Tele A History Of The Belfast Telegraph:

The tele Malcom Brodie,1999 **The Tele** Malcolm Brodie,1995 Taking readers behind the scenes this is a history of the Belfast Telegraph newspaper affectionately referred to as the Tele It reveals the characters and personalities who moulded the paper and captures the dramatic newsroom tensions of the big scoops *Northern Ireland in the Second World War* Brian Barton,1995 What was the full impact of the Second World War on Northern Ireland and how important was its role in the allied cause This book assesses Northern Ireland s contribution to the war effort its industrial production its use as a base and training center for British and American troops its strategic importance in the Battle of the Atlantic and the contribution of its volunteers to the allied campaigns Using recently released papers in Dublin it looks anew at the Blitz particularly on whether the lights in neutral Eire helped the German bombers in their devastating raids It recreates much of the atmosphere of what it was like to live for over 5 years under the combined attentions of German bombers shortages bureancracy and American soldiers It examines the sensitive issues of why there was no conscription the initially lacklustre performance of the Unionist government de Valera s persistence with neutrality and the extent of the tensions between locals and GIs stationed here The long term significance of the War on inter community relations on governmental relations north and south and between Stormont and Westminster is assessed It contends that in many of these areas and in the establishment of the post war welfare state the Second World War was a major turning point in the history of Northern Ireland *A New History of Ireland Volume VII* J. R. Hill,2003-12-04 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland *Cinemas and Cinema-Going in the United Kingdom: Decades of Decline, 1945-65* Sam Manning,2020-03-31 Cinema going was the most popular commercial leisure activity in the first half of the twentieth century peaking in 1946 with 1 6 billion recorded admissions Though going to the pictures remained a popular pastime the transition to peacetime altered citizens leisure habits During the 1950s increased affluence the growth of television ownership and the diversification of leisure led to rapid declines in attendance Cinema attendances fell in all regions but the speed nature and extent of decline varied widely across the United Kingdom By linking national developments to detailed case studies of Belfast and Sheffield this book adds nuance to our understanding of regional variations in film exhibition audience habits and cinema going experiences during a period

of profound social and cultural change Drawing on a wide range of quantitative and qualitative sources Cinema and Cinema Going conveys the diverse nature of this important industry and the significance of place as a determinant of film attendance in post war Britain

Winston Churchill in the British Media Hanako Ishikawa,2020-07-17 The book explores how Churchill was portrayed in the UK press during the Second World War comparing his depictions in Scottish Welsh Northern Irish and provincial English newspapers By using a variety of newspapers from these areas it examines local opinions about Churchill at the time he was the wartime prime minister It analyses how Churchill was received and depicted by newspapers in the UK and why differences in these depictions emerged in each area It contributes to the study of public opinion in the war and of Churchill s reputation of the British media as well as to the study of the notion of Britishness focusing on local perspectives

The Irish Protestant Churches in the Twentieth Century Alan Megahey,2000-08-17 This book is unique in recording the history of all the Protestant churches in Ireland in the twentieth century though with particular focus on the two largest the Presbyterian and the Church of Ireland It examines the changes and chances in those churches during a turbulent period in Irish history relating their development to the wider social and political context Their structures and beliefs are examined and their influence both in Ireland and overseas is assessed

Irish Media John Horgan,2012-11-12 Irish Media A Critical History maps the landscape of media in Ireland from the foundation of the modern state in 1922 to the present Covering all principal media forms print and electronic in the Republic and in Northern Ireland John Horgan shows how Irish history and politics have shaped the media of Ireland and in turn have been shaped by them Beginning in a country ravaged by civil war it traces the complexities of wartime censorship and details the history of media technology from the development of radio to the inauguration of television in the 1950s and 1960s It covers the birth development and sometimes the death of major Irish media during this period examining the reasons for failure and success and government attempts to regulate and respond to change Finally it addresses questions of media globalisation ownership and control and looks at issues of key significance for the future Horgan demonstrates why in a country whose political divisions and economic development have given it a place on the world stage out of all proportion to its size the media have been and remain key players in Irish history

Association Football and Society in Pre-partition Ireland Neal Garnham,2004 Association football has consistently been the most popular sport in Ireland at whatever level it is played amateur or professional But the game itself has uncertain roots This book analyzes in detail the evidence of the development of football in Ireland from its origins to the partition of both the country and the game

Politics, Society and the Middle Class in Modern Ireland F. Lane,2009-11-29 An examination of Irish society and politics providing a wide ranging introduction to the involvement of the middle classes in Irish political life and the public sphere accrosss the eighteenth and twentieth centuries Combines analytical surveys and case area studies to offer new perspectives on crucial movements and figures in Irish history
