But his father has other career plans for him, all involving college. And now, because Tim is on the verge of flunking math, he's been forbidden even to touch his guitar. It couldn't have happened at a worse time. A top record company has just announced a nationwide contest for teenage rock groups with a recording contract as first prize. Tim is sure his group, The Silver Sunshine, has a good chance of winning. Tim's best friend Charlie Hoving urges him to ignore his father's orders. But Tim just can't do it. In spite of their disagreements, he basically likes and respects his father. So he obeys the ban more or less until a crisis arises on the night of the contest. Tim realizes his only chance to make it is to leave home and go to New York City. His decision leads to some unpleasant experience with a man named Crazy, some rude shocks from the record company executive who had given him encouragement back home, and some surprising and confusing discoveries while playing with a new group, The Sound System. Tim's stubborn pursuit of his dream and his initiation into the high-voltage world of rock music make an exciting and absorbing story. **Lost Treasures: The Teddy Bear Habit - Book #3** James Lincoln Collier, 2001-06-01 A twelve-year-old boy whose problems include having to take square music lessons, an attachment to a childhood teddy bear, and a father who earns a living creating comic strips gets involved with jewel thieves in an attempt to break the dull routine. *Something about the Author* Gerard J.
